**Presidents from Eisenhower through Johnson, 1953-1969** John King, John R. Vile, 2005-12-30 Throughout the 1950s and 1960s Communism and the Cold War pervaded almost every aspect of American policy and concern Eisenhower's Highway Act sought to strengthen America with the sort of roads system and military advantage Germany's Autobahn provided in World War II Kennedy looked to space the Peace Corps and the schools to improve America's actual and perceived status in the eyes of the world LBJ continually found concerns about Southeast Asia pressing in upon him notwithstanding his desire to found a new Great Society in the United States However despite the Cold War and demands of international politics these three presidents were continually involved in critical debates about the domestic future of America and their roles and victories in these debates have left deep impressions upon American society This volume provides readers with access to the primary documents both foreign and domestic that reflect the debates that have had such a strong influence in shaping the United States This resource covers thirty two key issues and initiatives of the Eisenhower Kennedy and Johnson presidencies An introductory overview of each president's administration provides a useful window through which to assess the specific debates and documents addressed and each of these individual issues is also supplemented by a brief introductory discussion Among the issues covered are Eisenhower's attempt to establish a new look for national defense the Eisenhower doctrine and the National Defense Education Act Kennedy's Alliance for Progress and Peace Corps programs his role in Cuba his plans for America in space and his work on arms control and the Limited Test Ban Treaty and Johnson's Civil Rights Act Model Cities Program war on poverty and role in the ground and air wars in Vietnam A timeline provides a chronological backdrop for the subject and recommended readings following each section offer helpful direction for further study

**Presidents from Adams through Polk, 1825-1849** David A. Smith, 2005-06-30 It was the Era of Good Feelings but all was not well with the young Republic From 1825 to 1849 presidents John Quincy Adams Andrew Jackson Martin Van Buren William Henry Harrison John Tyler and James K Polk grappled with the legacy of the Monroe Doctrine Indian removal territorial expansion the National Bank tariffs economic depressions War with Mexico near war with Great Britain and the place of slavery in the growing nation As one would expect from confident citizens of the burgeoning young country conflicting arguments swirled around the hot button issues of the day This rich resource of primary documents enables students to read these arguments first hand and feel the passions and study the logic driving their often forceful positions All of the primary documents are annotated and placed into historical context A thorough index concludes the work

**Presidents from Taylor through Grant, 1849-1877** Jeffrey W. Coker, 2002-06-30 The years 1849 1877 were among the most pivotal in the nation's history Over the course of three decades the United States endured a catastrophic civil war abolished slavery expanded westward and added eight states to the Union and witnessed the beginnings of industrialization

In politics the era saw the demise of one national party the birth of another and the historic leadership of Abraham Lincoln The country also faced difficult questions of state sovereignty and federal responsibility answered ultimately by secession and war In short it was a time of growth consolidation tragedy and triumph for a dynamic and youthful nation This resource of primary documents and commentary covers the Taylor through Grant administrations by selecting and describing five to ten of the foremost issues of the day and showing the actual text of the president s position along with the opposing viewpoint The presidents from 1849 1877 were men of varied backgrounds and talents Northerners and Southerners and even Northerners with Southern sensibilities occupied the White House The period began and ended with war heroes as presidents among the other men who served as president were a former textile worker a country lawyer and lifelong diplomat Most of the chief executives struggled and perhaps even failed to overcome the immense challenges placed before them By providing helpful background information and commentary about the presidents and the issues of the day in addition to the primary sources this reference guide accurately depicts this fractious time in the country s past and provides an invaluable resources to any student of American history
