Present Imperfect Imagining Utopia:

Present Imperfect, 1999 Presents three annotated works of utopian science fiction *The Roads Must Roll* Herland and *The Republic of the Southern Cross* and a section of related articles with discussion questions Law and the Utopian Imagination Austin Sarat, Lawrence Douglas, Martha Merrill Umphrey, 2014-05-21 *Law and the Utopian Imagination* seeks to explore and resuscitate the notion of utopianism within current legal discourse The idea of utopia has fascinated the imaginations of important thinkers for ages And yet who writes seriously on the idea of utopia today The mid century critique appears to have carried the day and a belief in the very possibility of utopian achievements appears to have flagged in the face of a world marked by political instability social upheaval and dreary market realities Instead of mapping out the contours of a familiar terrain this book seeks to explore the possibilities of a productive engagement between the utopian and the legal imagination The book asks is it possible to re imagine or revitalize the concept of utopia such that it can survive the terms of the mid century liberal critique Alternatively is it possible to re imagine the concept of utopia and the theory of liberal legality so as to dissolve the apparent antagonism between the two In charting possible answers to these questions the present volume hopes to revive interest in a vital topic of inquiry too long neglected by both social thinkers and legal scholars Radical Imagination Margarete Keulen, 1991 Before the New Feminism of the 1970s provided an ideological frame women writers of utopian fiction had not proposed radical alternative models of society On the basis of three contemporary American feminist novels *The left Hand of Darkness* by Ursula K LeGuin *Woman on The Edge of Time* by Marge Piercy and *The Wanderground* by Sally Miller Gearhart this study investigates the relations between different feminist theories and the creation of alternative fictional societies the influence of ideology on content and its impact on narrative technique **Sex in Imagined Spaces** Caitriona Dhuill, 2017-07-05 From Thomas More onwards writers of utopias have constructed alternative models of society as a way of commenting critically on existing social orders In the utopian alternative the sex gender system of the contemporary society may be either reproduced or radically re organised Reading utopian writing as a dialogue between reality and possibility this study examines the relationship between historical sex gender systems and those envisioned by utopian texts Surveying a broad range of utopian writing from the nineteenth and twentieth centuries including Huxley Zamyatin Wedekind Hauptmann and Charlotte Perkins Gilman this book reveals the variety and complexity of approaches to re arranging gender and locates these re arrangements within contemporary debates on sex and reproduction masculinity and femininity desire taboo and family structure These issues occupy a position of central importance in the dialogue between utopian imagination and anti utopian thought which culminates in the great dystopias of the twentieth century and the postmodern re invention of utopia **Edges of Reality** McGraw-Hill, 1998-11-01 **Feminist Imagination** Vikki Bell, 1999-11-28 Reading feminist theory as a complex imaginative achievement *Feminist Imagination* considers feminist commitment through the interrogation of its philosophical political and affective connections

with the past and especially with the race trials of the twentieth century The book looks at the directionlessness of contemporary feminist thought the question of essentialism and embodiment the racial tensions in the work of Simone de Beauvoir the totalitarian character in Hannah Arendt the mimetic Jew and the concept of mimesis in the work of Judith Butler Vikki Bell provides a compelling rethinking of feminist theory as bound up with attempts to understand oppression outside a focus on women She affirms femini

How Popular Culture Destroys Our Political Imagination Eugene Nulman,2024-11-29

How Popular Culture Destroys Our Political Imagination Capitalism and Its Alternatives in Film and Television explores the representations of capitalism the state and their alternatives in popular screen media texts Acknowledging the problems that stem systemically from capitalism and the state this book investigates an often overlooked reason why society struggles to imagine alternative economic and political systems in our neoliberal age popular culture The book analyzes 455 screen media texts in search of critiques and alternative representations of these systems and demonstrates the ways in which film and television shape the way we collectively see the world and imagine our political futures It suggests that popular culture is the answer to the question of why it is easier to imagine the end of the world than the end of capitalism Contributing to the areas of sociology media studies and utopian studies this book provides insights into the topic of popular culture and politics in a theoretically informed and entertaining manner The book will be useful to both students and scholars interested in these topics as well as activists and organizers seeking to make the world a better place

Regulating Sexuality Rosie Harding,2010-10-04

Regulating Sexuality Legal Consciousness in Lesbian and Gay Lives explores the impact that recent seismic shifts in the legal landscape have had for lesbians and gay men The last decade has been a time of extensive change in the legal regulation of lesbian and gay lives in Britain Canada and the US Almost every area where the law impacts on sexuality has been reformed or modified These legal developments combine to create a new uncharted terrain for lesbians and gay men And through an analysis of their attitudes views and experiences this book explores the effects of these developments Drawing on and developing the concept of legal consciousness Regulating Sexuality focuses on four different texts qualitative responses to a large scale online survey of lesbians and gay men s views about the legal recognition of same sex relationships published auto biographical narratives about being and becoming a lesbian or gay parent semi structured in depth interviews with lesbians and gay men about relationship recognition parenting discrimination and equality and fictional utopian texts In this study of the interaction between law and society in social justice movements Rosie Harding interweaves insights from the new legal pluralism with legal consciousness studies to present a rich and nuanced exploration of the contemporary regulation of sexuality

Geopolitical Imagination Mikhail Suslov,2020-11-02

In his timely book Mikhail Suslov discusses contemporary Russian geopolitical culture and argues that a better knowledge of geopolitical concepts and fantasies is instrumental for understanding Russia s policies Specifically he analyzes such concepts as Eurasianism Holy Russia Russian civilization Russia as a continent Novorossia and others He demonstrates that these

concepts reached unprecedented ascendance in the Russian public debates tending to overshadow other political and domestic discussions Suslov argues that the geopolitical imagination structured by these concepts defines the identity of post Soviet Russia while this complex of geopolitical representations engages at the same time with the broader international criticism of the Western liberal world order and aligns itself with the conservative defense of cultural authenticity across the globe Geopolitical ideologies and utopias discussed in the book give the post Soviet political mainstream the intellectual instruments to think about Russia's exclusion imaginary or otherwise from the processes of a global world which is reshaping itself after the end of the Cold War they provide tools to construct the self perception of Russia as a sovereign great power a self sufficient civilization and as one of the poles in a multipolar world and they help to establish the Messianic vision of Russia as the beacon of order tradition and morality in a sea of chaos and corruption

Imagined Worlds and Constructed Differences in the Hebrew Bible Jeremiah W. Cataldo, 2019-08-22 The purpose of this volume is twofold to introduce readers to the study of cultural memory and identity in relation to the Hebrew Bible and to set up strategies for connecting studies of the historical contexts and literature of the Bible to parallel issues in the present day The volume questions how we can better understand the divide between insider and outsider and the powerful impact of prejudice as a basis for preserving differences between us and them In turn the contributors question how such frameworks shape a community's self perception its economics and politics Guided by the general framework of Anderson's theory of nationalism and the outsider such issues are explored in related ways throughout each of the contributions Each contribution focuses on social economic or political issues that have significantly shaped or influenced dominant elements of cultural memory and the construction of identity in the biblical texts Together the contributions present a larger proposal the broad contours of memory and identity in the Bible are the products of a collective desire to reshape the social political world

Ecstatic Subjects, Utopia, and Recognition Patricia J. Huntington, 1998-07-23 Interweaves elements of Kristevan and Heideggerian thought in order to reconstruct a linguistically embedded existentially and affectively rich dialectical model of willed self regulation

Utopia in the Age of Globalization Robert T. Tally Jr., 2013-02-26 The idea of Utopia has made a comeback in the age of globalization and the bewildering technological shifts and economic uncertainties of the present era call for novel forms of utopia Tally argues that a new form of utopian discourse is needed for understanding and moving beyond the current world system

Emotionally Durable Design Jonathan Chapman, 2015-04-10 Emotionally Durable Design presents counterpoints to our throwaway society by

developing powerful design tools methods and frameworks that build resilience into relationships between people and things The book takes us beyond the sustainable design field s established focus on energy and materials to engage the underlying psychological phenomena that shape patterns of consumption and waste In fluid and accessible writing the author asks why do we discard products that still work He then moves forward to define strategies for the design of products that people want to keep for longer Along the way we are introduced to over twenty examples of emotional durability in smart phones shoes chairs clocks teacups toasters boats and other material experiences Emotionally Durable Design transcends the prevailing doom and gloom rhetoric of sustainability discourse to pioneer a more hopeful meaningful and resilient form of material culture This second edition features pull out quotes illustrated product examples a running glossary and comprehensive stand firsts this book can be read cover to cover or dipped in and out of It is a daring call to arms for professional designers educators researchers and students from in a range of disciplines from product design to architecture framing an alternative genre of design that reduces the consumption and waste of resources by increasing the durability of relationships between people and things

Male Subjectivity at the Margins Kaja Silverman, 2017-09-25 Through the examination of a range of literary and cinematic texts from William Wyler s classic *The Best Years of Our Lives* to the novels of Henry James Silverman offers a bold new look at masculinities which deviate from the social norm

Earthing the Cosmic Christ of Ephesians—The Universe, Trinity, and Zhiyi's Threefold Truth, Volume 4 John P. Keenan, 2024-02-26 In a Tiantai theology conventional truth is conventionally arisen which means that such truth is never set once and for all but is to be cherished and rethought in new circumstances whether interreligious or scientific but always in critical consonance with its ancient embodiments Contexts shift frameworks but life in Christ is translatable across cultures Christian faith and theology discourage the assumption that the point of it can be clearly pinned down God s appearance to Elijah out of the whirlwind is an eternal reminder of the paltriness of all human perspectives Symbolic worlds of faith and wisdom are not themselves finished products Because it has a past and a future the cosmos itself is unfinished Christian creeds ought not be defended as last word ideological positions and bastions against relativity but instead recognized in their cultural contexts and affirmed as grammars of communal and personal assent

America Imagined Axel Körner, Adam I. P. Smith, 2012-08-16 Why has America that is the United States of America become so much more than simply a place in the imagination of so many people around the world In both Europe and Latin America the United States has often been a site of multiple possible futures a screen onto which could be projected utopian dreams and dystopian nightmares Whether castigated as a threat to civilized order or championed as a promise of earthly paradise America has invariably been treated as a cipher for modernity It has functioned as an inescapable reference point for both European and Latin American societies not only as a model of social and political organization one to reject as much one to emulate but also as the prime example of a society emerging from a dramatic diversity of cultural and social backgrounds

Progress Unchained Peter J. Bowler, 2021-03-04 Bowler traces ideas about

progress using evolutionary biology to throw light on parallel changes in the understanding of social development

Literature and the Political Imagination Andrea T. Baumeister, John Horton, 2013-04-15 This volume shows how modern political theory can be enriched through an engagement with works of literature It uses the resources of literature to explore issues such as nationalism liberal philosophy utopianism narrative and the role of theory in political thought A variety of approaches are adopted and the aim is to show some of the many and diverse ways in which literature may enrich political theorising as well as considering some of the problems to which this may give rise The theorists discussed include Richard Rorty Alasdair MacIntyre Charles Taylor and Martha Nussbaum There are literary references from Greek tragedy Jonathan Swift Brian Moore Elizabeth Bowen and contemporary feminist utopian fiction All the contributors have a long standing interest in the relations between literature and moral and political thought They are concerned not to be restricted by conventional academic boundaries and are not united by any party line or uniformity of intellectual commitments This volume will be of great interest to all students engaged in the study of politics and literature

Critical Environments Cary Wolfe, 1998 Unique in its collation of major theorists rarely considered together Critical Environments incorporates detailed discussions of the work of Richard Rorty Walter Benn Michaels Stanley Cavell Humberto Maturana Francisco Varela Niklas Luhmann Donna Haraway Michel Foucault Gilles Deleuze Fredric Jameson and others and ranges across fields from feminist philosophy of science to the theory of ideology Offering American readers a comprehensive introduction to systems theory and responding to the widespread charge of relativism leveled against it Wolfe's work will enhance and inspire new kinds of critical thought
