Stephen (Jr.),1985 *Always Already Free* Enza Vita,2015-02 This brilliant contribution to our modern understanding of authentic identity and Presence brings us to a new awareness of ourselves and our innate wholeness and completeness Enza s personal awakening story in the first few pages is worth the price of admission Enlightened wisdom is like an endangered natural resource today which we overlook at our peril let s join in exploring and developing our own innate transformational resources for a change LAMA SURYA DAS author of Awakening the Buddha Within This is a great contribution to our appreciation of the genuine voice of Pure Presence It brings us to a deeper awareness of what it means to study the self and our intrinsic true nature as that which is already perfect whole and complete It is certainly worthy of your time and attention ZEN MASTER D GENPO MERZEL author of Big Mind Big Heart Based on Enza s own experience Always Already Free is a guide to discovering the deepest truth about who we are In this book the author Presents her own personal direct encounter with the awakened state Thoroughly addresses the ongoing debate between the necessity of spiritual practice and the ever present possibility of sudden awakening while at the same time offering detailed instructions for the practice Instant Presence Allowing Natural Meditation To Happen Lays out what it means to consciously live and embody the truth of one s being the phenomenon of finding and losing oneself and the power

and seduction of our thoughts and emotions that keep us held in narrow self definitions and create endless suffering Guides the reader from the seeking process through the integration of spiritual enlightenment into everyday life and reveals that enlightenment is not a faraway dream intellectual knowledge or even an experience but the direct realization of our true nature always available here and now While it s true that we are always the Self says Enza Vita if this hasn t been truly and directly realized this knowledge won t do us any good Just knowing that there is no gate to pass through doesn t mean that we are at the end of the search not if we are still standing outside that gateless gate Realization is not about you the wave realizing it is ocean The ocean realizes itself in you and reveals itself to have never been just a wave
