Sensitive Preaching to the Sexually Hurting Sam Serio,2016-07-27 Today s church has sadly failed to minister to men and women deeply affected by porn abortion rape casual sex a sexless marriage same sex attraction or childhood sexual abuse Church leaders know these broken people sit in their pews What they don t know is what to say to them Those who would speak out directly from the pulpit worry that they will be unwise or insensitive whatever their intent to the contrary They may even fear being fired and losing their ministry altogether The truth is that seminary curriculums rarely prepare preachers to talk about sex in their sermons Despite the pervasiveness of sexual wounds in the church preachers tend to either ignore them and say nothing or abhor them without nuance and condemn Sam Serio posits a powerful and necessary middle ground preaching that offers forgiveness transformation and restoration Sensitive Preaching to the Sexually Hurting is a ready to use resource written from a preaching perspective Serio examines the causes and consequences of the seven most difficult sexual issues of today Moreover he provides appropriate wording to use in crafting sermons along with corresponding Scripture texts He examines how preachers can prepare their churches their hearts and their sermons for the topic and how these can all work together to build a healthier future for their congregations and the wider church body

The Parent Adventure Rodney Wilson,Selma Wilson,Scott McConnell,2009-01-01 Informed by research that reveals destructive parenting patterns are being handed down through most American families including Christian households The Parent Adventure looks to the church to help break this cycle and teach moms and dads how to prepare their kids for a lifetime with God The problem starts when parents raise children based on their personal experiences growing up instead of using the Bible as the timeless authoritative guide Although seemingly painful at first the parental attitude of letting go must begin intentionally at birth keeping in mind that each child s life is more about knowing God than anything else With this outlook established the future focused mom and dad will move more joyfully through each stage in the adventure of parenting as detailed in the book Knowing God has a lifelong plan for each family member parents and kids will grow closer to each other just as sure as they will grow closer to God
