Prepare Your Church For The Future:

Prepare Your Church for the Future Carl F. George, 1992 Becoming a Future-Ready Church Daniel Yang, Adelle M. Banks, Warren Bird, 2024-10-22 Are Church Leaders Missing the Generational Handoff There's Still Hope Are we building institutions that will meaningfully serve the next generation of believers and their leaders How does a church thrive in a culture where we have to earn credibility How do we create a sense of belonging to the body of Christ and a strong sense of identity for the next generation Becoming a Future Ready Church is a blueprint to guide you through eight critical shifts to help lead your church into the future with wisdom and hope It describes several major converging trends that will greatly impact the church in America over the next few decades the Great Resignation of Boomer leaders from churches the shrinking percentage of Christians in America and the change in felt needs among rising generations shaped heavily by anxiety skepticism and fragmentation Missiologist and pastor Daniel Yang religion journalist Adelle Banks and church researcher Warren Bird have come together in Becoming a Future Ready Church to help church leaders evaluate whether their ministries are entrenched in strategies that worked well in the past but need to be adapted for the future By helping us ask better questions about the issues and needs facing the church they reveal practical ways in which the next generation of church leaders can gain a sturdier foothold as they navigate into the future *The Book of Church Growth* Thom S. Rainer, 1998-09-01 The Church Growth Movement has divided devout Christians Even though Rainer is an advocate his aim here is to present an objective view of the movement its history the theology associated with it and the principles which seem to separate churches that grow from those that don't **How to Break Growth Barriers** Carl F. George, Warren Bird, 2017-04-04 Some churches grow rapidly only to hit a ceiling Other churches have experienced declining or static attendance many of them for decades Frustrated pastors and church leaders want growth methods that work but without adding to pastoral fatigue How to Break Growth Barriers argues that growth comes when effective leadership and lay empowerment skills work hand in hand This requires a shift of focus from the shepherd as the primary caregiver to shepherd as developer and coach of many caregivers The authors show pastors how to communicate a vision for the future and then how to lead the congregation into the paradigms necessary for potentially limitless growth The strategies found in this book are not only tried and true and taken from a biblical perspective of a harvest vision They're also newly updated to reflect our changing culture including helpful charts and checklists for self evaluation Bringing Home the Message Robert K. Perkins, 2014-09-03 Believing that study and application of Scripture in the context of Christian community can greatly enhance the transformative power of the preached message in Bringing Home the Message Robert Perkins aims to help pastors integrate small group ministry with their preaching Perkins lays out the biblical theological historical and sociological basis for the importance of hearing God's Word in the context of community and provides a practical methodology for implementing sermon based small group Bible studies This helpful book also includes a sample fourteen part

series of Study Guides and Leader s Notes for the Gospel of Luke Step by step instructions illustrate how to prepare effective inductive Bible study questions for small groups that will challenge members to grow in their faith and discipleship through understanding and applying God s Word together Jesus on Leadership Gene Wilkes,2011-07-14 Discover the essence of transformative leadership by studying how Jesus led Gene Wilkes a popular conference speaker describes how Jesus led He identifies seven practical principles for today s leaders to assist them with everything from humbling their hearts to building a team for Christ **Jesus on Leadership** C. Gene Wilkes,1998 Seven principles to assist leaders with everything from humbling their hearts to building a team for Christ *The SBC and the 21st Century* Jason K. Allen,2019-05-15 This volume not only promotes meaningful dialogue it calls leaders throughout the SBC into action Extensive thought research assessment and wisdom from some of the SBC s brightest minds have been poured into this volume with the intent of rendering a helpful contribution to SBC life that will propel forward the collective work of Southern Baptists well into the 21st century **Reap the Harvest** Joel Comiskey,2022-08-15 This 2022 version has been completely updated from the 1999 version Have you tried small groups and hit a brick wall Have you wondered why your groups are not producing the fruit that was promised Are you looking to make your small groups more effective Cell church specialist and pastor Dr Joel Comiskey studied the world s most successful cell churches to determine how they effectively make disciples who make disciples These churches have embraced specific principles Conversely churches that do not embrace these same principles have problems with their groups and therefore are not as effective in making disciples Cell churches are successful not because they have small groups but because they have the system in place to support the groups In Reap the Harvest you will discover how these systems work **Biblical Foundations for Small Group Ministry** Gareth Weldon Icenogle,1994-03-01 Drawing on biblical teaching and the ministry of the early church Gareth Weldon Icenogle offers guidance for setting up and running a biblically based small group ministry program **The Complete Book of Everyday Christianity** R. Paul Stevens,Robert Banks,2018-12-01 I am thrilled to know that The Complete Book of Everyday Christianity is being relaunched A well worn first edition of this book sits next to my office desk and I consult it often There is no better collection of everyday issues examined from a Christian perspective A wide variety of topics are addressed with a cleverly balanced combination of academic and practical perspectives informed by thoughtful biblical and theological reflection This is a wonderfully useful tool I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life Alistair Mackenzie Senior Lecturer School of Theology Mission and Ministry Laidlaw College Christchurch New Zealand Also Director of Faith at Work NZ **Home Cell Group Explosion** Joel Comiskey,2023-03-08 Home Cell Group Explosion 2023 version is the most researched and practical book ever written on cell group evangelism Joel Comiskey traversed the globe to find out why certain churches and small groups are successful in reaching the lost He found the answers and freely shares them within this volume If you are a pastor or small group leader

you should devour this book It will encourage you and give you simple practical steps for dynamic small group life and growth My friend Joel Comiskey is a combination of a local church practitioner and a painstaking scholar Joel spent hundreds of hours and thousands of dollars visiting eight of the highest visibility cell group churches to interview their leaders and record his findings I love this book because it focuses on the multiplication of cells for the greatest evangelistic results C Peter Wagner Author Scholar and Church Growth Expert Comiskey does not just describe what is happening in cell churches He takes the next step and identifies in a step by step fashion how we can apply these principles in our churches It is all here everything we need to know to start and grow a cell group ministry I am grateful to Dr Comiskey for the time effort and research that has gone into producing this long needed book Richard Peace Ph D Professor of Evangelism and Spiritual Formation Fuller Theological Seminary Joel and I shared many days in Bogota as this book was written His grasp of cell church models is superior to any other person I have worked with this book is a treasure of information for church planters and pastors wishing to transition to the cell model Ralph W Neighbour Jr Author and Pioneer Church Planter

The Future of Worship Nathan Byrd, 2012-11-20 The Evolution of Corporate Worship Are you weary of traditional predictable restricted personality driven or entertainment type worship that lacks authentic spiritual connection The Future of Worship Preparing the Church for a Tsunami of Change reveals the evolution of corporate worship from the time God introduces it to Moses and Israel until the time Christ comes to fulfill and return it to its original intent The tsunami that is about to hit the church will wipe out everything that was insensitive to the peculiar signs and did not move to higher ground writes the author who aptly reveals what was right with worship and what went wrong Chapter topics that help you experience a tangible God present worship experience include The Foundation of Sanctuary Worship The Significance of the Tabernacle of David The Who What When Where and How of Worship Applying Heavenly Attributes to Our Earthly Worship The Future of Worship Your traditions and expectations may be shaken a bit by the revelations in The Future of Worship but your spirit will soar with anticipation

The Complete Guide to Small Group Ministry Robert L. Hill, 2003 *Acts of Faith* Rodney Stark, Roger Finke, 2000-08-01 Finally social scientists have begun to attempt to understand religious behavior rather than to discredit it as irrational ignorant or foolish and Rodney Stark and Roger Finke have played a major role in this new approach Acknowledging that science cannot assess the supernatural side of religion and therefore should not claim to do so Stark and Finke analyze the observable human side of faith In clear and engaging prose the authors combine explicit theorizing with animated discussions as they move from considering the religiousness of individuals to the dynamics of religious groups and then to the religious workings of entire societies as religious groups contend for support The result is a comprehensive new paradigm for the social scientific study of religion

Planting Growing Churches for the 21st Century Aubrey Malphurs, 2004-10-01 If the church is to thrive in the twenty first century it will have to take on a new form as it ministers to the 120 million unchurched people in the United States Planting Growing Churches for the 21st Century is still virtually the

only available text on church planting in North America and beyond In this third edition readers will find material on the importance of healthy biblical change in our churches updated appendixes insight on our postmodern ministry context and strategies for reaching new population demographics such as Generations X and Y Pastors ministry leaders and church planters will find the information and advice found in this book invaluable as they carry out their ministries

Spin-Off Churches Rodney Harrison, Tom Cheyney, Don Overstreet, 2008 Veteran missional church planters present a much needed how to resource for churches desiring to sponsor the planting of other new churches locally and globally

Church Transfusion Neil Cole, Phil Helfer, 2012-09-19 Just as our life is in our blood the life for Christ's body is in His blood Changing a church is more than a new goal or direction Our churches need more than an organizational transition we need a full transfusion of Jesus blood His life within every disciple Anything less than that will only perpetuate more of the dysfunction and unhealthy church practices that have already plagued us for too long We are in desperate need of the internally transforming power of the gospel of grace and the presence of Christ so that our salvation is then worked out in a way the rest of the world will notice It isn't enough that we believe in the facts contained in the gospel we must allow the gospel itself to infect our souls and transform us from within The DNA of Jesus' lifeblood is needed in our churches and nothing shy of a full transfusion that touches every cell will be sufficient In this book Neil Cole author of *Organic Church* Church Transfusion and Journeys to Significance and Phil Helfer co founders of Church Multiplication Associates will first point out that change is possible with God but only with God In the second half of the book they will lay out some of the actual practical considerations to weigh if you want to release real organic health in your church Using multiple examples of very different kinds of churches that have been through the process the authors present ways that leadership and practices need to change in order to release organic church movements from their midst Chapters cover Leadership shifts necessary Detoxification from dependence issues How to ignite change virally How to grandparent movements How to measure success in movements This book another in the Leadership Network series applies organic life principles to established churches with practical help that is holistic and natural The content in this book will be helpful whether you are pastor of an established church or wanting to revitalize a small organic church Jesus didn't die and rise from the dead so that we can be like everyone else in the world Our faith is more than just a better doctrine or a bigger goal with a capital giving campaign it is a better life Jesus is the difference and what a difference he makes don't be satisfied with less

Evaluating the Church Growth Movement Zondervan, 2010-06-01 What exactly is the Church Growth movement This timely volume in the Counterpoints series addresses the history of the movement that has become such an enormous shaping force on the Western church today and it explores in a roundtable forum of leading voices five main perspectives on the classic Church Growth movement Effective Evangelism View presented by Elmer Towns Gospel in Our Culture View presented by Craig Van

Gelder Centrist View presented by Charles Van Engen Reformist View presented by Gailyn Van Rheen Renewal View presented by Howard Snyder Each view is first presented by its proponent then critiqued by the co contributors The interactive and fair minded format allows the reader to consider the strengths and weaknesses of each view and draw informed personal conclusions Evaluating the Church Growth Movement concludes with reflections by three seasoned pastors who have grappled with the practical implications of Church Growth The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion
