Oath**

THE OFFICIAL GRAND JURY TESTIMONY

President Clintons Grand Jury Testimony Vhs Tape 1998 Presidents

James M. Banner Jr.

President Clintons Grand Jury Testimony Vhs Tape 1998 Presidents:

The Clinton Presidency and the Constitutional System Rosanna Perotti, 2012-06-06 Presidential scholars former and current policymakers and a former president bring varied insights and analyses to consider the impact influence and legacy of the presidency of William Jefferson Clinton the New Democrat from Hope Arkansas In the eight years between 1993 and 2001 the Clinton White House presided over a booming economy that included a budget surplus in Clinton s second term oversaw the most significant welfare reform since the New Deal and wrestled with the challenge of developing a foreign policy vision for the post Cold War era Structurally the Clinton presidency expanded the office and responsibilities of the First Lady and the Vice President to an unprecedented degree prevailed in a budget battle with Congress that included two government shutdowns briefly employed a line item veto until the Supreme Court declared that power unconstitutional and endured the second impeachment of the chief executive in American history The evolution and consequences of the increased power held by modern presidents became sharply evident during the Clinton years In The Clinton Presidency and the Constitutional System based on the Eleventh Presidential Conference at Hofstra University readers are afforded a unique combination of scholarly analysis and the perspectives of former administration officials Students and scholars of the presidency will glean important understandings from the balanced judicious studies of the Clinton administration and their juxtaposition with firsthand recollections of some of the participants who defined and shaped those events Official Congressional Record Impeachment Set ,1999 Proceedings of the United States Senate in the Impeachment Trial of President William Jefferson Clinton: Statements of Senators regarding the impeachment trial of President William Jefferson Clinton ,2000 **The Politics of Presidential Impeachment** Daniel P. Franklin, Stanley M. Caress, Robert M. Sanders, Cole D. Taratoot, 2020-08-01 The Politics of Presidential Impeachment takes a distinctive and fresh look at the impeachment provision of the US Constitution Instead of studying it from a legal constitutional perspective the authors use a social science approach incorporating extensive case studies and quantitative analysis Focusing on four presidents who faced impeachment processes Andrew Johnson Richard Nixon Ronald Reagan and Bill Clinton they examine the conditions under which presidential impeachment is likely to occur and argue that partisanship and the evolving relationship between Congress and the president determine its effectiveness as an institutional constraint They find that in our contemporary political context the propensity of Congress to utilize the impeachment tool is more likely but given the state of heightened partisanship impeachment is less likely to result in removal of a president The authors conclude that impeachment is no longer a credible threat and thus no longer an effective tool in the arsenal of checks and balances The book also offers a postscript that discusses the impeachment of President Donald J Trump **New Documentary** Stella Bruzzi, 2000 Bruzzi relates contemporary cinema to the documentary tradition exploring questions of authorship spectatorship and truth in the context of issues of race gender and performance **Authorization of an Inquiry Into Whether Grounds Exist for the**

Impeachment of William Jefferson Clinton, President of the United States United States. Congress. House.

Committee on the Judiciary,1998 **The Death of American Virtue** Ken Gormley,2011-02-01 Ten years after one of the most polarizing political scandals in American history author Ken Gormley offers an insightful balanced and revealing analysis of the events leading up to the impeachment trial of President William Jefferson Clinton From Ken Starr s initial Whitewater investigation through the Paula Jones sexual harassment suit to the Monica Lewinsky affair and Brett Kavanaugh s role in the subsequent inquiry *The Death of American Virtue* is a gripping chronicle of an ever escalating political feeding frenzy In exclusive interviews Bill Clinton Ken Starr Monica Lewinsky Paula Jones Susan McDougal and many more key players offer candid reflections on that period Drawing on never before released records and documents including the Justice Department s internal investigation into Starr new details concerning the death of Vince Foster and evidence from lawyers on both sides Gormley sheds new light on a dark and divisive chapter the aftereffects of which are still being felt in today s political climate **The Reality Effect** Joel Black,2013-08-21 It used to be only movies were on film now the whole world is

The most intimate and most banal moments of our lives are constantly recorded for public consumption In *The Reality Effect* Joel Black argues that the desire to make visible every aspect of our lives is an impulse derived from cinema one that has made life both more graphic and less real He approaches film as a documentary medium that has obscured if not obliterated the line between reality and fiction To illustrate this effect Black traces the uncanny interplay between movies and real life events through a series of comparative analyses from *Lolita* and the murder of JonBen t Ramsey to *Wag the Dog* and the Clinton scandal to *Crash* and Princess Diana s violent death **Transformational Leadership and the Modern**

Presidency Andrzej Demczuk,2023-06-15 This book seeks to analyze the leadership of three presidents Bill Clinton George W Bush and Barack Obama as well as to examine the impact of the presidents leadership had on the leadership of the advisers they worked with during their presidencies Transformational leadership a term first introduced by James MacGregor Burns describes a process in which leaders and followers help each other to advance to a higher level of morale and motivation In order to measure transformational leadership Bernard M Bass s model which includes four elements an idealized influence inspiring motivation intellectual stimulation and individual treatment is applied throughout It is crucial to conduct an analysis of the relationships between the examined three presidents and their advisers in order to demonstrate if the subordinates excelled in leadership because of the presidents leadership skill *Impeaching Clinton* Nicol C. Rae,Colton C. Campbell,2004 Analysis of the impeachment and portrayal of the partisan and ideologically polarized state of American politics at the turn of the century Argues that the battle was not over Clinton but over control of the policy agenda back cover

Truth Worth Telling Scott Pelley,2019-05-21 This inspiring memoir of life on the frontlines of history is a riveting blend of investigative reporting color commentary and personal reminiscence Publishers Weekly starred review A 60 Minutes correspondent and former anchor of the CBS Evening News Scott Pelley writes as a witness to events that changed our world

In moving detailed prose he stands with firefighters at the collapsing World Trade Center on 9 11 advances with American troops in combat in Afghanistan and Iraq and reveals private moments with presidents and would be presidents he s known for decades Pelley also offers a resounding defense of free speech and a free press as the rights that guarantee all others Above all Truth Worth Telling offers a collection of inspiring tales that reminds us of the importance of sticking to our values in uncertain times For readers who believe that values matter and that truth is worth telling Pelley writes I have written this book for you

Presidents Creating the Presidency Karlyn Kohrs Campbell,Kathleen Hall Jamieson,2008-05 Arguing that the presidency is not defined by the Constitution which doesn t use the term but by what presidents say and how they say it *Deeds Done in Words* has been the definitive book on presidential rhetoric for more than a decade In *Presidents Creating the Presidency* Karlyn Kohrs Campbell and Kathleen Hall Jamieson expand and recast their classic work for the YouTube era revealing how our media saturated age has transformed the ever evolving rhetorical strategies that presidents use to increase and sustain the executive branch s powers Identifying the primary genres of presidential oratory Campbell and Jamieson add new analyses of signing statements and national eulogies to their explorations of inaugural addresses veto messages and war rhetoric among other types They explain that in some of these genres such as farewell addresses intended to leave an individual legacy the president acts alone in others such as State of the Union speeches that urge a legislative agenda the executive solicits reaction from the other branches Updating their coverage through the current administration the authors contend that many of these rhetorical acts extend over time George W Bush s post September 11 statements for example culminated in a speech at the National Cathedral and became a touchstone for his subsequent address to Congress For two centuries presidential discourse has both succeeded brilliantly and failed miserably at satisfying the demands of audience occasion and institution and in the process it has increased and depleted political capital by enhancing presidential authority or ceding it to the other branches Illuminating the reasons behind each outcome Campbell and Jamieson draw an authoritative picture of how presidents have used rhetoric to shape the presidency and how they continue to re create it

Presidential Misconduct James M. Banner Jr.,2019-07-02 Named a best book of the year by *The Economist* and *Foreign Affairs* A whole book devoted exclusively to the misconduct of American presidents and their responses to charges of misconduct is without precedent from the introduction to the 1974 edition by C

Vann Woodward Pulitzer Prize winning Yale historian The historic 1974 report for the House Committee on the Judiciary updated for today by leading presidential historians In May 1974 as President Richard Nixon faced impeachment following the Watergate scandal the House Judiciary Committee commissioned a historical account of the misdeeds of past presidents The account compiled by leading presidential historians of the day reached back to George Washington s administration and was designed to provide a benchmark against which Nixon s misdeeds could be measured What the report found was that with the exception of William Henry Harrison who served less than a month every American president has been accused of misconduct James Buchanan was charged with rigging the election of 1856 Ulysses S Grant was reprimanded for not firing his corrupt staffer Orville Babcock in the Whiskey Ring bribery scandal and Franklin D Roosevelt s administration faced repeated charges of malfeasance in the Works Progress Administration Now as another president and his subordinates face an array of charges on a wide range of legal and constitutional offenses a group of presidential historians has come together under the leadership of James M Banner Jr one of the historians who contributed to the original report to bring the 1974 account up to date through Barack Obama s presidency Based on current scholarship this new material covers such well known episodes as Nixon s Watergate crisis Reagan s Iran Contra scandal Clinton s impeachment and George W Bush s connection to the exposure of intelligence secrets But oft forgotten events also take the stage Carter s troubles with advisor Bert Lance Reagan s savings and loan crisis George H W Bush s nomination of Clarence Thomas to the Supreme Court and Obama s Solyndra loan controversy The only comprehensive study of American presidents misconduct and the ways in which chief executives and members of their official families have responded to the charges brought against them this new edition is designed to serve the same purpose as the original 1974 report to provide the historical context and metric against which the actions of the current administration may be assessed

Public Papers of the Presidents of the United States: William J. Clinton, 1998 Clinton, William J.,1999-01-01 Public Papers of the Presidents of the United States **Congressional Record** United States. Congress,1999
