**Film and the American Presidency** Jeff Menne, Christian B. Long, 2015-02-20 The contention of *Film and the American Presidency* is that over the twentieth century the cinema has been a silent partner in setting the parameters of what we might call the presidential imaginary This volume surveys the partnership in its longevity placing stress on especially iconic presidents such as Lincoln and FDR The contributions to this collection probe the rich interactions between these high institutions of culture and politics Hollywood and the presidency and argue that not only did Hollywood acting become an idiom for presidential style but that Hollywood early on understood its own identity through the presidency's peculiar mix of national epic and unified protagonist Additionally they contend that studios often made their films to sway political outcomes that the performance of presidential personae has been constrained by the kinds of bodies for so long white and male that have occupied the office such that presidential embodiment obscures the body politic and that Hollywood and the presidency may finally be nothing more than

**Documentary** Thomas W Benson, Brian J Snee, 2008-05-23 The Rhetoric of the New Political Documentary explores the most visible and volatile element in the 2004 presidential campaign the partisan documentary film This collection of original critical essays by leading scholars and critics including Shawn J and Trevor Parry Giles Jennifer L Borda and Martin J Medhurst analyzes a selection of political documentaries that appeared during the 2004 election season The editors examine the new political documentary with the tools of rhetorical criticism combining close textual analysis with a consideration of the historical context and the production and reception of the films The essays address the distinctive rhetoric of the new political documentary with the films typically having been shot with relatively low budgets in video and using interviews and stock footage rather than observation of uncontrolled behavior The quality was often good enough and interest was sufficiently intense that the films were shown in theaters and on television which provided legitimacy and visibility before they were released soon afterwards on DVD and VHS and marketed on the Internet The volume reviews such films as Michael Moore's Fahrenheit 9/11 two refutations of Moore's film Fahrenheit 9/11 and Celsius 41/11 Unprecedented The 2000 Presidential Election and George W Bush Faith in the White House films that experimented with a variety of angles and rhetorics from a mix of comic disparagement and earnest confrontation to various emulations of traditional news and documentary voices The Rhetoric of the New Political Documentary represents the continued transformation of American political discourse in a partisan and contentious time and showcases the independent voices and the political power brokers that struggled to find new ways to debate the status quo and employ surrogate independents to create a counterrhetoric

### **Becoming Ronald Reagan Robert Mann,2019-10-01**

In the 1960s transitioning from acting to politics was rare Ronald Reagan was not the first to do it but he was the first to jump from the screen to the stump and on to credibility as a presidential contender Reagan s transformation from struggling liberal actor to influential conservative spokesman in five years and then to the California governorship six years later is a remarkable and compelling story In Becoming Ronald Reagan Robert Mann explores Reagan s early life and his career during the 1950s and early 1960s his growing desire for acclaim in high school and college his political awakening as a young Hollywood actor his ideological evolution in the 1950s as he traveled the country for General Electric the refining of his political skills during this period his growing aversion to big government and his disdain for the totalitarian leaders in the Soviet Union and elsewhere All these experiences and more shaped Reagan s politics and influenced his career as an elected official Mann not only demonstrates how Reagan the actor became Reagan the political leader and how the liberal became a conservative he also shows how the skills Reagan learned and the lessons he absorbed from 1954 to 1964 made him the inspiring leader so many Americans remember and revere to this day Becoming Ronald Reagan is an indelible portrait of a true American icon and a politician like none other Purchase the audio edition

### **Daisy Petals and Mushroom Clouds**

Robert Mann,2011-11-07 The grainy black and white television ad shows a young girl in a flower filled meadow holding a daisy and plucking its petals which she counts one by one As the camera slowly zooms in on her eye a man s solemn countdown replaces hers At zero the little girl s eye is engulfed by an atomic mushroom cloud As the inferno roils in the background President Lyndon B Johnson s voice intones These are the stakes to make a world in which all of God s children can live or to go into the dark We must either love each other or we must die In this thought provoking and highly readable book Robert Mann provides a concise engaging study of the Daisy Girl ad widely acknowledged as the most important and memorable political ad in American history Commissioned by Johnson s campaign and aired only once during Johnson s 1964 presidential contest against Barry Goldwater it remains an iconic piece of electoral propaganda intertwining cold war fears of nuclear annihilation with the increasingly savvy world of media and advertising Mann presents a nuanced view of how Johnson s campaign successfully cast Barry Goldwater as a radical too dangerous to control the nation s nuclear arsenal a depiction that sparked immediate controversy across the United States Repeatedly analyzed in countless books and articles the spot purportedly destroyed Goldwater s presidential campaign Although that degree of impact on the Goldwater campaign is debatable what is certain is that the ad ushered in a new era of political advertising using emotional appeals as a routine aspect of campaign strategy
