Committee on Appropriations. Subcommittee on District of Columbia Appropriations, 1974 The Passage of Power Robert A. Caro, 2013-05-07 WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD THE LOS ANGELES TIMES BOOK PRIZE THE MARK LYNTON HISTORY PRIZE THE AMERICAN HISTORY BOOK PRIZE One of the New York Times s 100 Best Books of the 21st Century Book Four of Robert A Caro s monumental The Years of Lyndon Johnson displays all the narrative energy and illuminating insight that led the Times of London to acclaim it as one of the truly great political biographies of the modern age A masterpiece The Passage of Power follows Lyndon Johnson through both the most frustrating and the most triumphant periods of his career 1958 to 1964 It is a time that would see him trade the extraordinary power he had created for himself as Senate Majority Leader for what became the wretched powerlessness of a Vice President in an administration that disdained and distrusted him Yet it was as well the time in which the presidency the goal he had always pursued would be thrust upon him in the moment it took an assassin s bullet to reach its mark By 1958 as Johnson began to maneuver for the presidency he was known as one of the

most brilliant politicians of his time the greatest Senate Leader in our history But the 1960 nomination would go to the young senator from Massachusetts John F Kennedy Caro gives us an unparalleled account of the machinations behind both the nomination and Kennedy s decision to offer Johnson the vice presidency revealing the extent of Robert Kennedy s efforts to force Johnson off the ticket With the consummate skill of a master storyteller he exposes the savage animosity between Johnson and Kennedy s younger brother portraying one of America s great political feuds Yet Robert Kennedy s overt contempt for Johnson was only part of the burden of humiliation and isolation he bore as Vice President With a singular understanding of Johnson s heart and mind Caro describes what it was like for this mighty politician to find himself altogether powerless in a world in which power is the crucial commodity For the first time in Caro s breathtakingly vivid narrative we see the Kennedy assassination through Lyndon Johnson s eyes We watch Johnson step into the presidency inheriting a staff fiercely loyal to his slain predecessor a Congress determined to retain its power over the executive branch and a nation in shock and mourning We see how within weeks grasping the reins of the presidency with supreme mastery he propels through Congress essential legislation that at the time of Kennedy s death seemed hopelessly logjammed and seizes on a dormant Kennedy program to create the revolutionary War on Poverty Caro makes clear how the political genius with which Johnson had ruled the Senate now enabled him to make the presidency wholly his own This was without doubt Johnson s finest hour before his aspirations and accomplishments were overshadowed and eroded by the trap of Vietnam In its exploration of this pivotal period in Johnson s life and in the life of the nation *The Passage of Power* is not only the story of how he surmounted unprecedented obstacles in order to fulfill the highest purpose of the presidency but is as well a revelation of both the pragmatic potential in the presidency and what can be accomplished when the chief executive has the vision and determination to move beyond the pragmatic and initiate programs designed to transform a nation It is an epic story told with a depth of detail possible only through the peerless research that forms the foundation of Robert Caro s work confirming Nicholas von Hoffman s verdict that Caro has changed the art of political biography Congressional Record United States. Congress,2003      **The Paul Richter Omnibus** James Barrington,2017-05-15 The bestselling military thrillers now in a special omnibus edition Paul Richter listed as working with the Foreign Operations Executive Special forces and pilot experience *Trouble Guaranteed* From supersonic chases above the Russian tundra to terrorists in Dubai and covert battles in North Korea these are the most explosive thrillers you ll ever read This omnibus edition contains all six thrilling books in the series perfect for fans of Robert Ludlum Frederick Forsyth and Brad Thor      **Weekly Compilation of Presidential Documents** ,1998      *Energy Realities* United States. closest and most trusted advisors Except for his wife Betty no one was closer to Gerald Ford during his presidency than Bob Barrett Bob carried the nuclear football the American nuclear codes and could not let Ford out of his sight This nerve wracking job led to a deep friendship with the First Family and gave Bob an unparalleled view of Ford s historic and unusual presidency In his memoir *Inside the President s Team* Bob takes readers into the White House and the Ford home to show the administration and the couple as few others could see them Bob gives new insights into why Ford decided to pardon Nixon and how he responded to criticism of it how Ford chose his own vice president and another for his run in 1976 and what he did with potentially difficult members of the former administration such as Al Haig and the now infamous Michael Flynn Bob provides a front row view of Ford s meeting with Leonid Brezhnev in Russia during their famous summit on arms control and he shows how abandoning our ally South Vietnam put a greater strain on Ford than deciding whether to pardon his predecessor Bob reveals what happened during the two assassination attempts and reveals the flawed inner workings of the 1976 campaign Meanwhile he became so close to the family that he took part in Betty Ford s intervention and recalls scenes that show Ford to be as Bob describes him the most decent honorable trustworthy person I ever met Ford s legacy as a reconciler and a healer of a deeply divided America during a time of strife comes alive in *Inside the President s Team* and it is a celebration of the impact of living a life of service
