## **Nympho Other Maniacs:**

*The Nympho and Other Maniacs* Irving Wallace, 2019-04-28 In this exciting and provocative book Irving Wallace one of America's most famous novelists turns to nonfiction to tell the candid stories of more than thirty women of the last two centuries who defied the social standards of their times sexually politically intellectually rebelling against conventional behavior or ideas to go their own ways These ladies by intention or unwittingly gave succeeding generations of women new freedoms freedoms the very mention of which scandalized their contemporaries but which led ultimately to today's Women's Liberation Movement With a gift of narrative rare in nonfiction Irving Wallace describes the lives of Ninon de Lenclos who founded a School of Lovemaking in France of Emma Hamilton who became pregnant by England's greatest naval hero without her husband's noticing it of Napoleon's sister Pauline Bonaparte whose intense sexual activity was the despair of her gynecologist of Napoleon's mistress Maria Walewska who was asked to sacrifice her virtue to the Emperor to save Poland from his wrath Perhaps nobody has ever done such justice to Lord Byron's reckless females among them the sensuous Teresa Guiccioli who left her titled husband for Byron the unhappy Caroline Lamb who pursued Byron with such passion as to nearly drive him and her husband mad and the unfortunate Claire Clairmont who gave Byron both a daughter and a hellish time Certainly no one has ever written so entertainingly about such extraordinary tales as Victoria Woodhull who ran for president of the United States in 1872 on a platform advocating free love short skirts vegetarianism birth control and world government she also made a fortune as the first lady stockbroker with the backing of her good friend Commodore Vanderbilt or Lady Jane Eleanborough who enjoyed thirty six renowned lovers three of them kings and four husbands the last an Arab sheik *The Nympho and Other Maniacs* is a magnificent tour de force a book that goes far beyond the amusing and incredible adventures of the uninhibited ladies themselves to make some wise and unexpected points about life love marriage and women

*The Nympho and Other Maniacs* Irving Wallace, 1994 [Irving Wallace](#) John Leverence, 1974 This profile of Irving Wallace and his work includes more than 200 photographs and illustrations It recounts his Midwest Hollywood and European years his experiences during a lifetime of travel his adventures as a journalist in the Far East and Europe his embroilment in political and literary controversies his legal battles and many other facets of his extraordinary life

*Pornography* Andrea Dworkin, 2025-02-25 Andrea Dworkin's 1981 critique of pornography is an important and urgent document about how the culture consumes and manipulates images of women Essential and discomfiting reading in a social media era where women's bodies are being commodified and displayed more than ever Andrea Dworkin's seminal 1981 work on the issue of pornography argues that the industry serves only to harm and oppress women Her discussion of pornography as an outgrowth of the power that men exert over women the power of owning the power of money and the power of sex among others still blazes with its clarity and immediacy and illustrates how these inequities while displayed in raw form in pornography are endemic in all media With a lively and deeply compelling voice Andrea Dworkin succinctly outlines her anti

pornography stance Though the media environment may have changed this passionately and powerfully argued classic remains a relevant and crucial contribution to the area of feminist studies      **Blackmail** Mike Hepworth, 2023-01-20 First Published in 1975 *Blackmail Publicity and Secrecy in Everyday Life* examines why blackmail is often taken more seriously than murder and why it is widely considered as a serious social threat Both fictional and real life situations are used to explore the kinds of social situation in which various individuals become vulnerable to blackmail In isolating the key ingredients of reputational blackmail in Britain over the last hundred years this book is not preoccupied with threats to accuse someone of a major criminal offence such as murder or armed robbery but rather with those cases where the penalties of discovery are less clear cut and where public reaction may be much more ambivalent Mike Hepworth focuses attention on the way blackmail is stigmatized in criminological and other literature and the possible validity of the stereotype in the light of alternative interpretations This book is an interesting read for scholars and researchers of criminology and sociology      *Daniel and the Lions Den* Dan Starrett, 2007-12-12 *Daniel and the Lions Den* the true story of an eight hour inmate is a compelling no holds barred story of humorous and disgusting anecdotes written by the author of *The Father The Son and The Railroad Ghost* and *The Straw Servant* Dan Starrett spent twenty five years in law enforcement and knows first hand what it is like to be in *The Lions Den* One of the best ways to face the strain and stress of prison life is to have a cynical sense of humor and a desire to come out of *The Lions Den* Alive when the long shift is done I worked closely with Dan and he has made my day go by faster with his wit and humor I can attest to the contents of this story because I am retired from the DOC This is life behind bars at its best and worst and can only be described by this man who has been there done that Prison violence goes from mild to unbelievable The correctional officer does not have the best job in the world and is sometimes caught in the middle of the administration the inmates and a speculating misinformed public that would keep him/her from doing their job This story lends credence to Doing your eight and hittin the gate If graphic sex and violence offends you please do not read this story This is reality Ray McGuire Yanceyville N C N C Department of Corrections Ret

*Battleground of Desire* Peter N. Stearns, 1999-04-01 In recent years Peter N Stearns has established himself as the foremost historian of American emotional life In books on anger jealousy coolness and body image he has mapped out the basic terrain of the American psyche Now Stearns crowns his work of the past decade with this powerful volume in which he reveals the fundamental dichotomy at the heart of the national character a self indulgent hedonism and the famed American informality on the one hand and a deeply imbedded repressiveness on the other Whether hunting and gathering tribe or complex industrial civilization every social group is governed by explicit and implicit guidelines on how to behave But these definitions vary widely The Japanese worry less about public drunkenness than Americans Northern Europeans adhere to stricter standards than Americans when it comes to littering Today we swear more now and spit less discuss sex more and death less With an emphasis on sex culture and discipline of the body Stearns traces how particular anxieties take root and

how they express inherent tension in contemporary standards and a stubborn nostalgia for the previous nineteenth century regime Battleground of Desire explodes common wisdom about Americans in the twentieth century as normless and tolerant emphasizing that most of us follow a litany of rules governing everything from adultery to bad breath "The" Nympho- and Other Maniacs Irving Wallace,1971 Insatiable Wives David J. Ley,2009-12-16 This enlightening work investigates the history incidence and causes of a unique sexual lifestyle pursued by increasing numbers of couples It is called by many names and lived in a variety of ways by different couples The most common terms used to describe it are hotwife or cuckold lifestyle This sexual practice a form of sexual nonmonogamy is distinguished from swinging and polyamory in that the husband rarely seeks sexual contact outside the marriage except for participation in group sex with his wife and other men while the wife is permitted and often encouraged to pursue unrestrained sexual encounters with other men The author includes interviews and comments from couples living the lifestyle throughout the U S and presents the stories in an attempt to determine the history of this sexual practice and its role in society and in relationships He explores the psychological social biological and evolutionary underpinnings of this uncommon and socially taboo behavior in an effort to make it more comprehensible to those engaged in the lifestyle and those who are just curious *Scandalous Women* Elizabeth Kerri Mahon,2011-03-01 Throughout history women have caused wars defied the rules and brought men to their knees The famous and the infamous queens divorces actresses and outlaws have created a ruckus during their lifetimes turning heads while making waves *Scandalous Women* tells the stories of the risk takers who have flouted convention beaten the odds and determined the course of world events When Cleopatra 69 BC 30 BC wasn't bathing in asses milk the last pharaoh of the Ptolemaic dynasty ruled Egypt and forged an important political alliance with Rome against her enemies until her dalliance with Marc Antony turned the empire against her Emilie du Chatelet 1706 1748 a mathematician physicist author and paramour of one of the greatest minds in France Voltaire shocked society with her unorthodox lifestyle and intellectual prowess and became a leader in the study of theoretical physics in France at a time when the sciences were ruled by men Long before Rosa Parks refused to give up her seat on the bus Ida B Wells Barnett 1862 1928 fought to end discrimination and the terrible crime of lynching and helped found the NAACP but became known as a difficult woman for her refusal to compromise and was largely lost in the annals of history Gertrude Bell 1868 1926 had a passion for archaeology and languages and left her privileged world behind to become one of the foremost chroniclers of British imperialism in the Middle East and one of the architects of the modern nation of Iraq *Feisty First Ladies and Other Unforgettable White House Women* Autumn Stephens,2009-01-21 First ladies are supposed to be dignified background figures quietly supportive of their husbands agendas Above all they're not supposed to act out or cause even a whiff of scandal Of course reality often overrides conventional wisdom and this book shows how far from the prim ideal many of the Presidents wives have strayed Part irreverent portrait gallery part exuberant expose *Feisty First Ladies and Other Unforgettable White House Women*

introduces a remarkable array of wild women from Martha Washington who opposed her own husband's presidential election to Abraham Lincoln's eccentric wife Mary to rebellious daughters like Patti Davis who were the tabloid fodder of their day Laugh out loud funny and filled with amazing stranger than fiction facts from our American history Feisty First Ladies journeys into the realm of the eclectic sisterhood whose outrageous words and deeds have rocked the fusty old foundations of the White House and the nation **New York Times Saturday Book Review Supplement**, 1971 A Question of Quality Louis Filler, 1976 The subjects treated in this symposium have one major characteristic in common that they have recently or relatively recently enjoyed high popularity among readers Also they have received from substantial to torrents of comment
