Presidential Sins:

Weekly Compilation of Presidential Documents, 1978 *Presidential Campaign Rhetoric in an Age of Confessional Politics* Brian T. Kaylor, 2010-12-28 When a Bible quoting Sunday School teacher Jimmy Carter won the 1976 presidential election it marked the start of a new era of presidential campaign discourse The successful candidates since then have followed Carter's lead in publicly testifying about their personal religious beliefs and invoking God to justify their public policy positions and their political visions With this new confessional political style the candidates have repudiated the former perspective of a civil religious contract that kept political leaders from being too religious and religious leaders from being too political *Presidential Campaign Rhetoric in the Age of Confessional Politics* analyzes the religious political discourse used by presidential nominees from 1976 2008 and then describes key characteristics of their confessional rhetoric that represent a substantial shift from the tenets of the civil religious contract This new confessional political style is characterized by religious political rhetoric that is testimonial partisan sectarian and liturgical in nature In order to understand why candidates have radically adjusted their God talk on the campaign trail important religious political shifts in American society since the 1950s are examined which demonstrate the rhetorical demands evangelical religious leaders have placed upon our would be national leaders Brian T Kaylor utilizes Michel Foucault's work on the confession with theoretical adjustments to critique the significant problems of the confessional political era With clear analyses and unsettling relevance Kaylor's critique of contemporary political discourse will rouse the interest and concern of engaged citizens everywhere [Christian Ethics Introduced](#) Hans O. Tiefel, 2024-03-11 *Christian Ethics Introduced* asks why humans count as ends in themselves The biblical answer was is that humans have standing inherent worth as creatures in the image of God This traditional answer yielded to seventeenth and eighteenth century enlightenment secularism To these secularists human reason promised to be a surer and more peaceable foundation for a just culture than religion Human rationality the light of human reason would enlighten and improve the human condition Two world wars and more realistic trends in new social sciences created not just awareness of human irrationality but fostered skepticism of sound foundations for morality and justice It seemed that both traditional religion and enlightened reason fell short of what had been hoped And the cause of failure may not lie in traditional religion or in human irrationality Rather the problem might lie in human conduct Specifically it may lie in the human inclination to favor self over others of the me outranking the we Christian responses to the human failure to live a moral and just life recognize the persistence of immoral conduct acknowledge it in regard to oneself ask for forgiveness and make amends and peace with God and with those wronged *Prophets and Bad Guys* Richard Staples, 2010-05 Mohammad Baghai a Muslim terrorist who is about to execute an American suddenly releases his hostage for no apparent reason He sneaks into the United States converts to Christianity and then surrenders to the FBI Casey Edgars a prominent televangelist proclaims Baghai to be a prophet of God and demands a presidential pardon When President Jennifer Hays refuses she faces

an impeachment movement led by partisan politicians Hays is able to use a terrorist attack in America and exploit an anomaly in the Constitution to defeat her political enemies Set in the far flung areas of Pensacola Florida Dahlonaga Georgia and Washington D C this religious political thriller is a contemporary nail biter The debut novel of author Richard Staples was inspired by the book 23 Minutes in Hell by Bill Wiese He lives in Atlanta with Jackie his wife of 24 years His next book is about ghosts and spirits and their inability to move on to the afterlife Publisher s website <http://www.strategicpublishinggroup.com> title ProphetsAndBadGuys htm

Jimmy Carter and the Restoration of Presidential Dignity Jason

Friedman,2020-01-17 The office of the President of the United States was plagued by scandals in the early 1970s When Jimmy Carter ran for office in 1976 the nation was still struggling to process the Vietnam War and Watergate Questionable presidential decisions prolonged a quagmire in Asia Richard Nixon s illegal surveillance broke the people s trust and Gerald Ford s subsequent pardon of Nixon irrevocably sullied his relationship with the American people Jimmy Carter sought to be the transparent trustworthy leader that the nation demanded Based on archival research and government documents this book explores the steps Carter took during his presidency and how Congress reacted to them Though Carter was not elected for a second term this detailed history makes the case that his legacy has been misrepresented and that he should not be remembered as a failed president but as a man who restored dignity to an office burdened by controversy

The Hijacking of the American Political System Kodzo Mawusi,2010-08-31 Mr Kodzo Mawusi is a charismatic Roman Catholic Evangelist and Theologian He is an active member of St John Bosco parish a member of the Parish Council Stewardship Committee and leads their Prayer and Bible Study group After graduating and working for years in engineering decided to pursue theological studies He received his Bachelor of Theology degree from Newman Theological College in 1998 and the Master of Theology degree from St Andrew s College University of Saskatchewan Saskatoon in 2003 He is an inspiring speaker on social and religious or spiritual issues and have authored books on these subjects He is an ordained minister of the Gospel and an affiliate of the Hunter and Joan Hunter Ministries His interest in social justice led him to take a closer look at the impact of politics on our social lives globally The central theme of his message to all politicians is to transform their lives into real leaders capable of standing for morality and personal dignity in society To refrain from their hypocritical behaviours and show proper leadership qualities to make the world a better place for all

Irony and Outrage Dannagal Goldthwaite Young,2020 This text explores the aesthetics underlying logics and histories of two seemingly distinct genres liberal political satire and conservative opinion talk making the case that they should be thought of as the logical extensions of the psychology of the left and right respectively

Original Sin Jake Tapper,Alex Thompson,2025-06-10 From two of America s most respected journalists an unflinching and explosive reckoning with one of the most fateful decisions in American political history Joe Biden s run for reelection despite evidence of his serious decline amid desperate efforts to hide the extent of that deterioration In Greek tragedy the protagonist s effort to avoid his fate is what seals his fate In 2024 American politics

became a Greek tragedy Joe Biden launched his successful 2020 bid for the White House with the stated goal of saving the nation from a second Trump presidential term He his family and his senior aides were so convinced that only he could beat Trump again they lied to themselves allies and the public about his condition and limitations At his debate with Trump on June 27 2024 the consequences of that deception were exposed to the world It was shocking and upsetting Now the full unsettling truth is being told for the first time Jake Tapper and Alex Thompson take us behind closed doors and into private conversations between the heaviest of hitters revealing how big the problem was and how many people knew about it From White House staffers at the highest to lowest levels to leaders of Congress and the Cabinet from governors to donors and Hollywood players the truth is finally being told What you will learn makes President Biden s decision to run for reelection seem shockingly narcissistic self delusional and reckless a desperate bet that went bust and part of a larger act of extended public deception that has few precedents The story the authors tell raises fundamental issues of accountability and responsibility that will continue for decades The irony is biting In the name of defeating what they called an existential threat to democracy Biden and his inner circle ensured it tossing aside his implicit promise to serve for only one term denying the existence of health issues the nation had been watching for years dooming the Democrats to defeat The decision to run again the Original Sin of this president led to a campaign of denial and gaslighting leading directly to Donald Trump s return to power and all that has happened as a consequence Rarely does hubris meet nemesis more explosively Wherever you stand on the political spectrum Original Sin is essential reading

Public Papers of the Presidents of the United States: Jimmy Carter, 1978 Carter, Jimmy, 1979-01-01 Public Papers of the Presidents of the United States *The Politics of Moral Sin* Merike Blofield, 2013-09-13 This book analyzes the problems that arise when women s rights conflict with the views of conservative organized religion Specifically it addresses the legalization or lack thereof of divorce and abortion in three recently democratized Catholic countries Spain Chile and Argentina Offering a vital and timely contribution to political debates on democratic consolidation social policy gender politics and religion it challenges many of the accepted assumptions and conclusions in these fields arguing that to understand the political dynamics and policy trajectories on these issues we must first analyze the distribution of both economic and political power Merike Blofield moves the debate away from a unitary focus on values and public opinion to an analysis of how economic social and political structures give certain actors more power than others The topics covered should appeal to a broad readership interested in the difficulties of democratic consolidation in Latin America and the obstacles to social policy reform in a region with such high levels of inequality The analysis presented in *The Politics of Moral Sin* also deepens our understanding of why and how European countries have been so successful in limiting the indulgence of organized religion and in promoting women s rights

Democratic Repairman Debra A. Mulligan, 2019-05-27 As governor of Rhode Island J Howard McGrath oversaw the passage of social legislation aimed at improving the lives of his constituents during the dark days of World War II As a Rhode

Island senator he served as the Democratic National Committee Chairman during the contentious 1948 presidential election when few believed Harry Truman could defeat New York governor Thomas R Dewey Following Truman s victory McGrath could easily have written his own ticket to further political success but his career was cut short in 1952 when he was forced to resign as Attorney General amid a cloud of scandal This biography traces the rise and fall of a politician who achieved notable success yet ultimately fell victim to his appetite for power fame and fortune **Gazetteer of the Bombay**
