

THE ELECTION OF

1916

Presidential Electin Of 1916

S. D. Lovell

Presidential Electin Of 1916:

The Presidential Election of 1916 S. D. Lovell, 1980 This is the first historical account of one of the closest presidential elections on record the 1916 race in which incumbent Woodrow Wilson defeated Republican Charles Evans Hughes by 600 000 popular votes but by a mere 23 electoral votes S D Lovell analyzes the candidates the times and the issues during one of the most issue oriented campaigns in history America was facing the war in Europe sparring with Mexico and undergoing a painful adjustment from an agrarian to an industrial society Other issues included women's suffrage labor vs business prohibition and the economy Wilson defeated Hughes in California which he had to do to win the election by only 4 000 votes Slightly more than 2 000 votes cast the other way would have given the electoral majority and the presidency to Hughes even though Wilson still would have won the popular majority The candidates were similar in politics and temperament But a small modification by either of them on any issue might have altered world history The First Modern Clash over Federal Power Lewis L. Gould, 2016-08-13 Fully examined for the first time in this engrossing book by one of America's preeminent presidential scholars the election that pitted Woodrow Wilson against Charles Evan Hughes emerges as a clear template for the partisan differences of the modern era The 1916 election dramatically enacted the two parties fast evolving philosophies about the role and reach of federal power Lewis Gould reveals how even more than in the celebrated election of 1912 the parties divided along class based lines in 1916 with the Wilson campaign in many respects anticipating the New Deal while the Republicans adopted the small government anti union and anti regulation positions they have embraced ever since The Republicans dismissed Wilson's 1912 win as a fluke the result of Theodore Roosevelt's Progressive apostasy splitting the party But in US Supreme Court Justice Hughes whose electoral prowess had been proven in two successful runs for governor of New York the Republicans had anointed a flawed campaigner whose missteps in California sealed his fate very late in the election Wilson's strong performance as the head of a united Democratic government for the first time since 1894 along with Americans uncertainty about the outbreak of war in Europe led to victory Along with the ins and outs of the race itself Gould's book explores the election's broader meaning as for the first time the popular election of the Senate coincided with a presidential election and the women's suffrage movement gathered steam The year 1916 also marked the restoration of a two party competition for president and as we see in this enlightening book the beginning of the two party battle for the hearts and minds of Americans that continues to this day *Presidential Elections, 1789-2008* Donald Richard Deskins, Hanes Walton, Sherman C. Puckett, 2010 Hanes Walton Donald Deskins and Sherman Puckett have produced a highly impressive collection and valuable contribution to the literature on American electoral politics This work is indispensable for academic libraries political scientists historians and serious students of American government Immanuel Ness Professor Department of Political Science Brooklyn College City University of New York Massive amounts of information about presidential elections which are not readily available elsewhere Unprecedented coverage in one volume of every single

American presidential election James Gimpel Professor of Government University of Maryland This is an extraordinary research endeavor the most comprehensive set of aggregate election data ever assembled Painstakingly researched this color coded volume presents data for every presidential election from 1789 to 2008 Unlike most the wide ranging narrative for this atlas identifies racial patterns in the vote Everyone who studies or is interested in presidential elections should have this impressive collection of statistical data in their libraries A visual gem for the digital age Robert Smith Professor of Political Science San Francisco State University Presidential Elections 1789 2008 is a genuine tour de force that captures in an extremely accessible and comprehensive way the electoral geography of America s presidential elections from Washington to Obama An invaluable addition to the library of all those interested in presidential elections and U S politics Marion Orr Frederick Lippitt Professor of Public Policy and Professor of Political Science Brown University This volume sets an extraordinarily high standard in scholarship completeness description and explanation of our political process It has been said that all politics are local but never before has this been demonstrated with such clarity and panache using the simple method of standardized tables summarizing voting then showing state and county breakdowns of the numbers greatly strengthened by beautiful full color maps and cartograms Every scholar of politics and democracy will benefit from the work laid out in this volume Keith Clarke Professor of Geography University of California Santa Barbara Presidential Elections is an almanac of the popular vote in every presidential election in American history analyzed at the county level with histories of each campaign graphs and stunning four color maps Most Americans are familiar with the crude red state blue state maps used by commentators and campaign strategists and even for want of an alternative by many academics In providing a higher resolution view of voting behavior the authors of this new volume enable examination of local and regional political trends that are invisible in state level aggregations Presidential Elections will enable scholars to more subtly analyze voting behavior campaigns and presidential politics commentators will use it to analyze trends and trace the historical evolution of new coalitions and voting blocs strategists will use it to plan campaigns and mobilize constituencies Presidential Elections will become the standard almanac on the subject a required resource for academic and public libraries as well as for scholars consultants and pundits nationwide Donald R Deskins Jr is a political geographer and Emeritus Professor of Sociology and a former Associate Dean of the Horace H Rackham School of Graduate Studies at the University of Michigan Hanes Walton Jr is Professor of Political Science at the University of Michigan He also holds positions as Senior Research Scientist at the Center for Political Studies and as a faculty member in the Center for Afroamerican and African Studies Sherman C Puckett is a Ph D graduate of the University of Michigan in urban and regional planning He was a mayoral appointee in the data processing department of the Coleman A Young administration in the City of Detroit and recently retired from Wayne County government as manager of technology geographic information systems and development of maintenance management systems

Presidential Electin Of 1916 Introduction

In todays digital age, the availability of Presidential Electin Of 1916 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Presidential Electin Of 1916 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Presidential Electin Of 1916 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Presidential Electin Of 1916 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Presidential Electin Of 1916 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Presidential Electin Of 1916 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Presidential Electin Of 1916 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts

millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Presidential Electin Of 1916 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Presidential Electin Of 1916 books and manuals for download and embark on your journey of knowledge?
