**The Crucible of Leadership**

# Presidential Government The Crucible Of Leadership

**R. A. W. Rhodes, Paul 't Hart**

## **Presidential Government The Crucible Of Leadership:**

**Presidential Government** James MacGregor Burns, 1966 *Congress and the Presidency* Michael Foley, John E. Owens, 1996 The authors emphasise the dynamism of America's foremost political institutions within a democratic system. They examine recent developments in relation to the wider context of United States politics and reassert the importance of institutions in understanding this unique political system. *The Presidency and Rhetorical Leadership* Leroy G. Dorsey, 2008-03-26 Successful presidential leadership depends upon words as well as deeds. In this multifaceted look at rhetorical leadership, twelve leading scholars in three different disciplines provide in-depth studies of how words have served or disserved American presidents. At the heart of rhetorical leadership lies the classical concept of prudence, practical wisdom that combines good sense with good character. From their disparate treatments of a range of presidencies, an underlying agreement emerges among the historians, political scientists, and communication scholars included in the volume: To be effective, they find, presidents must be able to articulate the common good in a particular situation and they must be credible on the basis of their own character. Who they are and what they can do are thus twin pillars of successful rhetorical leadership. Leroy G. Dorsey introduces these themes, and David Zarefsky picks them up in looking at the historical development of rhetorical leadership within the office of the presidency. Each succeeding chapter then examines the rhetorical leadership of a particular president, often within the context of a specific incident or challenge that marked his term in office. Chapters dealing with George Washington, John Adams, Thomas Jefferson, Theodore Roosevelt, Woodrow Wilson, Franklin Roosevelt, Dwight Eisenhower, Ronald Reagan, and Bill Clinton offer the specifics for a clearer understanding of how rhetoric serves leadership in the American presidency. This book provides an indispensable addition to the literature on the presidency and in leadership studies. *The Values of Presidential Leadership* J. Wren, 2007-11-12 Contributors address aspects of presidential leadership in essays on how presidential values are determined or constructed, how they are condoned and criticized, how they are packaged and conveyed, and how they are interpreted and acted upon. Includes scholars from communication, history, law, philosophy, political science, and psychology. **Presidential Leadership in the Americas since Independence** Guy Burton, Ted Goertzel, 2016-10-05 What is presidential leadership and why have some presidents been considered great or rather transformational while others are not? What are the drivers which distinguish these presidents from the rest? *Presidential Leadership in the Americas since Independence* answers these questions through a systematic study of leadership across the Americas over 200 years, from independence to the present day. Having surveyed who the most cited presidents are in the Americas, Guy Burton and Ted Goertzel examine the experience of presidents from across the western hemisphere: the US, Argentina, Brazil, Chile, Colombia, Mexico, Peru, and Venezuela. They study the relationship between these men and women's actions within the constraints they faced during four political periods: independence, national consolidation during the nineteenth century, state building from the late nineteenth to mid-twentieth

centuries and neoliberalism since the 1970s 80s The most transformational presidents are found to be those who are not only able to innovate and build new political consensus at a time of crisis but also consolidate them so that the reforms becoming lasting and extending beyond an individual president's own political even biological lifetime

**The Presidential Leadership Dilemma** Julia R. Azari, Lara M. Brown, Zim G. Nwokora, 2013-01-29 Throughout their time in office American presidents are often forced to choose between leading the nation and leading their party In an earlier time when the major parties were less polarized this leadership dilemma while challenging was not nearly as vexing as it is today American presidents now find themselves with little room to maneuver compelled to serve the Constitution on the one hand and yet caught within bitter partisan disputes and large numbers of unaffiliated voters on the other The contributors to this volume investigate how recent presidents have navigated these increasingly rocky political waters Focusing on campaign strategy presidential rhetoric relations with Congress domestic and foreign policy The Presidential Leadership Dilemma presents a wide ranging detailed and fascinating study of how contemporary presidents face the challenge at the heart of every presidency

*Presidential Leadership at the Crossroads* Michael J. Korzi, 2022-01-18 In *Presidential Leadership at the Crossroads* William Howard Taft and the Modern Presidency Michael J Korzi examines Taft's presidency against the backdrop of early twentieth century politics placing particular emphasis on Taft's theory of presidential leadership Though Taft's legacy is often overshadowed by those of Theodore Roosevelt and Woodrow Wilson his predecessor and successor respectively Taft's model of presidential leadership was complex and nuanced forged in a time of changing expectations at the crossroads between traditional and modern views of what the role of a president should be This focus on Taft's leadership adds new dimension to our understandings of the Progressive era and presidential leadership in general Ultimately Taft's leadership represented a middle ground position one that faced serious challenges from both conservative as well as radical forces particularly the latter While embodying some features of the modern presidency Taft's model also represented a partial challenge to and critique of modern presidential leadership Korzi reveals that Taft was considerably more modern in his leadership aspirations than previously thought and that his shift to traditionalism or conservatism only emerged with the threat of a third Roosevelt term on the horizon *Presidential Leadership at the Crossroads* makes an important contribution to our understanding of presidents and their leadership Taft's model is particularly relevant today given the prominence of the modern presidency and its values and expectations Taft's moderate middle way position provides a foundation for critiquing the excesses of the modern presidency while offering a vision for strong if disciplined presidential leadership

**The Powers of the Presidency**, 2013 This is a comprehensive and illustrative work on the historical and contemporary perspective on presidential powers guiding readers through the presidency as a constitutional office with many updated features from the previous edition

*The Presidency and Political Science: Paradigms of Presidential Power from the Founding to the Present* 2014 Raymond Tatalovich, Steven E Schier, 2014-12-18 This history of presidential studies

surveys the views of leading thinkers and scholars about the constitutional powers of the highest office in the land from the founding to the present

**Leadership and Legacy** Tom Lansford, Douglas M. Brattebo, Robert P. Watson, Casey Maugh Funderburk, 2021-02-01 Historic intriguing and important in so many ways the Obama presidency will be studied by scholars and students for years to come With the rise in hyperpartisanship legislative gridlock political dysfunction fake news and other negative trends it is imperative that academicians weigh in with a rigorous assessment of Obama's presidency This volume applies a variety of scholarly approaches to analyze the impact of Obama as a leader and policymaker Scholars from disciplines such as political science history environmental science economics and communication come together to provide an interdisciplinary and wide ranging appraisal of the president Across the varied chapters Obama's leadership is central to understanding the success or failure of his policies and initiatives The president's decisions and actions are also assessed against the constraints and possibilities created by the modern US political system rapid changes in technology and society and shifting patterns in international relations The result is a book that covers executive leadership administration domestic issues foreign and national security policy and more to present a comprehensive review of the Obama legacy

*The Oxford Handbook of Political Leadership* R. A. W. Rhodes, Paul 't Hart, 2014-05-29 Political leadership has made a comeback It was studied intensively not only by political scientists but also by political sociologists and psychologists Sovietologists political anthropologists and by scholars in comparative and development studies from the 1940s to the 1970s Thereafter the field lost its way with the rise of structuralism neo institutionalism and rational choice approaches to the study of politics government and governance Recently however students of politics have returned to studying the role of individual leaders and the exercise of leadership to explain political outcomes The list of topics is high endless elections conflict management public policy government popularity development governance networks and regional integration In the media age leaders are presented and stage managed spun DDL as the solution to almost every social problem Through the mass media and the Internet citizens and professional observers follow the rise impact and fall of senior political officeholders at closer quarters than ever before This Handbook encapsulates the resurgence by asking where are we today It orders the multidisciplinary field by identifying the distinct and distinctive contributions of the disciplines It meets the urgent need to take stock It brings together scholars from around the world encouraging a comparative perspective to provide a comprehensive coverage of all the major disciplines methods and regions It showcases both the normative and empirical traditions in political leadership studies and juxtaposes behavioural institutional and interpretive approaches It covers formal office based as well as informal emergent political leadership and in both democratic and undemocratic polities

**Leadership in American Politics** Jeffery A. Jenkins, Craig Volden, 2018-01-15 In the polarized governing environment of American politics today the problem of leadership becomes ever more pressing and ever more vexed What defines leadership what determines its importance and effectiveness and how does it differ from one sphere of influence to another these are the questions Leadership in American

Politics addresses in an effort to clarify the causes and consequences of the actions that public leaders take. The authors, prominent scholars from the major subfields of American politics, discuss the form and content of leadership in their areas of expertise across the spectrum of American government: the executive, legislative, and judicial branches; political parties; interest groups; bureaucracies; the states; and foreign policymaking. Combining historical, theoretical, and empirical approaches, their essays evaluate the constraints, opportunities, and influence of leadership in each area as well as the challenges of bridging different realms. At a time when understanding the nature and limits of leadership is more important than ever, this volume lays the groundwork for the systematic study of leadership within and across American political institutions.

*Debating the Presidency* Richard J. Ellis, Michael Nelson, 2019-12-20. The study of the presidency, the power of the office, the evolution of the executive as an institution, the men who have served, has generated a great body of research and scholarship. What better way to get students to grapple with the ideas of the literature than through conflicting perspectives on some of the most pivotal issues facing the modern presidency? Richard Ellis and Michael Nelson have once again assembled a cadre of top scholars to offer a series of pro/con essays that will inspire spirited debate beyond the pages of the book. Each essay, written in the form of a debate resolution, offers a compelling yet concise view on the American executive.

The Provisional Pulpit Brandon Rottinghaus, 2010-04-07. The cornerstone of the public presidency is the ability of the White House to influence, shape, and even manipulate public opinion. Ultimately, although much has been written about presidential leadership of opinion, we are still left with many questions pertaining to the success of presidential opinion leadership efforts throughout the modern presidency. What is still missing is a systematic, sequential approach to describe empirical trends in presidential leadership of public opinion in order to expand on important scholarly queries, to resolve empirical disputes in the literature, and to check the accuracy of conventional political wisdom on how, when, and under what conditions presidents lead public opinion. In *The Provisional Pulpit*, Brandon Rottinghaus develops a simple theory of presidential leadership, arguing that presidential messages are more likely to be received if there are fewer countervailing agents or messages to contradict the president's message. He concludes, based upon the findings presented in this book, that the bully pulpit is largely provisional for modern presidents. The more the president can avoid the political echo chamber associated with partisan battles or communications, the better the chance the president has to lead public opinion. *The Provisional Pulpit* adds an important layer of understanding to the issue of how and under what conditions presidents lead public opinion. All modern presidents clearly attempt to lead public opinion, often due to factors outside their control; they fail. This book is an exploration into how and when they succeed. *Presidential Institutions and Democratic Politics* Kurt von Mettenheim, 1997. While many comparative analysts see parliamentary government as essential for stable democracy, this volume argues that the American presidential system, that separates and diffuses power, can provide new perspectives for those building democratic institutions in Latin America, Eastern Europe, and the new republics of the former Soviet Union. The

authors recognize risks of rigidity gridlock and excessive centralization in presidential institutions But they also emphasize the unexpected levels of legislative productivity during periods of divided government the dramatic reversal of declining popularity by Presidents Reagan and Clinton and the importance of direct appeals by presidents to the nation After examining the American presidential system the authors focus on the de facto separation of powers in European parliaments and presidentialism in France Latin America and Eastern Europe Both trends in European parliamentary systems and the dramatic changes within French presidential institutions suggest that scholars should temper broad generalizations about presidential or parliamentary government

**In the Public Domain** Lori Cox Han, Diane J. Heith, 2006-06-01 Explores how recent presidents have managed communications with the American public

**Transforming Leadership** James MacGregor Burns, 2007-12-01 The New York Times bestselling author and Pulitzer Prize winner examines the history of leadership and the crucial role of leaders in a healthy democracy In *Transforming Leadership* James MacGregor Burns illuminates the evolution of leadership structures from the chieftains of tribal African societies through Europe's absolute monarchies to the blossoming of the Enlightenment's ideals of liberty and happiness during the American Revolution Along the way he looks at key breakthroughs in leadership and the towering leaders who attempted to transform their worlds Elizabeth I Washington Jefferson Gandhi Eleanor Roosevelt Gorbachev and others Culminating in a bold and innovative plan to address the greatest global leadership challenge of the twenty first century the long intractable problem of global poverty *Transforming Leadership* will spark lively discussion in classrooms and boardrooms throughout the country

*Recapturing the Oval Office* Brian Balogh, Bruce J. Schulman, 2015-09-04 Several generations of historians figuratively abandoned the Oval Office as the bastion of out of fashion stories of great men And now decades later the historical analysis of the American presidency remains on the outskirts of historical scholarship even as policy and political history have rebounded within the academy In *Recapturing the Oval Office* leading historians and social scientists forge an agenda for returning the study of the presidency to the mainstream practice of history and they chart how the study of the presidency can be integrated into historical narratives that combine rich analyses of political social and cultural history The authors demonstrate how bringing the presidency back in can deepen understanding of crucial questions regarding race relations religion and political economy The contributors illuminate the conditions that have both empowered and limited past presidents and thus show how social cultural and political contexts matter By making the history of the presidency a serious part of the scholarly agenda in the future historians have the opportunity to influence debates about the proper role of the president today Contributors Brian Balogh University of Virginia Michael A Bernstein Tulane University Kathryn Cramer Brownell Purdue University N D B Connolly The Johns Hopkins University Frank Costigliola University of Connecticut Gareth Davies University of Oxford Darren Dochuk Washington University Susan J Douglas University of Michigan Daniel J Galvin Northwestern University William I Hitchcock University of Virginia Cathie Jo Martin Boston University Alice O Connor University of California Santa

Barbara Bruce J Schulman Boston University Robert O Self Brown University Stephen Skowronek Yale University

Legislating Together Mark A. Peterson, 1990 Peterson investigates how recent presidents have engaged Congress on domestic policy issues Rejecting the presidency centered perspective on national government so firmly rooted in the popular imagination he argues that Congress's response to presidential initiatives is often far more cooperative than the presidency centered perspective suggests

The Presidential Republic Gary L. Gregg, 1997 For two centuries American presidents have considered themselves to be representatives of the American people In this detailed study of presidential representation Gary Gregg explores the theory history and consequences of presidents acting as representatives in the American political system Gregg explores questions such as what it means to be a representative how the Founding Fathers understood the place of the presidency in the Republic established by the Constitution and the effects a representational presidency has on deliberative democracy This important examination of the presidency's place in our political system is essential reading for those interested in American political theory constitutional studies and American history

## Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **Presidential Government The Crucible Of Leadership**

In a world inundated with monitors and the cacophony of instant conversation, the profound power and mental resonance of verbal artistry usually diminish into obscurity, eclipsed by the continuous assault of noise and distractions. ### **Presidential Government The Crucible Of Leadership Introduction**

In today's digital age, the availability of Presidential Government The Crucible Of Leadership books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Presidential Government The Crucible Of Leadership books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Presidential Government The Crucible Of Leadership books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Presidential Government The Crucible Of Leadership versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Presidential Government The Crucible Of Leadership books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Presidential Government The Crucible Of Leadership books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed

and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Presidential Government The Crucible Of Leadership books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Presidential Government The Crucible Of Leadership books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Presidential Government The Crucible Of Leadership books and manuals for download and embark on your journey of knowledge?

### **FAQs About Presidential Government The Crucible Of Leadership Books**

1. Where can I buy Presidential Government The Crucible Of Leadership books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Presidential Government The Crucible Of Leadership book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Presidential Government The Crucible Of Leadership books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Presidential Government The Crucible Of Leadership audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Presidential Government The Crucible Of Leadership books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
