Peake**

Presidential Influence And The Administrative State:

Presidential Influence and the Administrative State Richard W. Waterman, 1989
Examination of Federal Rulemaking, S.HRG. 114-682, April 20, 2016, 114-2, 2017
The Administrative State: An Examination of Federal Rulemaking, S.HRG. 114-682, April 20, 2016, 114-2, 2017
Judicializing the Administrative State Hiroshi Okayama, 2019-05-10 A basic feature of the modern US administrative state taken for granted by legal scholars but neglected by political scientists and historians is its strong judiciary. Formal or court like adjudication was the primary method of first order agency policy making during the first half of the twentieth century. Even today most US administrative agencies hire administrative law judges and other adjudicators conducting hearings using formal procedures autonomously from the agency head. No other industrialized democracy has even come close to experiencing the systematic state judicialization that took place in the United States. Why did the American administrative state become highly judicialized rather than developing a more efficiency oriented Weberian bureaucracy? Legal scholars argue that lawyers as a profession imposed the judicial procedures they were the most familiar with on agencies. But this explanation fails to show why the judicialization took place only in the United States at the time it did. Okayama demonstrates that the American institutional combination of common law and the presidential system favored policy implementation through formal procedures by autonomous agencies and that it induced the creation and development of independent regulatory commissions explicitly modeled after courts from the late nineteenth century. These commissions judicialized the state not only through their proliferation but also through the diffusion of their formal procedures to executive agencies over the next half century which led to a highly fairness oriented administrative state.

[Presidential-Congressional Relations](#) Steven A. Shull, 2000 Examines how presidents and Congress work together
[International Encyclopedia of Public Policy and Administration Volume 1](#) Jay Shafritz, 2019-03-01 This is the first volume of a four volume encyclopaedia which combines public administration and policy and contains approximately 900 articles by over 300 specialists. This Volume covers entries from A to C. It covers all of the core concepts, terms and processes of applied behavioural science, budgeting, comparative public administration, development.

Guide to the Presidency and the Executive Branch Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency. Readers turn to *Guide to the Presidency and the Executive Branch* for its wealth of facts and analytical chapters that explain the structure, powers and operations of the office and the president's relationship with Congress and the Supreme Court. The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency, the 2008 election and the first 3 years of the presidency of Barack Obama. This includes coverage of their handling of the economic crisis, wars abroad and Obama's healthcare initiatives. The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated. Origins and Development of the Presidency including constitutional beginnings, history.

of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president's role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions

The Oxford Handbook of the American Presidency George C. Edwards III, William G. Howell, 2009-08-06 As the central feature on the American political landscape it is only natural that scholars and commentators focus on the presidency So much is written about the subject in fact that it is often difficult to know where we stand in our understanding of it The Oxford Handbook of the American Presidency will help scholars assess the state of scholarship on the presidency and the directions in which it needs to move Never before has the academic literature on the American presidency received such an extended treatment Nearly three dozen chapters critically assess both the major contributions to a literature on a dimension of the presidency and the ways in which the literature has developed The authors of each chapter seek to identify weaknesses in the existing literature be they logical flaws methodological errors oversights or some combination therein and to offer their views about especially productive lines of future inquiry Equally important the authors also identify areas of research that are unlikely to bear additional fruits These chapters offer a distinctive point of view an argument about the successes and failures of past scholarship and a set of recommendations about how future work ought to develop Thus this volume will help set the agenda for research on the presidency for the next decade The Oxford Handbooks of American Politics are a set of reference books offering authoritative and engaging critical overviews of the state of scholarship on American politics Each volume focuses on a particular aspect of the field The project is under the General Editorship of George C Edwards III and distinguished specialists in their respective fields edit each volume The Handbooks aim not just to report on the discipline but also to shape it as scholars critically assess the scholarship on a topic and propose directions in which it needs to move The series is an indispensable reference for anyone working in American politics General Editor for

The Oxford Handbooks of American Politics George C Edwards III **Presidential Rhetoric and the Public Agenda**
 Andrew B. Whitford, Jeff Yates, 2009-11 The bully pulpit is one of the modern president's most powerful tools and one of the most elusive to measure Presidential Rhetoric and the Public Agenda uses the war on drugs as a case study to explore whether and how a president's public statements affect the formation and carrying out of policy in the United States When in June 1971 President Richard M Nixon initiated the modern war on drugs he did so with rhetorical flourish and force setting in motion a federal policy that has been largely followed for more than three decades Using qualitative and quantitative measurements Andrew B Whitford and Jeff Yates examine presidential proclamations about battling illicit drug use and their effect on the enforcement of anti drug laws at the national state and local level They analyze specific pronouncements and the social and political contexts in which they are made examine the relationship between presidential leadership in the war on drugs and the policy agenda of the Drug Enforcement Administration and the U S Attorneys and assess how closely a president's drug policy is implemented in local jurisdictions In evaluating the data this sophisticated study of presidential leadership shows clearly that with careful consideration of issues and pronouncements a president can effectively harness the bully pulpit to drive policy *A Companion to Richard M. Nixon* Melvin Small, 2013-05-03 This companion offers an overview of Richard M Nixon's life presidency and legacy as well as a detailed look at the evolution and current state of Nixon scholarship Examines the central arguments and scholarly debates that surround his term in office Explores Nixon's legacy and the historical significance of his years as president Covers the full range of topics from his campaigns for Congress to his career as Vice President to his presidency and Watergate Makes extensive use of the recent paper and electronic releases from the Nixon Presidential Materials Project **The Oxford Handbook of American Bureaucracy**
 Robert F. Durant, 2012-08-02 One of the major dilemmas facing the administrative state in the United States today is discerning how best to harness for public purposes the dynamism of markets the passion and commitment of nonprofit and volunteer organizations and the public interest oriented expertise of the career civil service Researchers across a variety of disciplines fields and subfields have independently investigated aspects of the formidable challenges choices and opportunities this dilemma poses for governance democratic constitutionalism and theory building This literature is vast affords multiple and conflicting perspectives is methodologically diverse and is fragmented The Oxford Handbook of American Bureaucracy affords readers an uncommon overview and integration of this eclectic body of knowledge as adduced by many of its most respected researchers Each of the chapters identifies major issues and trends critically takes stock of the state of knowledge and ponders where future research is most promising Unprecedented in scope methodological diversity scholarly viewpoint and substantive integration this volume is invaluable for assessing where the study of American bureaucracy stands at the end of the first decade of the 21st century and where leading scholars think it should go in the future The Oxford Handbooks of American Politics are a set of reference books offering authoritative and engaging critical

overviews of the state of scholarship on American politics Each volume focuses on a particular aspect of the field The project is under the General Editorship of George C Edwards III and distinguished specialists in their respective fields edit each volume The Handbooks aim not just to report on the discipline but also to shape it as scholars critically assess the scholarship on a topic and propose directions in which it needs to move The series is an indispensable reference for anyone working in American politics General Editor for The Oxford Handbooks of American Politics George C Edwards III

The Presidential Dilemma Michael A. Genovese, 2017-07-28 This brief thought provoking text evaluates the performance of recent presidents from Johnson to Bush finding that overall each has failed to live up to public expectations Written by one of the top presidency scholars today The Presidential Dilemma reflects on the idea that as our country's problems grow our politicians seem to shrink Arguing that American presidents of the last 40 years have largely failed to meet the needs expectations and responsibilities placed upon them the book discusses how presidents might better maximize their opportunities for leadership and suggests a distinctive theory of presidential politics presidents facing a system of multiple veto points seek to maximize power and influence The third edition of Genovese's stimulating book is thoroughly updated to reflect presidential development in recent years and a new introduction brings his arguments current As he demonstrates the emergence of democracy as a new social and political paradigm undermined traditional authority and legitimacy Subjects no longer automatically follow now citizens must be persuaded They may give to a leader their authority and power or not As Genovese notes in a world of mass consumerism those wishing to lead have precious little to offer by way of inducement Genovese's goal is to examine the reasons why the performance of recent presidents has been underwhelming discuss how they might maximize their opportunities for leadership and ask a key question Can presidents be both powerful and accountable The book follows a clear format and tries to show why America's officeholders have so rarely been leaders and how presidents can become leaders instead of mere officeholders

The American Presidency Irwin L. Morris, 2010-08-15 Presidential scholars increasingly turn to science to address the fundamental issues in the field but undergraduates are rarely taught the skills to do the same The American Presidency introduces students to new insights produced by the scientific study of the presidency and the scientific endeavor itself After chapters on the scientific study of the presidency and background information on the presidency the text discusses prominent theories of presidential power Chapters on presidential elections the president's relationship with other political actors such as Congress and the Supreme Court the president's role in foreign and economic policy and presidential greatness include guided research exercises that provide students with the opportunity to apply the scientific method to empirical questions with significant theoretical content The American Presidency provides students with the opportunity to learn about the presidency and enables them to draw their own reasoned conclusions about the nature of presidential power

The Unitary Presidency Graham Dodds, 2019-08-05 The theory of the unitary executive is one of the most controversial and significant constitutional doctrines of the past several

decades It holds that the U S president alone embodies all executive power and therefore has unlimited ability to direct the many people and institutions within the federal government s vast executive branch It thus justifies the president s prerogative to organize the executive branch and to direct its activities to tell executive personnel what to do and to fire them if desired to control the flow of information and to issue signing statements that make judgments about constitutionality and determine the extent to which laws will be implemented In some versions it also endorses implied or inherent powers and permits the president to completely control foreign policy and military action Proponents say this conception of the presidential office is faithful to the Constitution facilitates the sort of energetic executive that Alexander Hamilton argued for and enhances administrative efficacy and political accountability for governance Critics say this arrangement is constitutionally inaccurate is belied by historical practice and legal precedents and is dangerously close to the monarchical power that provoked the American Revolution and can be especially threatening in the era of Donald Trump This book examines how controversies about unitary executive power have played out from the founding era to the present day with a focus on recent presidents it explores arguments both for and against the unitary executive theory and it looks ahead to future implications for American politics

Congress, the President, and the Federal Reserve Irwin Lester Morris, 2002

Explores the power of the President and Congress over the Federal Reserve

Managing the President's Program Andrew Rudalevige, 2018-06-26 The belief that U S presidents legislative policy formation has centralized over time shifting inexorably out of the executive departments and into the White House is shared by many who have studied the American presidency Andrew Rudalevige argues that such a linear trend is neither at all certain nor necessary for policy promotion In *Managing the President's Program* he presents a far more complex and interesting picture of the use of presidential staff Drawing on transaction cost theory Rudalevige constructs a framework of contingent centralization to predict when presidents will use White House and or departmental staff resources for policy formulation He backs his assertions through an unprecedented quantitative analysis of a new data set of policy proposals covering almost fifty years of the postwar era from Truman to Clinton Rudalevige finds that presidents are not bound by a relentless compulsion to centralize but follow a more subtle strategy of staff allocation that makes efficient use of limited bargaining resources New items and for example those spanning agency jurisdictions are most likely to be centralized complex items follow a mixed process The availability of expertise outside the White House diminishes centralization However while centralization is a management strategy appropriate for engaging the wider executive branch it can imperil an item s fate in Congress Thus as this well written book makes plain presidential leadership hinges on hard choices as presidents seek to simultaneously manage the executive branch and attain legislative success

Breaking Through the Noise Matthew Eshbaugh-Soha, Jeffrey S.

Peake, 2011-08-15 Modern presidents engage in public leadership through national television addresses routine speechmaking and by speaking to local audiences With these strategies presidents tend to influence the media s agenda In

fact presidential leadership of the news media provides an important avenue for indirect presidential leadership of the public the president's ultimate target audience Although frequently left out of sophisticated treatments of the public presidency the media are directly incorporated into this book's theoretical approach and analysis The authors find that when the public expresses real concern about an issue such as high unemployment the president tends to be responsive But when the president gives attention to an issue in which the public does not have a preexisting interest he can expect through the news media to directly influence public opinion Eshbaugh-Soha and Peake offer key insights on when presidents are likely to have their greatest leadership successes and demonstrate that presidents can indeed break through the noise of news coverage to lead the public agenda

Missed Opportunity E. D. Dover, 2002-03-30 While the 2000 presidential election had a number of unique features including the decisive role of the Supreme Court it actually was quite similar to three earlier television age campaigns For the fourth time since 1960 an incumbent president retired and his party nominated the vice president as a potential successor The nomination of the vice president has become so commonplace that we now expect it Unfortunately we lack theoretical explanations of why vice presidents win nominations while often losing the general election Dover seeks to advance this needed theory Dover looks at the recurring features of television age elections with surrogate incumbents and applies them to a description of the leading events of Election 2000 The emphasis is on mediated incumbency a phenomenon that occurs when mass media particularly television exert enormous influence in defining the context and meaning of politics for most voters The first topics considered are the growth of the modern vice presidency and the nature of surrogate incumbent elections The outcome of such elections often turns on how effectively the vice president and his opponent overcome dilemmas unique to their strategic positions as incumbent or challenger Dover then describes the campaign from January 1999 through December 2000 from the perspective of television news media and shows how Gore failed to overcome his dilemma during a time marked by peace and prosperity The text is an important resource for scholars students and other researchers involved with American elections political communication and the American presidency

Debating the Presidency Richard J. Ellis, Michael Nelson, 2017-01-02 Editors Richard J. Ellis and Michael Nelson have once again assembled a cadre of top presidential scholars to offer a series of pro-con essays that will inspire spirited debate in *Debating the Presidency* *Debating the Presidency: Conflicting Perspectives on the American Executive* Fourth Edition offers a compelling yet concise view of contemporary topics relevant to the American executive Each pair of debate resolution style essays is written specifically for this volume and offers a compelling yet concise view of a topic relevant to the American executive Editors Richard J. Ellis and Michael Nelson offer brief chapter introductions that provide context In this edition several new arguments are presented on topics such as executive orders Pro Gene Healy Con Andrew Rudalevige abolishment of the vice presidency Pro Douglas L. Kriner Con Joel K. Goldstein and the effect of new media on the public's view of the presidency Pro Matthew R. Kerbel Con Jeffrey E. Cohen

The President's Agenda Paul Light, 1999 Although

there are important differences between the two Presidents not the least of which is Bush's high proportion of small scale old ideas the two share a pronounced tendency to look backward for inspiration rather than forward from the Preface Bitter Harvest Matthew J. Dickinson, 1999-02-13 Bitter Harvest identifies the principles governing Franklin Roosevelt's development and use of a presidential staff system and offers a theory explaining why those principles proved so effective Dickinson argues that presidents institutionalize staff to acquire the information and expertise necessary to better predict the likely impact their specific bargaining choices will have on the end results they desire Once institutionalized however presidential staff must be managed Roosevelt's use of competitive administrative techniques minimized his staff management costs while his institutionalization of nonpartisan staff agencies provided him with needed information Matthew Dickinson's research suggests that FDR's principles could be used today to manage the White House staff dominated institutional presidency upon which most of his presidential successors have relied

Presidential Influence And The Administrative State Introduction

In the digital age, access to information has become easier than ever before. The ability to download Presidential Influence And The Administrative State has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Presidential Influence And The Administrative State has opened up a world of possibilities. Downloading Presidential Influence And The Administrative State provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Presidential Influence And The Administrative State has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Presidential Influence And The Administrative State. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Presidential Influence And The Administrative State. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Presidential Influence And The Administrative State, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software

installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Presidential Influence And The Administrative State has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Presidential Influence And The Administrative State Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Presidential Influence And The Administrative State is one of the best book in our library for free trial. We provide copy of Presidential Influence And The Administrative State in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Presidential Influence And The Administrative State. Where to download Presidential Influence And The Administrative State online for free? Are you looking for Presidential Influence And The Administrative State PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Presidential Influence And The Administrative State. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Presidential Influence And The Administrative State are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get

free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Presidential Influence And The Administrative State. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Presidential Influence And The Administrative State To get started finding Presidential Influence And The Administrative State, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Presidential Influence And The Administrative State So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Presidential Influence And The Administrative State. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Presidential Influence And The Administrative State, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Presidential Influence And The Administrative State is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Presidential Influence And The Administrative State is universally compatible with any devices to read.
