Heteroactivism Catherine Jean Nash, Kath Browne, 2020-10-29 Around the world LGBTQ activists have won an unprecedented series of political victories from marriage equality to increased representation in government But this success has sparked a backlash While there has been much scrutiny of the role of the Christian right in opposing LGBTQ equality in the US the backlash goes far beyond these traditional elements and also extends beyond the US to countries including the UK Ireland and Canada In this book Nash and Browne consider the rise of the new heteroactivism showing how social media and new sources of funding have reinvigorated the opponents of LGBTQ rights They also show how the rhetoric and tactics of this new generation of heteroactivists differ from that of their predecessors exploiting notions of parental rights and freedom of speech to assert heteronormative values in spaces ranging from schools to workplaces They also reveal the increasingly transnational nature of anti LGBTQ activism with growing links between heteroactivists in the US UK and beyond *The Presidential Prayer Team Devotional* Megan Gillan, Presidential Prayer Team, 2003 Designed to help Christians pray for the leaders of our nation this devotional directs believers with meditations that focus on the specific needs of the White House Focusing on the impact of intercessory prayer inspirational thoughts from national and Christian leaders throughout history act as a stepping stone for continued daily prayer on behalf of one's country at both a national and international level This companion gift book builds on the over 1.2 million pledges of those who have already committed to daily prayer for the President via The Presidential Prayer Team organization and website **How Trump and the Christian Right Saved**
