*Leslie Beck's Nutrition Guide to Menopause* Leslie C. Beck, 2003 Although every woman experiences the changes of menopause advice on the subject is scant in most women's health guides and what advice there is often relies on a traditional pharmaceutical based approach to symptoms In Leslie Beck's *Nutrition Guide to Menopause* Canada's most trusted health and nutrition expert provides proven diet vitamin and herbal remedies that address the major symptoms and health concerns associated with menopause Because women experience menopause in very different ways Leslie Beck suggests they tailor their response to menopause to fit their own needs Rather than promoting a catch all approach to the symptoms of menopause she advises women to carefully assess their particular symptoms then address those symptoms systematically using a variety of dietary approaches herbal remedies and vitamin and mineral supplements for the greatest possible relief This edition which is a revised and updated version of *Managing Menopause with Diet Vitamins and Herbs* includes a substantial new section on hormone replacement therapy HRT Recent controversies regarding HRT have made it a source of great anxiety for many women and Leslie Beck addresses those concerns methodically Other helpful additions to this edition include a menopause symptom questionnaire a completely revised appendix on vitamins and minerals with updated recommended dietary allowances and a section on the benefits of phytoestrogens which are found in foods rich in soy and flaxseed Canadian Books in Print. Author and Title Index, 1975 *The Christian's Guide to Natural Products & Remedies* Frank Minirth, Alan Horewell, Virginia Neal, 2005 Yet the marketplace of natural healing can be a highly unregulated one full of hearsay trends and half truths Too much misinformation Few trusted sources are available to clearly explain both the good and bad sides of the herb and supplement story *The Christian's Guide to Natural Products Remedies* offers the respected integrity of Dr Frank Minirth and collective wisdom of his associates for a thorough Bible informed approach to mind and body health Dynamic commentary and Q A chapters address natural healing from every direction followed by invaluable sections on herb and supplement profiles drug and herb interaction studies and much more Book jacket Natural Wellness Strategies for the Menopause Years Laurel Alexander, 2012-02-01 Positing that shifts in the mind body and spiritual energy can be as much of an opportunity as a challenge this self help guide offers sage advice to menopausal women Erasing the stigma that is often attached to this transitional period experiences of the Dark Goddess are explored and embraced An exhaustive list of helpful strategies are highlighted including nutrition and herbs meditations and imagery flower essences vibrational healing through quartz crystals reflexology and more Celebrating a reconnection with natural life cycles thought provoking suggestions are explored for envisioning this profound change as a rite of passage and not something to fear Canadian Books in Print 2002 Marian Butler, 2002-02 The Ultimate Nutrition Guide for Women Leslie Beck, 2009-05-18 Natural ways to improve your nutritional health When it comes to health and nutrition women have unique needs they experience more health problems and visit the doctor more often than men Women are also at particular

*The Publishers Weekly* ,2002 [Strategies For Health](#) Steven Horne, RH (AHG),2022-01-14 If you re looking to solve your own health problems help someone you love or you re searching for answers to assist customers or clients this

practical guide to natural remedies will help you succeed This book is the result of the healing journey I started fifty years ago when I failed to find answers to my own chronic respiratory problems After years of getting worse with allopathic treatments I discovered a different approach I started studying and applying the use of herbs diet and other natural modalities I went from being a sickly teenager to a healthy young adult For the past forty years I have been consulting writing and teaching sharing what I have learned to help other people experience the same health transformation I wrote Strategies for Health to share this knowledge so that anyone who is struggling with poor health can move beyond symptomatic relief and start learning how to achieve lasting health To get better results this book teaches you to find and adopt strategies to correct the underlying root causes of disease such as nutritional deficiencies exposure to toxins unresolved stress and poor lifestyle habits Because when you look beyond treating disease symptoms and correct these root causes the body returns to its natural state health This is the approach that I have taken to successfully care for myself and my family It has also helped me transform the lives of my clients and teach hundreds of successful natural health consultants to do the same And I hope the information in this book will help bring the same health and wellbeing to you and many others
