Amos Yong

Presence Of God In The Christian Life John Wesley And The Means Of Grace:

The Presence of God in the Christian Life Henry H. Knight III, 1992-11-01 While the most standard treatments of John Wesley's theology focus their attention on his distinctive way of salvation they fail to provide a thorough examination of Wesley's means of grace This book offers the first detailed discussion of the means of grace as the liturgical communal and devotional context within which growth in the Christian life actually occurred Knight shows how the means of grace together form an interrelated pattern that enables a growing relationship with God *Serving the People of God's Presence* Terry L. Cross, 2020-10-27 Leading theologian Terry Cross articulates the doctrine of the church's ministry from a Pentecostal perspective demonstrating how Pentecostals can contribute to and learn from the church catholic This companion volume to Cross's previous book *The People of God's Presence* proposes a radical revision of the structural framework of the local church within the often overlooked corporate priesthood of all believers Cross explores principles for leadership and ministry from the New Testament and the early church helping all believers to do the work of ministry **Reading the Way to Heaven** Steven Joe Koskie Jr., 2014-11-04 The proliferation of work on the theological hermeneutics of Scripture in recent years has challenged and reimagined the divisions between systematic theology and biblical studies on the one hand and academy and church on the other Also notable however has been the absence of a full length treatment of theological interpretation from a Wesleyan perspective This monograph develops a Wesleyan theological hermeneutic of Scripture approached as a craft learned from a tradition constituted appropriation of John Wesley's hermeneutics This hermeneutic requires a descriptive analysis of the context grammar and ruled reading of the literal sense in Wesley's interpretive practices as well as critical interaction with the analysis in light of contemporary issues As a result of this interaction continuity and discontinuity between Wesley's and Wesleyan interpretation emerges and is accounted for The Wesleyan theological hermeneutic developed here defines the church as Spirit formed context within the larger divine economy of salvation in contrast with Wesley's emphasis on individual soteriology and underdeveloped ecclesiology Within this community context Wesleyan theological interpretation is a means of grace whereby the Holy Spirit reinterprets the identity of readers into children of God Theological interpretation invites readers on a Wesleyan account to participate in the textually mediated identity of Jesus Christ through the gracious work of the Holy Spirit Wesleyan identity is therefore a figurally created identity based on the literal sense of Scripture Wesley's analogy of faith which rules his reading of Scripture thus gives way to a more explicitly trinitarian rule of faith **The People of God's Presence** Terry L. Cross, 2019-10-15 In an age when the church is sometimes viewed as irrelevant and inauthentic leading Pentecostal theologian Terry Cross calls the people of God to a radical change of structure and mission based on theological principles Cross whose work is respected by scholars from across the ecumenical landscape offers an introduction to ecclesiology that demonstrates how Pentecostals can contribute to and learn from the church catholic A forthcoming volume by the author *Serving the People of God's*

Presence will focus on the role of leadership in the church The Presence of God in the Christian Life Henry H. Knight,1987 *The Cambridge Companion to John Wesley* Randy L. Maddox,Jason E. Vickers,2010 This is a general comprehensive introduction to John Wesley s life and work and to his theological and ecclesiastical legacy Written from various disciplinary perspectives this volume will be an invaluable aid to scholars and students including those encountering the work and thought of Wesley for the first time John Wesley's Pneumatology Joseph W. Cunningham,2016-05-06

Perceptible inspiration a term used by John Wesley to describe the complicated relationship between Holy Spirit religious knowledge and the nature of spiritual being is not unlike the term Methodist which was also coined by critics of Methodism during the eighteenth century in Britain John Wesley s adversaries especially the pseudonymous John Smith with whom Wesley exchanged letters for a period of three years frequently challenged the plausibility of direct spiritual sensation which Wesley defended What does Wesley mean by perceptible inspiration What does the teaching reveal about the nature and existence of God in Wesley s thinking What does it suggest about the spiritual nature of humankind In John Wesley s Pneumatology it is argued that perceptible inspiration more than a sidebar of Methodist thought offers a useful model for considering the various features of Wesley s views on the work of the Spirit in relation to human existence participatory religious knowledge and moral theology **Worship and Christian Identity** E. Byron Anderson,2003 This book develops the claim that sacramental and liturgical practices are central means by which a church shapes the faith character and consciousness of its members It explores the relationship between corporate worship and the formation of Christian persons and communities within an ecclesial tradition and the relationship between worship and our knowledge of ourselves our world and God The author argues that attention to the reform and renewal of worship and sacramental practice provides a framework for the theological evangelical and sacramental renewal of mainline Protestant churches Missional Fidelity of MoveIn Micah Kim,2023-03-06 How can the church go beyond mere social services to having an incarnational evangelistic impact on unreached urban immigrants This work explores how MoveIn a global prayer movement of regular lay Christians has become a model for how the church can authentically and radically share the gospel with unreached neighbors **The Poor and the People Called Methodists** Richard P. Heitzenrater,2002 Details the progression of Methodist s views toward poverty stricken individuals between 1729 and 1999 **"No Remedy but Continual Prayer"** Mark Murphree,2025-08-19 John Wesley was a powerful leader in the Evangelical Revival of eighteenth century England He traveled across the land preaching the doctrine of justification by faith facing unruly mobs and nurturing a network of small groups of committed Christians called Methodists In the face of all distractions and temptations he found there was no remedy to preserve his relationship with God but continual prayer Mark Murphree surveys Wesley s sermons journals and diaries and voluminous correspondence to articulate Wesley s underlying theology of prayer and outline how that theology was expressed in practice in the varied circumstances of Wesley s life and ministry **German Radical Pietism** Hans Schneider,2007-06-21 Pietism

is increasingly recognized as the most important movement in Protestant Christianity since the Reformation of the sixteenth century. Simply put, early Protestant reformers were concerned with reforming the doctrine and beliefs of Christians, whereas the Pietist leaders were concerned with reforming the lives and behavior of Christians. This coupled with other disagreements led to calls for separation, which in turn gave rise to the movement best described as radical Pietism.

German Radical Pietism introduces the English reader to the research of the major contemporary scholar of radical Pietism, Hans Schneider. Originally appearing in the comprehensive study of the history of Pietism that appeared in the 1990s, Schneider's research considers historical treatment of the major figures, movements, and ideas of the radical wing of German Pietism in the seventeenth and early eighteenth centuries. These developments are set in their historical and social contexts, thereby providing the first definitive treatment in English of this movement as a whole. Radical Pietism's seminal role in the emergence of modern religious communities—including Quakers, Brethren, and precursors of contemporary United Methodism—as well as a range of perfectionist communities in early American history, has only begun to be adequately assessed, and this study should be a critical resource in furthering that research. This work is one of the few studies available in English that addresses the important German historical work on Pietism from the late twentieth century. A definitive bibliography of recent research in radical Pietism is included to provide further reading on this important topic.

The Quest for Love Divine Paul W. Chilcote, 2022-07-26 Charles Wesley and early Methodist women shaped Wesleyan theology and practice just as much as John Wesley. All these pioneers in the renewal of the church engaged together in a quest for love divine. That journey led them to timeless discoveries related to God's grace, the liberating nature of life in Christ, the joy of Christian discipleship, and the sense of purpose to be found in partnering with God in the celebration of beloved community. The early Methodist people learned their theology by singing it. Faith working by love leading to holiness of heart and life. Accountable discipleship. The rediscovery of a missional church. Discover the meaning of sound bites like these as you explore these themes and more.

The Oxford Handbook of Methodist Studies William J. Abraham, James E. Kirby, 2009-09-25 With the decision to provide a scholarly edition of the Works of John Wesley in the 1950s, Methodist Studies emerged as a fresh academic venture. Building on the foundation laid by Frank Baker, Albert Outler, and other pioneers of the discipline, this handbook provides an overview of the best current scholarship in the field. The forty-two included essays are representative of the voices of a new generation of international scholars summarizing and expanding on topical research and considering where their work may lead Methodist Studies in the future. Thematically ordered, the handbook provides new insights into the founders' history, structures, and theology of Methodism and into ongoing developments in the practice and experience of the contemporary movement. Key themes explored include worship, forms of mission, ecumenism, and engagement with contemporary ethical and political debate.

From Aldersgate to Azusa Street Henry H. Knight III, 2010-08-11 Historians have noted the connections between the Wesleyan Methodist movement that began in the eighteenth century, the emergence

of African American Methodist traditions and an interdenominational Holiness movement in the nineteenth century and the birth of Pentecostalism in the twentieth century This volume written by historians theologians and pastors builds on that earlier work The contributors present a diverse array of key figures denominational leaders and mavericks institutional loyalists and come outers clergy and laity who embodied these movements The authors show that in spite of their differing historical and cultural contexts these movements constitute a distinct theological family whose confident and expectant faith in the transforming power of God has significant implications for the renewal of the contemporary church and its faithfulness to God s mission in the world today Contributors Corky Alexander Estrela Alexander Kimberly Ervin Alexander Leslie D Callahan Barry L Callen Douglas R Cullum Dennis C Dickerson D William Faupel Philip Hamner David Aaron Johnson J C Kelley Henry H Knight III William C Kostlevy Diane K Leclerc Joshua J McMullen Rodney McNeill Stephen W Rankin Harold E Raser Douglas M Strong Matthew K Thompson Wallace Thornton Jr L F Thuston Arlene Sanchez Walsh Steven J Land Laura Guy John H Wigger

Evangelical Hospitality Tory K. Baucum, 2008 Evangelical Hospitality Catechetical Evangelism in the Early Church and Its Recovery for Today describes a church that has lost touch with its deep memory of evangelization the recovery of that memory in catechetical ministry and the practices this recovery spawns in the Church After describing the social construction of faith communities the book examines four core practices that are entailed in creating cultures of faith places where believing in Christ becomes plausible and possible Evangelical Hospitality concludes with perennial principles from Christian communities that learn to construct faith cultures BOOK JACKET

Faith, Hope and Love Ray Gaston, 2017-09-30 Often Christian interfaith engagement has been viewed through the lense of theology of religions where the primary questions are often about the salvific destiny of people of other faiths Faith Hope and Love offers an alternative approach asking how do Christian interfaith practitioners live out their discipleship in a multi faith world And what theologically is being expressed in their activity Demonstrating a new and innovative approach to interfaith engagement this book argues for theological reflection on the multi faith reality of our society to focus on the practice of Christian interfaith engagement drawing on the methodology of practical theology to explore the impact of encounter on Christian self understanding It suggests that other faith traditions are no longer a theological problem to be solved or people to be saved but a potential means of grace in which the Christian disciple learns more about God and grows in their relationship with Christ

The Spirit Poured Out on All Flesh Amos Yong, 2005-07-01 The Pentecostal movement has had an incredible impact on the shape of worldwide Christianity in the past century Estimates are that Pentecostals and charismatics make up approximately one fourth of Christians worldwide and the numbers are only expected to grow With these developments comes the need for thoughtful Christians of all persuasions to better understand Pentecostal theology In fact Amos Yong believes that Pentecostal theology can be a great gift to the church at large Yong presents a thoroughly Pentecostal theology of salvation the church the nature of God and creation He also provides a fascinating survey of the state

of worldwide Pentecostalism examining how Pentecostal theology is influencing Christian churches in other countries

Rewired Paul N. Markham, 2007-07-01 *Rewired* begins with the claim that contemporary views of Christian spirituality particularly in the American evangelical tradition concentrate too exclusively on the interior and individual nature of spiritual experience Paul Markham argues that a reexamination of the doctrine of religious conversion is needed within American evangelicalism and finds resources for such a model in the Wesleyan theological tradition and from philosophical and scientific insights into a nonreductive physicalist view of human nature In considering data from theology and science this book represents an integrated work in science and religion

John Wesley Kenneth J. Collins, 2003 *John Wesley A Theological Journey* has been nominated for a Wesleyan Theological Society Book Award Abingdon Press would like to congratulate Kenneth Collins on this honor John Wesley remains a seminal figure not only for the people called Methodist but also within the larger Protestant tradition Understanding his theology is a requirement for understanding the development of the Western Christian tradition in the modern period In recent years much work has been done to grasp the intricacies of Wesley's theology However most of this work has been thematic in organization studying Wesley's thought according to a topical or systematic outline The weakness of this approach argues Kenneth J Collins is that it fails to demonstrate the evolution and changes of Wesley's theology What is called for is a historical presentation one that examines the development of Wesley's theology across the span of his long and eventful theological career Collins thus provides a chronological presentation of the development of Wesley's theology Drawing on an extensive examination of the primary sources and demonstrating an intimate knowledge of the different contexts and social locations in which Wesley's theology took place *John Wesley A Theological Journey* will be necessary reading for anyone wishing to understand the broad scope of the Methodist leader's theological development and contribution

Recognizing the quirk ways to acquire this ebook **Presence Of God In The Christian Life John Wesley And The Means Of Grace** is additionally useful. Presence Of God In The Christian Life John Wesley And The Means Of Grace Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Presence Of God In The Christian Life John Wesley And The Means Of Grace PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Presence Of God In The Christian Life John Wesley And The Means Of Grace PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Presence Of God In The Christian Life John Wesley And The Means Of Grace free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Presence Of God In The Christian Life John Wesley And The Means Of Grace Books

1. Where can I buy Presence Of God In The Christian Life John Wesley And The Means Of Grace books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
