Dante, 2012-07-18 With his journeys through Hell and Purgatory complete Dante is at last led by his beloved Beatrice to
Paradise Where his experiences in the Inferno and Purgatorio were arduous and harrowing this is a journey of comfort
revelation and above all love both romantic and divine Robert Hollander is a Dante scholar of unmatched reputation and his
wife Jean is an accomplished poet Their verse translation with facing page Italian combines maximum fidelity to Dante s text
with the artistry necessary to reflect the original s virtuosity They have produced the clearest most accurate and most
readable translation of the three books of The Divine Comedy with unsurpassable footnotes and introductions likely to be a

Theology? Adam Kotsko, 2021-09-07 The secular world may have thought it was done with theology but theology was not
done with it Recent decades have seen a resurgence of religion on the social and political scene which have driven thinkers
across many disciplines to grapple with the Christian theological inheritance of the modern world Adam Kotsko provides a
unique guide to this fraught terrain The title essay establishes a fresh and unexpected redefinition of theology and its
complex and often polemical relationship with its sister discipline of philosophy Subsequent essays build on this framework
from three different perspectives In the first part Kotsko demonstrates the continued vibrancy of Christian theology as a
creative and constructive pursuit outside the walls of the church showing that theological concepts can underwrite a
powerful critique of the modern world The second approaches Christian theology from the perspective of a range of
contemporary philosophers showing how philosophical thought is drawn to theology even despite itself The concluding
section is devoted to the unexpected theological roots of the modern world system making a case that the interplay of state
and economy and the structure of modern racial oppression both build on theological patterns of thought Kotsko s book
ultimately shows that theology is not a scholarly game or an edifying spiritual discipline but a world shaping force of great
power Lives are at stake when we do theology and if we don t do it someone else will Annual Report of the Town Officers
