Parties and Politics in Contemporary Japan Robert A. Scalapino, Junnosuke Masumi, 2021-01-08 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1962 **Politics in Modern Japan** Kōichi Kishimoto, 1988 *Parties and Politics in Contemporary Japan* Robert A. Scalapino, 2003-01-01 **Political Parties and Democracy** Larry Diamond, Richard Gunther, 2001-12-21

Political parties are one of the core institutions of democracy But in democracies around the world rich and poor Western and non Western there is growing evidence of low or declining public confidence in parties In membership organization and popular involvement and commitment political parties are not what they used to be But are they in decline or are they simply changing their forms and functions In contrast to authors of most previous works on political parties which tend to focus exclusively on long established Western democracies the contributors to this volume cover many regions of the world Theoretically they consider the essential functions that political parties perform in democracy and the different types of parties Historically they trace the emergence of parties in Western democracies and the transformation of party cleavage in recent decades Empirically they analyze the changing character of parties and party systems in postcommunist Europe Latin America and five individual countries that have witnessed significant change Italy Japan Taiwan India and Turkey As the authors show political parties are now only one of many vehicles for the representation of interests but they remain essential for recruiting leaders structuring electoral choice and organizing government To the extent that parties are weak and discredited the health of democracy will be seriously impaired Contributors Larry Diamond and Richard Gunther Hans Daalder Philippe Schmitter Seymour Martin Lipset Giovanni Sartori Bradley Richardson Herbert Kitschelt Michael Coppedge Ergun Ozbudun Yun han Chu Leonardo Morlino Ashutosh Varshney and E Sridharan Stefano Bartolini and Peter Mair

Religion and Politics in Contemporary Japan Anne Mette Fisker-Nielsen, 2012 Presenting a study of politics at grassroots level among young Japanese this book examines the alliance between the religious movement Soka Gakkai the Value creation Society and Komeito the Clean Government Party which shared power with the Liberal Democratic Party from 1999 to 2009 Drawing on primary research carried out among Komeito supporters the book focuses on the lives of supporters and voters in

order to better understand the processes of democracy It goes on to discuss what the political behaviour of young Komeito supporters tell us about the role of religious organizations such as Soka Gakkai in Japanese politics Unlike most other books on politics in Japan which tend to concentrate on political elites this book provides extremely valuable insights into political culture at the grassroots level Parties and Party Systems Giovanni Sartori, 2014-01-01 In this rich and broad ranging

volume Giovanni Sartori outlines what is now recognised to be the most comprehensive and authoritative approach to the classification of party systems He also offers an extensive review of the concept and rationale of the political party and develops a sharp critique of various spatial models of party competition This is political science at its best combining the intelligent use of theory with sophisticated analytic arguments and grounding all of this on a substantial cross national empirical base *Parties and Party Systems* is one of the classics of postwar political science and is now established as the foremost work in its field *Hegemonic Cooperation and Conflict* Qingxin K. Wang, 2000-08-30 Postwar Japan has

consistently maintained close cooperation with the United States over the last four decades over such major issues as Japan's recognition of China their peace treaties and more recently Japan's resumption of the yen loan to China suspended in the wake of the Tiananmen incident This has been in spite of Japan's well known conflict of interests in China with the United States Japan's cooperation with the United States sheds new light on some important questions which are central to current debates about the shape of the new world order in general and America's world role in particular in the post Cold War era What has been the role of American power in maintaining Japan's cooperation What have been the bases of American hegemony in the post war world How has American hegemony changed over the years Qingxin K Wang addresses and illuminates these important questions through a detailed and provocative study of Japan's relations with the United States over China policy in the last four decades Introduction to Japanese Politics Louis D. Hayes, 2017-08-07 Introduction to

Japanese Politics now in its fully updated sixth edition is a comprehensive and current review of political and public policy developments in Japan Since the previous edition Japan's economic policy has undergone significant change with a prolonged period of deflation having altered the dynamics of the Japanese economy At the same time the Abe administration has expanded Japan's international security participation previously limited by the constitution while China's activities in the South China Sea have impinged upon Japan's territorial claims This classic introduction to the Japanese political system has been revised and fully updated in this sixth edition to take into account these widespread changes in the country's political life Building on the structure and content of the previous edition this new edition covers An overview of Japan's geographical setting and history Japan's political institutions processes and actors Recent organizational ideological and policy changes in the LDP since its return to power The country's distinctive social order and its educational healthcare and public safety systems The increasingly contentious realm of foreign relations and security issues including China's expanding role and the effect of North Korea's development of nuclear weapons This broad ranging textbook continues to be essential reading for

students of Japanese politics international politics and Japanese studies The Japanese Party System Ronald J Hrebienar, 2019-07-09 This is a nuts and bolts textbook in the best sense of the term It is bound to be a great boon both to teachers and students of contemporary Japanese politics from the Foreword by Haruhiro Fukui This timely volume is the first book in nearly twenty five years to focus on the party system of Japan In the past two decades the Japanese political scene has undergone a dramatic transformation What had been a two party system proliferated during the 1960s and 1970s into a seven party system This book provides a comprehensive look at all of Japan s current major and minor national level parties For the first time in English detailed analyses are presented on the Democratic Socialists the Clean Government party K meit and the New Liberal Club Thorough coverage is provided for parties in the 1955 System the ruling Liberal Democratic party and the two long term opposition parties the Socialists and the Communists Many of the new miniparties that have appeared in recent elections are also discussed Japanese Political Parties gives readers a solid understanding of party histories leadership and internal organization as well as a look at prospects for the future The party discussions are preceded by three chapters on the laws and political forces affecting Japanese politics Chapter 1 describes the basic characteristics of the Japanese party system since 1945 and provides an overview of Japanese voting behavior and political values Chapter 2 describes the rules of the game the electoral laws and discusses the ongoing political problem of malapportionment Chapter 3 interprets data on political finance in contemporary Japan Along with a wealth of information and interpretation the authors offer insight into the common patterns Japan shares with democracies around the world placing the Japanese system within the larger context of world party systems Designed for courses on Japanese politics this text should also prove useful to students of comparative politics and political parties **Political Parties, Party Systems And Democratization In**

East Asia Liang Fook Lye, Wilhelm Hofmeister, 2011-03-11 Some fledgling democracies in the world have encountered setbacks due to political parties trying to grapple with the expectations of sophisticated electorates and introducing gradual political reforms over the years This book describes how democracy is evolving in East Asia and how it assumes different forms in different countries with political parties adapting and evolving alongside It has a two fold intent First it contends that the existing variety of party systems in East Asia will endure and may even flourish rather than converge as liberal democracies Second it highlights the seeming political durability of one party systems unlike two part or multi party systems in the US and Europe and their enduring predominance in countries such as Cambodia China Singapore and Vietnam

Political Parties, Party Systems and Democratisation in East Asia Liang Fook Lye, 2011 Some fledgling democracies in the world have encountered setbacks due to political parties trying to grapple with the expectations of sophisticated electorates and introducing gradual political reforms over the years This book describes how democracy is evolving in East Asia and how it assumes different forms in different countries with political parties adapting and evolving alongside It has a two fold intent First it contends that the existing variety of party systems in East Asia will endure and may even flourish rather than

converge as liberal democracies Second it highlights the seeming political durability of one party systems OCo unlike two part or multi party systems in the US and Europe OCo and their enduring predominance in countries such as Cambodia China Singapore and Vietnam Parties and Politics in Contemporary Japan, 2011 **Class Structure in Contemporary Japan** Kenji Hashimoto, 2003 Based on data collected on 1995 by the Japanese Sociological Association this book investigates four major classes new old middle capitalist and working and their characteristics and mobility patterns in terms of income work social network leisure activity gender relations and voting behaviour **Japanese Studies from Pre-History to 1990** Richard Perren, 1992 **Rethinking Identity in Modern Japan** Yumiko Iida, 2013-03-07 This volume is a major reconsideration of Japanese late modernity and national hegemony which examines the creative and academic works of a number of influential Japanese thinkers The author situates the process of Japanese knowledge production in the interface between the immediate historical and the wider socio economic and politico cultural contexts accompanying the Japanese post war experience of modernity This book will be of great value to anyone interested in the history of contemporary Japanese culture and society Introduction to Japanese Politics Hayes, 2009-05-15 This widely used text is an even handed forthright attempt to explain the political life of Japan as well as the forces that shape it It demystifies this complex society by explaining the historical background for modern Japan the political process its formal structure the party system and citizen participation the social order and the domestic economy and Japan s role in international politics with emphasis on U S Japanese relations and the international economy The revised and updated Third Edition covers the new ground of 1995 1999 a period during which Japan experienced extraordinary political and economic change **Contemporary Japan** Duncan McCargo, 2012-10-19 Japan is one of the world s most important societies yet remains one of the least understood This book is designed to fill the gap for a concise but thought provoking introduction to all aspects of the country s political economic and social life set in a clear historical context The author s starting point is that the study of Japan is contested territory where even such apparently simple questions such as Who is in charge spark considerable disagreement and controversy among experts To understand contemporary Japan Duncan McCargo argues it is necessary to get to grips with a range of different perspectives on Japanese political and social structures Integrating contrasting perspectives throughout the core chapters of the book focus on the changing economy government and politics society and culture and Japan s place in the wider world The new third edition of this popular text has been fully revised and updated throughout to cover key developments such as the historic end of LDP rule in 2009 This accessible and lively book will be essential reading both for students and general readers who want to know more about this important country

Parties Politics In Contemporary Japan Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Parties Politics In Contemporary Japan PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Parties Politics In Contemporary Japan PDF books and manuals is

convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Parties Politics In Contemporary Japan free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Parties Politics In Contemporary Japan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Parties Politics In Contemporary Japan is one of the best book in our library for free trial. We provide copy of Parties Politics In Contemporary Japan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Parties Politics In Contemporary Japan. Where to download Parties Politics In Contemporary Japan online for free? Are you looking for Parties Politics In Contemporary Japan PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Parties Politics In Contemporary Japan. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Parties Politics In Contemporary Japan are for

sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented.
