Maker's Handbook Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts [5 Answers for Christians Today](#) Nathan Garnett, 2016-05-23

The Last Disciple David Pafford, 2011-11-17 In an era of religious mass production so many church models invest their energies toward gathering a crowd singing songs and preaching good sermons Much of the focus is on the shop window While this is important it is not enough Doing church is not enough Churches that grow disciples don t simply attract a crowd they provide a strategic theological basis for what they do and that requires serious thinking about the methodology of church life The Last Disciple is a book for those interested not simply in doing church but in asking hard questions about why

we do what we do Answers to these hard questions are the very basis of the foundation of the local church s existence Rather than simply attracting a crowd have you evaluated why your church does church Have you ever felt that your church tradition has lost the meaning behind its existence What would it look like if you recaptured your church s meaning Is it possible to do this while bridging the relevancy gap of common culture There will be different answers for different contexts but this book will give you tools for thinking it through by asking the right questions SUNDAY HOMILIES: Bringing Together EXEGESIS and CATECHESIS in the TODAY of Liturgical Proclamation and Celebration , **Companions** Marney Ault Wasserman,2016-11-02 Is your new member class uninspiring draining energy Consider a different way of ministering to church newcomers One that builds on the simple arts of friendship and conversation instead of classes and presentations One that invites transformation rather than just imparting information One that gives the whole congregation a role to play in the church s ministry of spiritual hospitality **Companions** is an outreach ministry that pairs newcomers in worship with church member companions for eight weeks of conversation about Christian faith and discipleship One page conversation guides grounded in Scripture and prayer help focus the dialogue on core themes of the life of faith like gratitude forgiveness and community **Companions** is designed to build friendships invite honest sharing encourage questions meet newcomers wherever they are and help them grow in their life with God exercises that strengthen the faith of church members as well as the newcomers they befriend If you re interested in outreach and church growth in discipleship and spiritual nurture in expanding the church s reach in a secular culture in equipping believers to articulate their faith in strengthening lay ministries in keeping baptismal identity at the center of church life this book will speak to you *Your Marriage Today. . And Tomorrow* Crawford Loritts,Karen Loritts,2018-06-05 Build a marriage now that your kids will thank you for later Your parents marital choices have greatly affected your own attitudes and actions in marriage for better or worse Your choices will affect your children and grandchildren and so on It s time to get proactive about your marriage legacy Dr Crawford and Karen Loritts have been married 45 years and have spent the last 30 years speaking on marriage This book contains their most successful proven material It will teach you the biblical and theological foundation for marriage godly disciplines and habits that will improve your marriage how to use your marriage to shape future generations Whether you ve been married 40 years or just got engaged this book is for you Your marriage will change the lives of countless people Start thinking about the kind of legacy you ll leave today Good News for Today Mel Shoemaker,2013-11 Christians throughout the world observe the forty day season of Lent from Ash Wednesday to Easter as a time of spiritual reading meditation prayer fasting and renewal Just as Moses received the Ten Commandments on Mount Sinai while fasting for forty days and Jesus likewise fasted for forty days in the wilderness before beginning his public ministry so also Christians continue this spiritual discipline today Since Sunday the Lord s Day is a day of rest worship joy and feasting the six Sundays during Lent are not counted in the forty days The four gospels Matthew Mark Luke and John are the primary sources for discovery and meditation on the life

and teaching of Jesus Good News for Today takes the reader on a spiritual pilgrimage through the gospels without the duplications in their accounts If you read the gospel lesson suggested for each day you will read the complete gospel story as it unfolds from the baptism of Jesus to his passion death and resurrection You are invited to begin this spiritual ascent with Jesus Christ *Traditioning Disciples* Colleen Mary Mallon,2011-01-01 In a globalized world and an age that cannot name itself how do Christian communities sustain a recognizable gospel identity How might examining tradition and identity formation from both theology and cultural anthropology help churches approach the challenges of being a follower of Jesus today With these questions in focus Colleen Mallon studies symbol systems in the works of anthropologists Mary Douglas Victor Turner and Clifford Geertz and places her findings in dialogue with a thick description of discipleship gleaned from the great Roman Catholic ecclesiologist Yves Congar OP The result is a reflection on gospel identity that will be invaluable to Christian ministers missionaries and students of theology interested in the social and theological processes of disciple formation **Mundakopanishad** Commentary by Swami Chinmayananda, Mundakopanishad s style is poetic and penetrating giving the seeker metaphors that makes the Upanisadika message clear and concise This Upanisad contains most famous off quoted analogies in a language which is picturesque and pithy *India Beyond Today & Tomorrow* Samyak,1993
