Nursing Elderly People:

Nursing Older People at a Glance Josephine Tetley, Nigel Cox, Kirsten Jack, Gary Witham, 2018-06-18 As the environment of care continues to evolve to promote person centredness dignity health and wellbeing for nurses working with older people this can be challenging *Nursing Older People at a Glance* is a timely publication which provides an overview of key concepts that nurses need to know in order to care for older people in a wide range of settings Divided into six sections it explores a range of themes such as person centred care health and wellbeing health promotion and the complexity of older people s care encompassing mental wellbeing diverse communities and learning disability With a strong focus on dignity in care throughout *Nursing Older People at a Glance* will readily equip undergraduate and post qualification nurses with the knowledge and skills required to care for older people in a competent and compassionate manner Older People and Mental Health Nursing Rebecca Neno, Barry Aveyard, Hazel Heath, 2008-04-15 *Older People and Mental Health Nursing* provides an evidence based guide to caring for the growing number of older people with mental health issues It focuses on the knowledge and key skills which practitioners require to work effectively with older people who have or are at risk of developing mental health needs Divided into five sections *Older People and Mental Health Nursing* first explores the background historical perspectives and influences on mental health care in later life It then looks at the ethical and legal issues involved therapeutic relationships and the values underpinning support and care Part three focuses on aspects which have traditionally been neglected in mental health care including culture religion and sexuality Part four details specific mental health issues for older people including delirium depression and dementia The final section explores future trends in older people s mental health and offers ideas on how nursing is developing and could develop to address these Offers a practical evidence based guide to the care of older people with mental health conditions Includes thought provoking practice examples throughout Contains guidelines for nursing practice therapeutic interventions Includes case studies and reflective scenarios Written by experts in the field *Nursing Older People* Heather Elbourne, Andrée le May, 2019-07-10 This practical guide helps student and practising nurses to understand the impact of their care when working with older people With stories from older people who have had varied experiences of health care and nursing chapters are underpinned by five key principles providing patient centered and dignified care shared decision making involving family and friends multidisciplinary care improving well being through companionship and a sense of value and an appreciation of both the challenges and rewards of working with older people This book offers Stories which reflect the complexity of care and health experienced by older people and their journeys Topic oriented chapters which provide a series of evidence based readings which use the most up to date research evidence merged with national and international policy and practitioner experience Practical tips and key messages for working with older people The volume can be used to help nursing students and practising nurses to understand better how their care might impact positively on older people s health and well being This

situates the reader within the world as experienced by older people

Placement Learning in Older People Nursing Julie McGarry, Philip Clissett, Davina Porock, Wendy Louise Walker, 2013-01-25 Worried about your placement Will you fit in Will you have the right skills What do you need to learn for practice assessments This book will help you with all these concerns It will tell you what to expect from the placement what you can learn how to link theory and practice and how to make the most of your learning opportunities A logical step by step approach to preparing for a medical placement Helps make the most of learning opportunities Explains how to develop medical competencies mapping specific cancer and palliative care exercises and activities to the NMC competencies Narratives from other students describe what the placement will really be like Honest discussion of the challenges of a medical placement to help avoid problems Advice on possible approaches to situations that may arise Focus on the essential evidence base of cancer and palliative care nursing linking theory to practice Series features A unique guide to getting the most from clinical placements What to expect before a placement What you can expect to learn on placement How to consolidate your experience and learning Clear links and examples with NMC proficiencies Guidance on what to use as evidence for portfolios Short case studies to link theory with practice Key points reminder boxes

Nursing Elderly People Sally J. Redfern, 1986 *Nursing Care of Older People* Andrew Hindle, Alison Coates, 2011-02-10 Nursing care of older people provides a new contemporary evidence based and practical guide to meeting the holistic health needs of older patients With a clear and engaging style the authors outline a rigorous and robust account of underlying principles and evidence with tools and tips for best nursing practice This comprehensive textbook examines the changes brought about by the ageing process to both physical and mental health as well as learning disabilities Providing essential insights necessary to deliver high quality nursing in primary and hospital care this text covers a wide range of issues and clinical topics Learning is aided by case studies nursing insights activities and reflection enabling readers to apply theory to practice This text is particularly useful for pre and post registration student nurses qualified nursing staff and other healthcare professionals working alongside nurses to deliver care to older people The online resource centre to accompany Nursing care of older people features For students and lecturers Additional interactive case studies National policy links Website links to national older people organizations charities and support groups and links to journals on older patients in health care Audio podcasts on the nursing care of older people

Intermediate Care of Older People Siân Wade, 2006-02-22 Intermediate care has become a buzzword within health and social care over the last few years Seen as the panacea for a number of woes particularly for older people intermediate care has been held up as a way forward within contemporary health and social care This text explores in detail what is understood by the concept of intermediate care and in particular ways in which the needs of older people can be best met by this new range of services Initial discussion centres on the concept of intermediate care and the motives for its development This is followed by a summary of the range of intermediate care services that have been developed with a discussion of some of the confusion that

surrounds the concept The debate then moves on to centre on older people discussing first why older people have come to be perceived as one of the main client groups that may benefit from intermediate care and then how intermediate care could be developed to better serve their needs An overview of ageing and the uniqueness of older people is then provided followed by an exploration of some of the challenges faced by older people within society and how this has extended into the delivery of health and social care

The Health and Care of Older People in Care Homes Royal College of Physicians of London,2000

Nursing for Wellness in Older Adults Carol A. Miller,2009 Now in its Fifth Edition this text provides a comprehensive and wellness oriented approach to the theory and practice of gerontologic nursing Organized around the author's unique functional consequences theory of gerontologic nursing the book explores normal age related changes and risk factors that often interfere with optimal health and functioning to effectively identify and teach health promotion interventions The author provides research based background information and a variety of practical assessment and intervention strategies for use in every clinical setting Highlights of this edition include expanded coverage of evidence based practice more first person stories new chapters and clinical tools such as assessment tools recommended by the Hartford Institute of Geriatric Nursing

Mental Health Care for Nurses Anthony Harrison,Chris Hart,2009-02-26 Mental health is a significant factor in providing effective nursing care for patients in hospital and residential settings Non mental health nursing staff often lack the confidence knowledge and skills to effectively meet the mental health needs of patients who are experiencing psychiatric problems and psychological distress Mental Health Care for Nurses Applying mental health skills in the general hospital provides a step by step guide which will help nurses identify these needs and address them in practice The first part of Mental Health Care for Nurses Applying mental health skills in the general hospital explores the context of mental health care in hospital and residential settings and provides a practical framework for assessment planning and delivery of mental health care The second part explores specific topics such as self harm and suicide prevention caring for the patient displaying challenging behaviour maternal and perinatal mental health problems mental health problems associated with old age mood disorders and illicit drug and alcohol dependence

Enhancing the Health of Older People in Long-term Care Royal Surgical Aid Society--AgeCare,1998

Working With Older People And Their Families Nolan, Mike,Davies , Nolan,Grant, Gordon,2001-02-01 This text combines reviews of specialist literatures with empirical data in an attempt to synthesise themes about making a reality of person centred care

The International Handbook of Animal Abuse and Cruelty Frank R. Ascione,2010 Animal abuse as a predictor of abuse against humans has been documented extensively Experts have explored alternatives to identify the early signs and stop the cycle This book offers an up to date compendium that covers the historical legal research and applied issues related to animal abuse and cruelty

Quality of Life and Person-Centered Care for Older People Thomas Boggatz,2019-11-15 This book explores the meaning of quality of life in care for older persons and introduces the reader to their main concerns when receiving care Based on qualitative

research it pays particular attention to the needs and requirements of older people considering their individual family situations social circumstances values and lifestyles Person centred care is a way of providing nursing care that puts older people and their families at the core of all decisions seeing each person as an individual and working together to develop appropriate solutions Following an introduction to the concept of quality of life in old age the book reviews essential findings from worldwide research into the experiences of older people with regard to nursing care and the impact of these experiences on their quality of life It investigates health promotion care provided in nursing homes and assisted living facilities and palliative care Each chapter includes a brief introduction to the respective field of nursing care and the problems it has to deal with concluding with a discussion of their implications for nursing practice in the respective field of care In closing the evidence from qualitative research is discussed in relation to current gerontological theories

Working with Older People: Clinical aspects of aging, 1971 Self-Care in the Elderly Fatemeh Bahramnezhad, 2025-09-26 This comprehensive book provides a practical and evidence based approach to promoting self care in the elderly Covering all essential domains physical mental social and spiritual it presents a well rounded framework for supporting older adults in maintaining their health and quality of life Each chapter features practical recommendations for older adults and their caregivers along with clinical case examples to enhance comprehension The content is supported by the latest findings from reliable scientific sources peer reviewed journals and clinical guidelines Importantly this book also highlights the growing role of technology and telehealth in elderly care offering innovative yet accessible strategies to improve service delivery Written in clear and simple language this book is ideal for healthcare professionals caregivers students and anyone working in home care or nursing home settings

Evidence for Assessing Drug Safety and Drug Use in Older People - Volume II Monique M. Elseviers, Luciane Cruz Lopes, Ria Benko, Martin Canis, Brian Godman, Fabiane Raquel Motter, Marcio Galvão Oliveira, 2023-08-02 Negotiating Partnerships with Older People Brendan McCormack, 2017-07-12 This title was first published in 2001 Much discussion takes place concerning the nature of the relationship between nurses and older people in hospital and there have been many concerns expresses in United Kingdom policy documents about the quality of care for older people in hospitals Autonomy is considered to be one of the central ethical principles of health care practice and as such is a significantly relevant concept for nurses This book presents the results of a study undertaken with nurses who work with older people in hospitals Issues arising from the study include the effects of institutional constraints on autonomy A framework for person centred practice has been developed from this work that emphasizes the values of the individual and their needs wants and desires The role of the nurse in facilitating practice that respects an individual's values is outlined and the importance of nurses in negotiating relationships with older people is also emphasized

Corporate behaviour and sustainable development Haiyue Liu, Xiaoyu Wang, Yuli Shan, Shiyang Hu, Rui Xue, 2023-05-09 *Caring for Older People in the Community* Angela Hudson, Lesley Moore, 2009-04-13 Caring for older people encompasses complex

physical social and psychological needs and poses many diverse challenges for nurses Caring for Older People in the Community provides nurses with an up to date practical resource that explores these challenges Throughout the book the use of reflection points and scenarios enable the reader to reflect on current issues and consider how underpinning theory supports practice Each chapter is evidence based and fully referenced with full contact details of charities This book will appeal to health and social care practitioners working in community settings and will help nurses meet the challenge of nursing and the ageing population with empathy and understanding of diverse needs
