Martti Juhani Rudanko

Prepositions And Complement Clauses A Syntactic And Semantic Study Of Verbs:

Prepositions and Complement Clauses Martti Juhani Rudanko, 1996-01-01 This book provides a pioneering and data oriented investigation of the syntax and semantics of important prepositional complementation patterns dependent on the prepositions in to at on with and of in current English The investigation is based on a sample of matrix verbs that governs the pattern of sentential complementation The data includes the Brown and LOB corpora English dictionaries and grammars and the intuitions of native speakers Rudanko sets up taxonomies of matrix verbs and argues that they often can be based on relatively few core classes He questions whether verbs selecting a pattern also select other patterns of sentential complementation Noting the quantity and quality of such alternation he observes how differences in form are linked to differences in meaning The study of relevant matrix verbs supplemented with discussion of alternation and other syntactic and semantic properties of the patterns points to the semantic functions that are associated typically with each pattern of complementation

Reclaiming Control as a Semantic and Pragmatic Phenomenon Patrick Duffley, 2014-10-15 This monograph is part of a growing research agenda in which semantics and pragmatics not only complement the grammar but replace it The analysis is based on the assumption that human language is not primarily about form but about form meaning pairings This runs counter to the autonomous syntax postulate underlying Landau 2013 s Control in Generative Grammar that form must be hived off from meaning and studied separately Duffley shows control to depend on meaning in combination with inferences based on the nature of the events expressed by the matrix and complement the matrix subject the semantic relation between matrix and complement and a number of other factors The conclusions call for a reconsideration of Ariel 2010 s distinction in Defining Pragmatics between semantics and pragmatics on the basis of cancelability many control readings are not cancelable although they are pragmatically inferred It is proposed that the line be drawn rather between what is linguistically expressed and what is not linguistically expressed but still communicated

Syntax Robert D. Van Valin (Jr.), Randy J. LaPolla, 1997-12-11 An introduction to syntactic theory and analysis

Case Studies in Linguistic Pragmatics Martti Juhani Rudanko, 2001 The six case studies presented here fall into three distinct groups They examine the application of speech act theory to Shakespearean drama consider 18th century Congressional debates from the perspective of fallacy theory in informal logic and focus more narrowly on applications of linguistic pragmatics Specific topics include types and functions of unpleasant verbal behavior in Shakespeare s Coriolanus and Timon of Athens promises and their contexts in Coriolanus efforts to block the Bill of Rights in 1789 collocational coloring and electronic corpora and contexts of phonologically null objects in object control structures in English and in Finnish c Book News Inc

Infinitives and Gerunds in Recent English Juhani Rudanko, 2016-10-31 This book explores the grammar of to infinitives and gerundial ing clauses which is a central area at the interface of syntax and semantics against the background of what has been called the Great Complement Shift Over the course of six chapters the author explores the semantic properties of constructions where the

general spread of gerundial ing clauses occurs at the expense of to infinitives The author draws on large electronic corpora ensuring that new perspectives are opened on the basis of authentic corpus evidence He identifies trends of variation and change in the use of the two constructions and proposes The Choice Principle an innovative perspective on the semantics of to infinitives and gerundial ing complements This book will be of interest to researchers and students working on English grammar or the recent history of English grammar

Corpora and Complementation Martti Juhani Rudanko, 2000 Investigates the system of English predicate complementation over the last three centuries Chapters shed light on central parts of the system involving matrix nouns adjectives and verbs that select complement clauses Synchronic and diachronic corpora of the language serve as essential sources of data Three chapters examine variation between two types of complements introduced by the word to Other chapters deal with the into ing pattern adjectives from two semantic domains and sentential complements of negative verbs of avoiding failing and refraining Author information is not given Annotation copyrighted by Book News Inc Portland OR

Non-finite Complementation Thomas Egan, 2015-06-29 This book presents a comprehensive guide to the way speakers of British English use infinitive and ing clauses as verbal complements It contains details of the non finite complementation patterns of over 300 matrix verbs with a particular emphasis on verbs that occur with more than one type of non finite complement Drawing upon data from the British National Corpus the author shows that some of the views which are to be found in the existing literature on these sorts of clauses are in conflict with the evidence of actual usage He also shows that there is actually much more regularity in this area than has often been taken to be the case Moreover this regularity is shown to be motivated by cognitive functional factors An appendix contains details of the relative frequency of all of the constructions dealt with in the study together with an example of each of them The book is of interest to language teachers as well as linguists both theoretical and applied

Educated Fiji English Lena Zipp, 2014-02-15 This volume contains a comprehensive corpus based study of prepositional constructions in written Fiji English It explores the endo and exonormative dynamics of norm giving and norm developing varieties and contributes to our understanding of structural nativization and variety formation in a multi ethnic setting The book provides an account of the sociolinguistic development of English in Fiji against the backdrop of the country s colonial and post independence history with special focus on the Indo Fijian part of the population Drawing on the written sections of the Indian Great Britain New Zealand and preliminary Fiji components of the International Corpus of English quantitative and qualitative analyses of prepositional phenomena are conducted on the word level frequency semantic effects and stylistic variation phrase level productivity in verb particle combinations and pattern level prepositions and ing clauses The book will be relevant to scholars interested in lexico grammar variety and corpus linguistics and sociolinguistics in general

The English Gerund-participle Patrick J. Duffley, 2006 Original Scholarly Monograph

Symposium on Lexicography VIII Arne Zettersten, Viggo Hjørnager Pedersen, Jens Erik Mogensen, 2017-12-04 The proceedings cover new perspectives in the field of lexicography including both

theoretical and practical topics and new aspects of special and bilingual dictionaries The volume also includes contributions dealing with corpus based dictionaries neologisms valency collocations equivalents the history of lexicography and the techniques of computerized dictionary production **Patterns and Meanings of Intensifiers in Chinese Learner**

Corpora Chunyan Wang, 2016-12-01 Intensification plays a major role in spoken and written interaction enabling the writer or speaker to express different levels of commitment This book explores the patterns and meanings of intensifiers in Chinese learner English by ways of comparison with native English The study is conducted within the theoretical framework of Firthian contextual theory of meaning Sinclairian model of Extended Units of Meaning EUM and Hunston's pattern grammar The method of contrastive inter language analysis CIA is adopted and the intensifier collocations in learner English and native English are explored by means of quantitative and qualitative analyses of corpora data This book is the first attempt to investigate the patterning and meaning features of intensifiers systematically with the corpora data in Chinese learner English Readers will obtain a relatively complete picture of how Chinese learners use intensifiers to realize their attitudinal meanings **The Modal System of Earlier Egyptian Complement Clauses** Sami Uljas, 2007 This volume presents a novel analysis of complement clauses in Earlier Egyptian language The grammar of these constructions is shown to be organised around a system for expressing Irrealis and Realis modality Using Corpora to Explore Linguistic Variation

Randi Reppen, Susan M. Fitzmaurice, Douglas Biber, 2002-01-01 Many large scale investigations of linguistic variation are unfeasible using traditional approaches This volume is a collection of papers that illustrate the ways in which linguistic variation can be explored through corpus based investigation *Language* George Melville Bolling, Bernard Bloch, 2002 Proceedings of the annual meeting of the Society in v 1 11 1925 34 After 1934 they appear in Its Bulletin Change and Continuity in the English Language Martti Juhani Rudanko, 1998 While earlier treatments of English verb syntax from a diachronic perspective exist this book breaks entirely fresh ground with its focus on the detailed study of English predicate complementation over the past three centuries It draws data from an unprecedented combination of authoritative sources including computer corpora and H Poutsma's unpublished dictionary and offers novel systematizations of predicates and discussions of alternation By giving ample evidence of both change and continuity in the language over the past three hundred years the book opens up a new research field in the study of the English language **Historical Syntax of**

English Bettelou Los, 2015-04-14 This book discusses a number of approaches to charting the major developments in the syntax of English addressing key issues of interpretation and focus for the benefit of students of the topic **CURRENT CONTENTS Arts & Humanities October 19, 1997 Volume 19 Number 21 , 1997 Complements and Constructions** Martti Juhani Rudanko, 2002 This brief study applies the notion of a construction to preposition complementation patterns in English and argues that Goldberg's formulation offers a helpful conceptual tool for analyzing prepositional patterns Particular attention is given to alternative object control structures and the changes transitive verbs and intransitive verbs

have undergone over time Rudanko's credentials are not noted Annotation copyrighted by Book News Inc Portland OR

Nonfinite Structures in Theory and Change D. Gary Miller, 2002 This book investigates the precise nature of nonfinite structures and explores the ways in which they change Gary Miller examines a broad range of structures including traditional infinitives gerunds and participles across different Indo European and some non Indo European languages now and in the past As structures which are nonfinite in some languages are not so in others the question arises whether the concept nonfinite has any meaning or explanatory power In seeking an answer to this conundrum the author shows that infinitives with subject person agreement such as in West Greenlandic Modern Greek Portuguese Welsh and Hungarian share properties with prototypical nonfinite formations Professor Miller examines languages with morphologically marked tense on infinitives including Ancient Greek and Latin and Modern Turkish He demonstrates that nonfinite structures that can be assigned non structural inherent or semantic case differ systematically from those with either structural or no case The book concludes with a substantial history of infinitives gerunds and participles in Old and Middle English which reveals why and how nonfinite structures change and vary over time Gary Miller's innovative theoretical reasoning and the wide range of evidence on which it is brought to bear make this book a considerable contribution to the understanding of grammatical change and its formal expression as well as to the history of English

Pattern Grammar Susan Hunston, Gill Francis, 2000 This book describes an approach to lexis and grammar based on the concept of phraseology and of language patterning arising from work on large corpora The notion of pattern as a systematic way of dealing with the interface between lexis and grammar was used in Collins Cobuild English Dictionary 1995 and in the two books in the Collins Cobuild Grammar Patterns series 1996 1998 This volume describes the research that led to these publications and explores the theoretical and practical implications of the research The first chapter sets the work in the context of work on phraseology The next two chapters give several examples of patterns and how they are identified Chapters 4 and 5 discuss and exemplify the association of pattern and meaning Chapters 6 7 and 8 relate the concept of pattern to traditional approaches to grammar and to discourse Chapter 9 summarizes the book and adds to the theoretical discussion as well as indicating the applications of this approach to language teaching The volume is intended to contribute to the current debate concerning how corpora challenge existing linguistic theories and as such will be of interest to researchers in the fields of grammar lexis discourse and corpus linguistics It is written in an accessible style however and will be equally suitable for students taking courses in those areas

This is likewise one of the factors by obtaining the soft documents of this **Prepositions And Complement Clauses A Syntactic And Semantic Study Of Verbs** by online. You might not require more epoch to spend to go to the ebook initiation as competently as search for them. In some cases, you likewise realize not discover the revelation Prepositions And Complement Clauses A Syntactic And Semantic Study Of Verbs that you are looking for. It will unconditionally squander the time.

However below, in imitation of you visit this web page, it will be suitably totally simple to get as well as download guide Prepositions And Complement Clauses A Syntactic And Semantic Study Of Verbs

It will not admit many times as we run by before. You can realize it even though pretend something else at house and even in your workplace. as a result easy! So, are you question? Just exercise just what we offer below as competently as review **Prepositions And Complement Clauses A Syntactic And Semantic Study Of Verbs** what you when to read!

Prepositions And Complement Clauses A Syntactic And Semantic Study Of Verbs Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Prepositions And Complement Clauses A Syntactic And Semantic Study Of Verbs PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or

financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Prepositions And Complement Clauses A Syntactic And Semantic Study Of Verbs PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Prepositions And Complement Clauses A Syntactic And Semantic Study Of Verbs free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Prepositions And Complement Clauses A Syntactic And Semantic Study Of Verbs Books

1. Where can I buy Prepositions And Complement Clauses A Syntactic And Semantic Study Of Verbs books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback:

- Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Prepositions And Complement Clauses A Syntactic And Semantic Study Of Verbs book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
