Presidential Communication and Character Stephen Farnsworth, 2018-03-09 This book traces the evolution of White House news management during America's changing media environment over the past two decades Comparing and contrasting the communication strategies of Bill Clinton George W Bush Barack Obama and Donald Trump it demonstrates the difficulty that all presidents have in controlling their messages despite a seemingly endless array of new media outlets and the great advantages of the office That difficulty is compounded by new media's amplification of presidential character traits for good or ill Facebook Twitter and YouTube notwithstanding presidential power still resides in
