*International Who's Who in Poetry 2005* Europa Publications, 2004-08-02 The 13th edition of the International Who's Who in Poetry is a unique and comprehensive guide to the leading lights and freshest talent in poetry today. Containing biographies of more than 4,000 contemporary poets world wide, this essential reference work provides truly international coverage. In addition to the well known poets, talented up and coming writers are also profiled. Contents: Each entry provides full career history and publication details. An international appendices section lists prizes and past prize winners, organizations, magazines and publishers. A summary of poetic forms and rhyme schemes. The career profile section is supplemented by lists of Poets Laureate, Oxford University professors of poetry, poet winners of the Nobel Prize for Literature, winners of the Pulitzer Prize for American Poetry and of the King's/Queen's Gold medal and other poetry prizes.

*Soup to Nutz* Rick Stromoski, 2012-11-06 The Nutz family will never be confused with the Waltons, the Partridges or the Bradys. But you might confuse them with another family, your own. *Soup To Nutz: The First Course* is the first collection of comic strips featuring the off-kilter Nutz family where the battle for the last chicken leg rivals the Battle of Bull Run and sibling rivalry is putting it mildly. The battling brood includes brothers Roy, boy and Andrews, their sister and middle child Babs, parents Roy and Pat, and their faithful dog Rosco. These six Nutz make up a family that is every bit as funny and screwball as their name implies. Roy, boy teases his younger brother by telling him that he became part of the family when they found him in the woods and adopted him. But his sister is quick to set the record straight: Don't be silly, Andrew, you weren't adopted. Dad made you out of wood and a cricket turned you into a real boy. The irreverent humor of Nutz flows from the pencil of creator Rick Stromoski, whose research includes growing up the seventh member of a family of 12 children. That experience, no doubt, helped shape the humor behind what is one of the funniest up and coming strips on the funny pages today.

*Who Stole the Nutz?* T-Imani Thomas-Ngabe, 2013-07 Have you ever desperately needed something but had no foreseeable way of obtaining it? Have you ever entered a friend's home without permission and that because it was you, it would be okay? Really? Wouldn't a real friend understand why you committed such a dastardly act? Although you believe you had a good reason, did wisdom ever enter into your realm of consciousness? See what happens when Shirley and Sherman Squirrel return home from their vacation.

*"Girl Nutz": the Epitome of Femininity* Anne Smith, 2012-07-28 This book was originally written to share with other parents of transgender children our journey as a family while we experienced my child change from boy to girl at such a young age. It ideally was written to let you know you are not alone in this experience and hopefully you will find some joy along the way as well. Many sections will carry you on the journey with us from the beginning through to the present day and everything in between. It shares stories, inner thoughts, struggles, triumphs, perspectives, and family dynamics involving the transformation. A parent's perspective is far different from the transgender child or any other member of the family, so I hope it helps you understand the inside of a family who has traveled down this path together and come out the other end smiling.
