## **Presidente Que Se Iba A Caer:**

*El presidente que se iba a caer* Mauricio Vargas, Jorge Lesmes, Edgar Téllez, 1996 Detailed report on crisis that overwhelmed the Samper presidency Examines the famous narco cassettes that appeared following 1994 elections and connected Samper with the Cali cartel the 8000 process initiated by the Ministro de Justicia y del Derecho against corrupt politicians the imprisonment of the President's former campaign manager and first Ministro de Defensa Nacional and the vote in Congress that suspended prosecution of the president Handbook of Latin American Studies v 57 *Presidential Impeachment and the New Political Instability in Latin America* Aníbal Pérez-Liñán, 2007-07-09 Documents the emergence of a pattern of political instability in Latin America Traditional military coups have receded in the region but elected presidents are still ousted from power as a result of recurrent crises Aníbal Pérez Liñán shows that presidential impeachment has become the main constitutional instrument employed by civilian elites to depose unpopular rulers Based on detailed comparative research in five countries and extensive historical information the book explains why crises without breakdown have become the dominant form of instability in recent years and why some presidents are removed from office while others survive in power The analysis emphasizes the erosion of presidential approval resulting from corruption and unpopular policies the formation of hostile coalitions in Congress and the role of investigative journalism This book challenges classic assumptions in studies of presidentialism and provides important insights for the fields of political communication democratization political behaviour and institutional analysis **La pasión del periodismo** Carlos J. Villar Borda, 2004 CONTENIDO La eterna lucha entre la mentira y la verdad La ejecución del Che Guevara y otras historias Las piernas de Shakira y el cardenal

**Conservative Parties, the Right, and Democracy in Latin America** Kevin J. Middlebrook, 2003-05-01 Under what conditions do political institutions develop that are capable of promoting economic and social elites accommodation to democracy The importance of this question for research on regime change and democracy in Latin America lies in two established political facts alliances between upper class groups and the armed forces have historically been a major cause of military intervention in the region and countries with electorally viable national conservative parties have experienced significantly longer periods of democratic governance since the 1920s and 1930s than have countries with weak conservative parties The contributors to this book examine the relationship between the Right and democracy in Argentina Brazil Chile Colombia El Salvador Peru and Venezuela during the 1980s and 1990s The authors focus particularly on the challenges that democratization may pose to upper class groups the political role of conservative parties and their electoral performance during these two crucial decades and the relationships among conservative party strength or weakness different modes of elite interest representation and economic and social elites support for political democracy The volume includes a statistical appendix with data on conservative parties electoral performance in national elections during the 1980s and 1990s in these seven countries Contributors Atilio A. ### **What Justice? Whose**

**Justice?** Susan Eva Eckstein,Timothy P. Wickham-Crowley,2003-10-09 The new millennium began with the triumph of democracy and markets But for whom is life just how so and why And what is being done to correct persisting injustices Blending macro level global and national analysis with in depth grassroots detail the contributors highlight roots of injustices how they are perceived and efforts to alleviate them Following up on issues raised in the groundbreaking best seller Power and Popular Protest Latin American Social Movements California 2001 these essays elucidate how conceptions of justice are socially constructed and contested and historically contingent shaped by people s values and institutionally grounded in real life experiences The contributors a stellar coterie of North and Latin American scholars offer refreshing new insights that deepen our understanding of social justice as ideology and practice

*Watchdog Journalism in South America* Silvio Waisbord,2000-05-25 Scott L Althaus Harvard International Journal of Press Politics *La saga del narcotráfico en Cali, 1950-2018* Gildardo Vanegas Muñoz,2024-03-04 El texto ofrece un análisis particularmente original y detallado de la dinámica tanto urbana como rural de las redes del narcotráfico Las grandes mutaciones están claramente resaltadas de la marihuana a la coca na de la importación de la materia prima proveniente de Perú y Bolivia al control de la producción nacional de los laboratorios a la organización de circuitos de exportación del manejo de los mercados exteriores el mercado norteamericano en primer lugar a la progresiva dependencia con respecto a organizaciones mexicanas que no solamente se apoderan del acceso a los Estados Unidos sino que también se inmiscuyen en las otras fases del transporte Como se ve el autor la relación de Cali con el narcotráfico no es nueva ni única pero si tiene algo de singular si se compara con otras ciudades En estas organizaciones se destaca el poco uso de la violencia la ausencia de grandes ejércitos de sicarios la nula vinculación de los primeros narcotraficantes con los sectores más pobres de la ciudad y su interés por integrarse al orden social local a través de la relación con las líneas políticas sociales y económicas Estos rasgos no dejan de ser llamativos como quiera que Cali ha sido por muchos años uno de los focos más importantes del narcotráfico en Colombia

**JAIME GARZÓN** Marisol Garzón

Forero,2020-10-23 Hace 17 años fue asesinado mi hermano Jaime Garzón Forero Aunque la impunidad de su crimen es igual que tantos otros dramas en Colombia Por fortuna la memoria es una forma de construir un sentido de la vida del pasado y del futuro es lo que les queda a los pueblos que han sido sometidos a la muerte al silencio o al engaño Particularmente el pueblo colombiano guarda en el alma y en el corazón a Jaime pues allí se anidan los recuerdos que más amamos Si bien la remembranza de Jaime adquiere con su asesinato un signo amargo y doloroso también contiene la potencia que encarna cada uno de sus personajes esa posibilidad de enfrentar el poder abiertamente desenmascararlo y burlarse en su propia cara con el único objeto de alcanzar una sociedad diferente

**Presidencialismo de transacción.Las relaciones entre los poderes**

**Ejecutivo y Legislativo en Colombia 1990-2002** Javier Duque Daza,2024-03-04 El Estado constitucional moderno fundado en la distribución del poder y en el policentrismo con poderes autónomos en interacción se caracteriza por la concurrencia y la intervención de diversas instancias de decisión que participan en la formación de la voluntad estatal En los entramados institucionales los poderes públicos interactúan a través de procesos y mecanismos de control recíproco que configuran una estructura de pesos y contrapesos una base de control mutuo de accountability interinstitucional El presente libro estudia el sistema político colombiano caracterizando las facultades y atribuciones de los presidentes y del Congreso de la República y la forma como sus modificaciones su ejercicio y las relaciones con los partidos políticos y la clase política configuran un tipo de presidencialismo de transición en Colombia durante el periodo 1990-2002 El texto permite comprender la forma como se concretan las relaciones entre los poderes Ejecutivo y Legislativo de qué formas y con qué intensidad incide el primero en las labores del segundo como ejerce este sus funciones legislativas y de control político sobre el Ejecutivo identificar cómo inciden las reglas de juego político las instituciones las atribuciones y facultades de los poderes Ejecutivo y Legislativo y las características de los partidos y del sistema de partidos en las relaciones entre ambos poderes De esta forma es posible comprender cómo el tipo de liderazgo constituye una variable importante en los tipos de presidencialismo y en las relaciones entre ambos poderes La identificación del tipo de relaciones de intercambio entre los dos poderes que caracterizan justamente al presidencialismo de transición llena un vacío en el campo de los estudios institucionales en Colombia con una mirada que no es de coyuntura pues abarca los tres primeros gobiernos postconstitucionales

**De los años** Julia María Rial,2022-12-01 Vivimos inmersos en situaciones absurdas Seguiremos esperando lo mágico Los ciudadanos continuaremos aguardando como en la antigua leyenda de Hamel en la aparición del flautista Este libro contiene relatos más o menos breves Son crónicas sociales es decir hechos reales vividos desde 1950 hasta el 2000 De ahí su título y la subdivisión en diferentes secciones Podrás descubrir el hilo conductor de cada historia

**Cromos**,1923    **El malpensante**,1996    **Historia política de la Revolución Mexicana** Miguel Alessio Robles,2007    **El Muñequito de Queso Apestoso y otros cuentos con demasiadas tontadas (The Stinky Cheese Man and Other Fairly Stupid Tales Spanish Edition)** Jon

Scieszka,2024-09-03 John Scieszka and Lane Smith's irreverent Caldecott Honor Winning book now in Spanish A wild laugh out loud collection of reimagined fairy tales from the author and illustrator of The True Story of the Three Little Pigs A long time ago people used to tell magical stories of wonder and enchantment Those stories were called Fairy Tales Those stories are not in this book The stories in this book are Fairly Stupid Tales In this fourth wall breaking picture book young readers will delight in the strange twists on familiar tales From The Stinky Cheese Man to Cinderummpelstiltskin these unique hilarious retellings poke fun at classic stories and characters The wonderfully offbeat and bizarre illustrations as well as innovative play with typography and book design make for a one of kind masterpiece from two powerhouse children's book creators

**Puerta de Hierro** Juan B. Yofre,2015-10-01 El nuevo libro de Juan Bautista Yofre revisa la vida de Juan

Domingo Perón en el exilio a partir del acceso privilegiado e indito hasta ahora de sus archivos personales. Observo esos días de final de época de Juan Domingo Perón porque el archivo va a tratar sus años en el exilio. Y como es lógico no hay exilio si previamente no hay derrocamiento. Durante sus años en el exterior el ex mandatario va a macerar su pensamiento revisar su trayectoria y volver con la ayuda de muchos que lo voltearon y el anhelo de su pueblo. Si es verdad que la irrupción de Juan Domingo Perón en la vida política modificó de modo definitivo todas y cada una de las estructuras de la Argentina es igual de evidente que sus años menos analizados los del exilio han sido el abono para el crecimiento del mayor descontrol institucional y la puerta de entrada y de hierro a la época más oscura de nuestra historia. Al tiempo que se cumplen setenta años del histórico 1945 y sesenta del derrocamiento de Perón Yofre no hace foco en el líder presente como presidente de los argentinos sino que ilumina su monumental ausencia el modo en el que proscripto proyect desde el exilio los brillos y las opacidades de su acción política. El autor saca a la luz los tesoros inditos del cuarto de los cocodrilos el subsuelo en el que estaba su archivo documental hay aquí correspondencia escrita por Perón desde Paraguay Panamá Venezuela República Dominicana y España pero también cantidad de documentos que se dirigen a él desde una Argentina sumergida en gobiernos nacidos de democracias restringidas su partido prohibido y dictaduras militares. Para Puerta de Hierro acaso la obra más reveladora en torno al pensamiento político profundo de Juan Domingo Perón ha tenido acceso al corazón del archivo personal del líder y a una serie de colecciones de documentos que son publicados por primera vez en estas páginas. Arzú. Y el tiempo se me fue Méndez Vides, 2017-10-06 Durante más de dos años Méndez Vides escritor y periodista se reunió semanalmente con el político Iván Arzú. Se estableció limitar los encuentros a hora y media lo cual se respetó meticulosamente empezando en el minuto exacto e interrumpiendo la amena plática a la hora determinada aunque se deseara continuar fuera del límite previsto. En un momento dado las preguntas lograban pasar habilidosamente inadvertidas ante lo relevante del testimonio que iba desde un plano personal e íntimo hasta grandes acontecimientos históricos como la firma de los Acuerdos de Paz en 1996 sonados secuestros de guatemaltecos influyentes meses antes de concretarse dicha firma y que la hicieron tambalear y desde luego los entresijos del poder que Arzú conoce muy bien Iván Arzú presidente de Guatemala de 1996 a 2000 cinco veces alcalde de la ciudad de Guatemala e indiscutible y político líder político comparte su experiencia ante el escritor Méndez Vides respondiendo a sus incisivas preguntas Arzú reelecto como alcalde para el periodo 2016-2020 nos relata los últimos cincuenta años de la historia política de Guatemala. Sus seguidores opositores y rivales se buscarán en estas memorias políticamente incorrectas que no dejarán indiferente al lector.
