Presence And Prophecy:

Presence and Prophecy, 2002 How does theological education equip people to face the challenges of mission and ministry in a changing world How does Christian presence in society make a difference and how can the Churches speak prophetically of God's purposes today This book suggests how theological education can provide essential opportunities to find encouraging and helpful answers to these questions It explores the kind of world we live in and asks what kind of teaching and learning experiences help Christians to become people with hearts for mission It takes a fresh look at elements of the theological curriculum and suggests a new vision and hope for all the Churches It is also accompanied by a study guide

Presence and Prophecy Simon Barrow, 2002 Presence and Prophecy is an extensive resource for everyone involved in theological education to help rethink its challenges Students and teachers in theological colleges seminaries courses and schemes will find it useful but it is also relevant to those involved with Christian basics courses local church study groups and other informal educational events This Study Guide will help many different groups tackle the different issues raised in Presence and Prophecy It lays out some ways of engaging with the ideas in the book linking the themes and joining in an important conversation about how the Churches in mission can really make a difference in people's lives Whilst this Study Guide contains a summary of the material in the main book it will be difficult to use to full effect without a copy of the full report Presence and Prophecy

Realms of the Prophetic Naim Collins, 2019-06-18 Speak forth Heaven's secrets Since the beginning of time God's desire has been to share Heavenly secrets with His friends These hidden truths are freely given to every believer as they operate in the gift of prophecy The prophetic anointing allows you to hear God's voice speak forth His words and release His power into the

Christian Prophecy Niels Christian Hvidt, 2007-04-19 Throughout the Hebrew Bible God guides and saves his people through the words of his prophets When the prophets are silenced the people easily lose their way What happened after the incarnation death and resurrection of Christ Did God fall silent The dominant position in Christian theology is that prophecy did indeed cease at some point in the past if not with the Old Testament prophets then with John the Baptist with Jesus with the last apostle or with the closure of the canon of the New Testament Nevertheless throughout the history of Christianity there have always been acclaimed saints and mystics most of them women who displayed prophetic traits In recent years the charismatic revival in both Protestant and Catholic circles has once again raised the question of the place and function of prophecy in Christianity Scholarly theological attitudes toward Christian prophecy range from modest recognition to contempt Mainstream systematic theology both Protestant and Catholic has mostly marginalized or ignored the gift of prophecy In this book however Niels Christian Hvidt argues that prophecy has persisted in Christianity as an inherent and continuous feature in the life of the church Prophecy never died he argues but rather proved its dynamism by mutating to meet new historical conditions He presents a comprehensive history of prophecy from ancient Israel to the present and closely examines the development of the theological discourse that surrounds it

Throughout though there is always an awareness of the critical discernment required when evaluating the charism of prophecy The debate about prophecy Hvidt shows leads to some profound insights about the very nature of Christianity and the church For example some have argued that Christianity is a perfect state and that all that is required for salvation is acceptance of its doctrines Others have emphasized how God continues to intervene and guide his people onto the right path as the full implementation of God s salvation in Christ is still far away This is the position that Hvidt forcefully and persuasively defends and develops in this ambitious and important work Dictionary of Biblical Prophecy and End Times J. Daniel Hays,J. Scott Duvall,C. Marvin Pate,2009-05-26 All you wanted to know about biblical prophecy from A to Z the Dictionary of Biblical Prophecy is a comprehensive reference tool It is targeted for those who truly desire to understand prophecy and the end times Starting with Abomination of Desolation and continuing through hundreds of articles until Zionism this book provides helpful and interesting discussions of the entire range of biblical prophecy all at your fingertips This exhaustive work contains articles on a broad sweep of topics relevant to the study of biblical prophecy and eschatology The articles are based on solid scholarship yet are clear and accessible to the lay reader illuminating even the most complicated issues The dictionary also strives for a balanced presentation by laying out differing positions along with their strengths and weaknesses while not pushing any specific theological or interpretive agenda other than a firm commitment to seeking to understand the Scriptures This is a valuable tool you will refer to time and again The Practice of Prophecy Li Ming Dennis Lum,2018-03-26 The charisma of prophecy is found throughout the history of the global Pentecostal movement Within the movement prophecy is seen as the communication of an inspired spontaneous revelation bringing edification to the faith community Despite its prevalence academic research has mostly focused on the biblical theological aspect neglecting the actual contemporary practice This book addresses this gap with a study on the practice of prophecy within the Assemblies of God of Singapore The book investigates the nature purpose and significance of the phenomenon It also identifies theological variables that are correlated with its practice and explicates these relationships The investigation employs the empirical theological method of Johannes van der Ven utilizing both a qualitative and a quantitative study The results provide a rich description of the actual reception delivery and judging of prophecy Significant findings include relationships between prophecy and courage love personality types prayer types and evangelism **On the Question of the "Cessation of Prophecy" in Ancient Judaism** L. Stephen Cook,2011 Revised version of the author s thesis Ph D Catholic University of America Washington D C 2009 titled The question of the cessation of prophecy in ancient Judaism *Fighting for Your Prophetic Promises* Barbara Wentroble,2011-08 The fulfillment of prophetic promises from God is not automatic Here s how to make sure they re fulfilled and to rightly understand the amazing prophetic gift **Your Sons and Daughters Shall Prophecy** Ernest B. Gentile,1999-06-01 A thorough yet practical study that shows how the biblical gift of prophecy can build up today s churches and individual Christians **The Spiritual Warfare Handbook** Chuck D.

Pierce, Rebecca Wagner Sytsema, 2016-08-02 3 Bestselling Spiritual Warfare Books in 1 Powerful Volume This spiritual warfare battle plan from international prophetic leader Chuck Pierce presents three bestselling books all in one volume When God Speaks reveals our first line of defense learning to discern God's voice and receive his guidance for the spiritual battles we face Next Prayers That Outwit the Enemy exposes Satan's strategies against us And finally Protecting Your Home from Spiritual Darkness gives ten easy steps for praying for your home your family and your property in order to lock out evil and maintain your victory This step by step in depth handbook will help you know God's heart pray more effectively and overcome the negative influences of darkness for effective spiritual warfare *Reclaiming Prophecy* Darin Slack, 2015-05-16 Is there a way to experience prophetic ministry in a God honoring way without all the mess and confusion Prophetic ministry is the Holy Spirit's gift to the Church Yet this gift has been abused confused and misused making it difficult for today's Church leaders to embrace With biblically sound delivery Darin Slack offers a compelling perspective based on his thirty years of experience in prophetic ministry He challenges indifference and complacency while discouraging doctrinal disorder in the administration of the gift Slack provides a powerful and much needed balance that will allow Church leaders to see the great potential for blessing in the prophetic while reducing the risk Through Scripture Slack offers leaders from all doctrinal backgrounds a faith building process for realizing prophecy that leads to Church edification 1 Cor 14:3 This book is a must have for every pastor or Church leader who desires to scripturally understand and implement prophetic ministry *The Word Among Us* Terry L. Burden, 2022-07-19 The Word Among Us Theologies of the Hebrew Bible Old Testament is a topical approach to the study of the Judeo Christian Bible Each topic is a survey of the many theological themes we encounter in the Biblical narrative such as the theology of Biblical History Torah Moses Election Covenant Land Kingship Prophecy and many more Special topics include The Theology of the Fall of Israel Theology of Messianic Expectations and The Theology of Israel Of particular interest is The Theology of Story which introduces the story oriented literary discipline At the center of Biblical theology is the tragic fall of the Northern Kingdom of Israel in 722 B C E and the Southern Kingdom of Judah in 586 B C E From these periods many of the theological motifs such as covenant law and prophecy arise to address and to explain these tragedies in Israelite history The primary purpose of the present study is a better understanding of the theological function of these motifs or themes A theological function is the power of a Biblical narrative to constitute and to restore the Israelite people who were struggling to survive the late period of Biblical history A special feature of my study are the several promptings from Biblical topics of the many discussions that relate to the New Testament and Christian teachings My approach to the study of the Hebrew Bible Old Testament is unique among other introductions to the Hebrew Bible This book therefore is very important to both the Jewish and the Christian reader **Dictionary of the Old Testament: Prophets** G MCCONVILLE, MARK J BODA, 2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up

knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel s unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament

What Was Authoritative for Chronicles? Ehud Ben Zvi, Diana V. Edelman, 2011-06-30 The essays published here are revised versions of papers presented in 2008 and 2009 in the section devoted to Israel and the Production and Reception of Authoritative Books in the Persian and Hellenistic Period at the annual meeting of the European Association of Biblical Studies The various contributors explore what was authoritative for Chronicles and what authoritative might have meant for the Chronicler from different perspectives The volume includes chapters by Yairah Amit Joseph Blenkinsopp David J Chalcraft Philip R Davies David A Glatt Gilad Louis Jonker Mark Leuchter Ingeborg L wisch Lynette Mitchell Steven J Schweitzer Amber K Warhurst and the two editors Diana V Edelman and Ehud Ben Zvi This volume will be of particular interest to scholars and students of biblical literature and all who are interested in ancient Israelite historiography in Chronicles in the intellectual history of Israel in the Persian early Hellenistic period and in issues of biblical proto canonicity authority and criticism

Pentecostal Prophets Stephen D. Barkley, 2023-04-20 Prophets come in many varieties ecstatic worshipers inspired preachers social justice advocates and even political pundits Their messages vary accordingly The purpose of this book is to dig beneath the message to understand the how How do modern day prophets experience the prophetic impulse The phenomenological study at the core of this book answers that question directly by examining the experience of Canadian Pentecostals From there the experience of modern day prophets is compared with Old Testament prophets with special attention given to Jeremiah It

turns out that prophets today share in the same experience as their Old Testament predecessors This book can benefit three audiences For the academy this work provides the first phenomenological study of prophecy in Canada For pastors reading this book will be an exercise in empathy placing you in the shoes of the prophets in your congregation helping you to understand what goes on when someone prophesies For everyday prophets this book will affirm your connection through Jesus to the Old Testament prophetic tradition enabling you to read those Old Testament books in a new experiential light

The Prophetic Body Anatheia E. Portier-Young, 2024 Modern study of biblical prophecy frequently defines prophecy as a message from God and has focused almost exclusively on prophets words But prophecy was always also embodied Anatheia E Portier Young insists on the synergy of word and body in biblical prophecy Prophets did more than reveal knowledge the prophetic body connected God and people making them present to one another channeling divine power traveling between realms Drawing insights from disciplines ranging from neurobiology to cultural studies the author examines stories of prophetic commissioning bodily transformation asceticism and ecstasy mobility and immobility affect and emotion revealing the body s centrality to prophetic mediation

In Search of the Spirit: Selected Works, Volume Two John R. Levison, 2024-09-12 In his trailblazing studies of the spirit in Jewish and Christian antiquity John R Jack Levison shatters theological and exegetical taxonomies Should the spirit be understood as breath or Spirit or both Is the spirit directed to creation or salvation or both Is the spirit a force or an angel or both Does the spirit inspire ecstasy or wisdom or both When Levison transfers the starting point of pneumatology from the New Testament to the Hebrew Bible from Christianity to Judaism questions swell assumptions detonate and expectations flourish Consequently Levison s studies are considered impressive and provocative Review of Biblical Literature delightful engaging Catholic Biblical Quarterly impressive Journal of Ancient Judaism and a significant shift in research on understandings of the spirit in Judaism Journal of Theological Studies with profound ramifications for both Jewish and New Testament Studies Journal of Jewish Studies Now for the first time selections of his breathtaking array of studies are available in three accessible volumes In this volume you will encounter Levison s unprecedented and probing studies of the spirit in early Judaism in the context of Greek and Roman thought from Sirach to the Tosefta from the Dead Sea Scrolls to Philo of Alexandria from Judith to Josephus As they engage readers will understand why Reading Religion A Publication of the American Academy of Religion forecasts that Levison will continue to be at the center of our most fruitful discussions of pneumatology

Fulfillment of Prophecy Gary Gallant, 2023-08-30 Many believers neglect to study the Old Testament because they find it confusing or because they assume that it is less important to the Christian faith than the New Testament We cannot understand Jesus or His gospel without a proper grounding in the Old Testament Scriptures Thus we need to read and study the whole counsel of God Let us not neglect the study of either testament Unique among all books ever written the Bible accurately foretells specific events in detail many years sometimes centuries before they occur Approximately 2 500 prophecies appear in the pages of the Bible about 2 000 of which already

have been fulfilled to the letter no errors The remaining 500 or so reach into the future and may be seen unfolding as days go by Since the probability of any one of these prophecies having been fulfilled by chance averages less than one in ten figured very conservatively and since the prophecies are for the most part independent of one another the odds for all these prophecies having been fulfilled by chance without error is less than one in 102000 that is 1 with 2 000 zeros written after it God is not the only one however who uses forecasts of future events to get people s attention Satan does too Through clairvoyants such as Jeanne Dixon and Edgar Cayce mediums spiritists and others come remarkable predictions though rarely with more than about 60 percent accuracy never with total accuracy Messages from Satan furthermore fail to match the details of Bible prophecies nor do they include a call to repentance The acid test for identifying a prophet of God is recorded by Moses in Deuteronomy 18 21 22 According to this Bible passage and others God s prophets as distinct from Satan s spokesmen are 100 percent accurate in their predictions There is no room for error The New Testament indicates that what happened at the cross and on it was what the prophets had predicted would happen long before Details of Jesus life and death were written in divine prophecy hundreds of years before He was born in Bethlehem Throughout the Gospels this amazing truth is emphasized As Jesus and His apostles left the upper room for the Garden of Gethsemane He said to them You will all fall away because it is written I will strike down the shepherd and the sheep shall be scattered Mark 14 27 After Judas betrayal Jesus rebuked Peter for drawing his sword and cutting off the ear of Malchus and said to him Put your sword back into its place How then will the Scriptures be fulfilled which say that it must happen this way Matthew 26 52 54 On the cross Jesus waited until He saw that all things had already been accomplished before He uttered His only physical request I am thirsty John 19 28 Later the spear was thrust into Jesus side and blood and water came out We read For these things came to pass to fulfill the Scripture Not a bone of Him shall be broken And again another Scripture says They shall look on Him whom they pierced John 19 36 37 The angel who was at the tomb on the morning of the resurrection said Remember how He spoke to you while He was still in Galilee saying that the Son of Man must be delivered into the hands of sinful men and be crucified and the third day rises again Luke 24 6 7 When Jesus met with the apostles and disciples Sunday evening the same day He arose from the dead He said to them These are My words which I spoke to you while I was still with you that all things which are written about Me in the Law of Moses and the Prophets and the Psalms must be fulfilled Thus it is written that the Christ would suffer and rise again from the dead the third day and that repentance for forgiveness of sins would be proclaimed in His name to all the nations beginning from Jerusalem Luke 24 44 47 In Jesus affirmation to those Sunday night witnesses He referred to all three divisions of the Hebrew Old Testament the Law of Moses the Prophets and the Psalms as He described the prophecies that had been fulfilled in Him It has been said that if one reads any part of the Bible and does not see Jesus in it he should go back and reread it for he has missed something very important In Peter s first gospel sermon on the Day of Pentecost he declared that Jesus had been delivered into the hands of godless men to be put to

death by the predetermined plan and foreknowledge of God Acts 2 23 In his second sermon in Acts Peter covered in one sweeping sentence the prophecies of the whole Old Testament saying that Jesus sufferings on the cross fulfilled all that had been prophesied But the things which God announced beforehand by the mouth of all the prophets that His Christ would suffer He has thus fulfilled Acts 3 18

Moving in the Prophetic Gregory Haslam, 2012-11-20 The gift of prophecy has always invited some degree of opposition and controversy It is one of the most vivid displays of God's presence and power among his people Many people struggle with the very concept of the validity of prophecy today They are troubled by the possibility that God may have direct access to our minds Greg Haslam argues that such concerns are misplaced Following St Paul's injunction that we should be eager to prophesy he considers how God speaks and how we should hear him how we can test and deliver a prophetic word and how we can grow in confidence as we learn to discern what the Spirit is saying to the church

The Prophets Abraham Joshua Heschel, 2007-01-01 The Prophets is widely recognized as a masterpiece of biblical scholarship Heschel attempts to understand the thoughts feelings and impressions of each of the prophets presenting the reader with a sense of their very being He effectively achieves a balance between the objective supernatural and the subjective human situation and presents a unique discussion of Amos Hosea Isaiah Micah Jeremiah and Habakkuk and their particular challenges and journeys In the second part of the book Heschel addresses such subjects as pathos wrath sympathy ecstasy psychosis and prophetic and poetic inspiration and in so doing offers a new contribution to the philosophy of religion The Prophets is both scholarly and devotional an indispensable part of an in depth understanding of the Hebrew Bible
