Parliament. House of Lords, 1841 **Sessional Papers Printed by Order of the House of Lords, Or Presented by Royal Command, in the Session 1840, (30 & 40 Victoriæ,) Arranged in Volumes: Tables and indexes** Great Britain. Parliament. House of Lords, 1840 Hansard's Parliamentary Debates Great Britain. Parliament, 1850 Secondary Pollen Presentation P.F. Yeo, 2012-12-06 Secondary pollen presentation is presentation of pollen to vectors by structures other than anthers either passively or via a specialized protection and delivery system The main part of the book describes secondary pollen presentation genus by genus in 25 families The subject has never been extensively reviewed although secondary pollen presentation occurs in the largest family of flowering plants the Asteraceae Compositae and a large family of great economic importance the Leguminosae Now material from the scattered literature is brought together and supplemented with original observations Many species are illustrated and each family is individually discussed The last two chapters provide an overview of the whole topic All the main functions that secondary pollen presentation may perform can be carried out in other plants without it It is concluded from this that the evolution of secondary pollen presentation has been subject to constraint and canalization The floral biology of most plants with

secondary pollen presentation has not been adequately studied Appendix 1 points to a wide range of topics on which research at various technical and academic levels is needed The book should also become a reference work for morphologists systematists and floral ecologists     *Australian national bibliography* ,1961     *Past Law, Present Histories* Diane Kirkby,2012-09-01 This collection brings methods and questions from humanities law and social sciences disciplines to examine different instances of lawmaking Contributors explore the problematic of past law in present historical analysis across indigenous Australia and New Zealand from post Franco Spain to current international law and maritime regulation from settler colonial humanitarian debates to efforts to end cruelty to children and animals They highlight problems both national and international in their implication From different disciplines and theoretical positions they illustrate the diverse and complex study of law s history     **Annual Report of the Trustees, Being for the Year Ended 30 June** Australian Museum,1905
