Press And Abortion 1838 1988:

The Press and Abortion, 1838-1988 Marvin N. Olasky, 1988 Marvin Olasky covers the affect the press had on abortion in 1838 1988 Regardless of their position readers will reap rich dividends from this book The Story of Abortion in America Marvin Olasky, Leah Savas, 2022-12-28 Tracing the History of Abortion in America by Looking beyond the Laws to the Dramatic Stories and Colorful Personalities of the People They Touched Fifty years ago the Roe v Wade Supreme Court decision to legalize abortion on demand sparked nationwide tensions that continue to this day In the decades since that ruling abortion opponents and proponents have descended on the Capitol each year for marches and protests But this story didn t begin with the Supreme Court in the 1970s arguments about abortion have been a part of American history since the 17th century So how did we get here The Story of Abortion in America traces the long cultural history of this pressing issue from 1652 to today focusing on the street level activities of those drawn into the battles willingly or unwillingly Authors Marvin Olasky and Leah Savas show complex lives on both sides Some sacrificed much to help the poor and others sacrificed the helpless to empower themselves The Story of Abortion in America argues that whatever happens legally won t end the debate but it will affect lives A Fair Survey of the History of the Debate Opening with a foreword by renowned social conservative thinker Robert P George this book explores historic cases and key cultural moments from 1652 to 2022 Examines 5 Selling Points Used by Each Side in Different Eras Anatomy Bible Community Danger and Enforcement Chronicles the History of Abortion through Personal Narratives Includes the memorable stories of Isaac Hathaway Susan Warren Elizabeth Lumbrozo John McDowell Hugh Hodge Madame Restell Augustus St Clair Inez Burns Robert Dickinson Sherri Finkbine Henry Hyde John Piper Lila Rose Terrisa Bukovinac Mark Lee Dickson and many others Written for a Diverse Audience While particularly useful for Christians who want to understand the history of abortion and its impact on American politics and culture the book speaks to anyone who cares about abortion **Shaping Abortion Discourse** Myra Marx Ferree, 2002-09-19 This book compares the political process and role of the media using controversy over abortion **The Abortionist** Rickie Solinger, 2019-10-01 This twenty fifth anniversary edition places abortion politics in the context of reproductive justice today and explains why abortion has been and remains a political flashpoint in the United States Before Roe v Wade hundreds of thousands of illegal abortions occurred in the United States every year Rickie Solinger tells the story of Ruth Barnett an abortionist in Portland Oregon from 1918 to 1968 to demonstrate how the law not back alley practitioners endangered women s lives in the years before legalized abortion Women from all walks of life came to Barnett who worked in a proper office undisturbed by legal authorities and never lost a patient But in the illegal era following World War II Barnett and other practitioners were hounded by police and became targets for politicians women seeking abortions were forced to turn to syndicates run by racketeers or to use self induced methods that often ended in injury or death This new edition places abortion politics in the context of reproductive justice today Despite the change in women s status since Barnett s time

key cultural and political meanings of abortion have endured Opponents of Roe v Wade continue their efforts to recriminalize abortion and reestablish an inexorable relationship between biology and destiny The Abortionist is an instructive reminder that legal abortion facilitated women s status as full members of society Barnett s story clarifies the relationship of legal abortion to human dignity and shows why preserving and extending Roe v Wade ensures women s freedom to decide for themselves what is best for their health **Encyclopedia of American Social Movements** Immanuel Ness,2015-07-17

This four volume set examines every social movement in American history from the great struggles for abolition civil rights and women s equality to the more specific quests for prohibition consumer safety unemployment insurance and global justice

Unsecular Media Mark Silk,1998-01-15 Mark Silk uncovers the journalistic mind as only a working newspaper reporter can He ties that mind to America s religious culture as only a trained historian can and challenges all the standard allegations about the secularity of the media as no one else ever has Hippocrates' Woman Helen King,2002-01-04

Hippocrates Woman demonstrates the role of Hippocratic ideas about the female body in the subsequent history of western gynaecology It examines these ideas not only in the social and cultural context in which they were first produced but also the ways in which writers up to the Victorian period have appealed to the material in support of their own theories Among the conflicting tangle of images of women given in the Hippocratic corpus existed one tradition of the female body which says it is radically unlike the male body behaving in different ways and requiring a different set of therapies This book sets this model within the context of Greek mythology especially the myth of Pandora and her difference from men to explore the image of the body as something to be read *Hippocrates Woman* presents an arresting study of the origins of gynaecology an exploration of how the interior workings of the female body were understood and the influence of Hippocrates theories on the gynaecology of subsequent ages *Madame Restell* Jennifer Wright,2023-02-28

Discover the true story of a self taught surgeon and trailblazing figure in medical history Madame Restell a revolutionary surgeon who fought for women s rights and healthcare in Gilded Age New York An industrious immigrant who built her business from the ground up Madame Restell was a self taught surgeon on the cutting edge of healthcare in pre Gilded Age New York and her bustling boarding house provided birth control abortions and medical assistance to thousands of women rich and poor alike As her practice expanded her notoriety swelled and Restell established her self as a prime target for tabloids threats and lawsuits galore But far from fading into the background she defiantly flaunted her wealth parading across the city in designer clothes expensive jewelry and bejeweled carriages rubbing her success in the faces of the many politicians publishers fellow physicians and religious figures determined to bring her down Unfortunately for Madame Restell her rise to the top of her field coincided with the greatest scam you ve never heard about the campaign to curtail women s power by restricting their access to both healthcare and careers of their own Powerful secular men threatened by women s burgeoning independence were eager to declare abortion sinful a position endorsed by newly minted male MDs who longed to edge out their feminine competition and turn

medicine into a standardized male only practice By unraveling the misogynistic and misleading lies that put women s lives in jeopardy Wright simultaneously restores Restell to her rightful place in history and obliterates the faulty reasoning underlying the very foundation of what has since been dubbed the pro life movement Thought provoking character driven boldly written and feminist as hell Madame Restell is required reading for anyone and everyone who believes that when it comes to women s rights women s bodies and women s history women should have the last word **The Tragedy of**

American Compassion Marvin Olasky,1994-02-01 This is a book of hope at a time when just about everyone but Marvin Olasky has lost hope The topic is poverty and the underclass The profound truth that Marvin Olasky forces us to confront is that the problems of the underclass are not caused by poverty Some of them are exacerbated by poverty but we know that they need not be caused by poverty for poverty has been the condition of the vast majority of human communities since the dawn of history and they have for the most part been communities of stable families nurtured children and low crime It is wrong to think that writing checks will end the problems of the underclass or even reduce them Preface *The One-Sex Body on Trial: The Classical and Early Modern Evidence* Helen King,2016-02-17 By far the most influential work on the history of the body across a wide range of academic disciplines remains that of Thomas Laqueur This book puts on trial the one sex two sex model of Laqueur s Making Sex Body and Gender from the Greeks to Freud through a detailed exploration of the ways in which two classical stories of sexual difference were told retold and remade from the mid sixteenth to the nineteenth century Agnodike the first midwife who disguises herself as a man and then exposes herself to her potential patients and Phaethousa who grows a beard after her husband leaves her are stories from the ancient world that resonated in the early modern period in particular Tracing the reception of these tales shows how they provided continuity despite considerable change in medicine being the common property of those on different sides of professional disputes about women s roles in both medicine and midwifery The study reveals how different genres used these stories changing their characters and plots but always invoking the authority of the classics in discussions of sexual identity The study raises important questions about the nature of medical knowledge the relationship between texts and observation and the understanding of sexual difference in the early modern world beyond the one sex model **Moral Vision** Marvin

Olasky,2024-02-13 A man s character shows its stamp repeatedly during a career In The American Leadership Tradition Olasky has many lessons to offer For the cynical he reminds us that it is not true that they all do it as the lives of Andrew Jackson and Grover Cleveland can attest For the nostalgic he reminds us that there have been principled men like George Washington alongside unprincipled ones like Henry Clay from the beginning After reading this book it will be impossible to argue that John Kennedy s womanizing reflected a side of him that had absolutely nothing to do with his presidency or that Abraham Lincoln s rectitude was unconnected with his greatness Olasky shows that faithfulness in marriage may be no guarantee of faithfulness to the country but faithlessness is a leading indicator of trouble Leaders who break a large vow to

one person find it easy to break relatively small vows to millions Media Bias Wm. David Sloan, Jenn Burleson Mackay, 2016-03-24 In this book scholars examine the many prevailing arguments about media bias from a non polemical perspective Essays cover individual forms of bias including ideology politics television photography religion abortion homosexuality gender race crime environment region military corporate ownership labor and health Each essay introduces the topic presents arguments for and against the specific bias assesses the evidence for all arguments and includes a list of suggested readings Two additional essays discuss the broader aspects of the bias debate and give a personal perspective on reporting the controversial Israeli Palestinian conflict Instructors considering this book for use in a course may request an examination copy here *"Bold! Daring! Shocking! True!"* Eric Schaefer, 1999 A social and cultural history of exploitation films which were produced on the fringes of Hollywood and often dealt with subjects forbidden by the Production Code

Kit's Kingdom Barbara M. Freeman, 1989-11-15 This first title in the Carleton Women's Experience Series looks at the lively writing of Kit Coleman best known as the first accredited North American female war correspondent for her coverage of the Spanish American War of 1898 The author outlines how Coleman created Kit of Woman's Kingdom in the Toronto Mail as a journalist adventurous enough to cover a war and motherly enough to write a popular advice column Social Issues in America James Ciment, 2015-03-04 Truly comprehensive in scope and arranged in A Z format for quick access this eight volume set is a one source reference for anyone researching the historical and contemporary details of more than 170 major issues confronting American society Entries cover the full range of hotly contested social issues including economic scientific environmental criminal legal security health and media topics Each entry discusses the historical origins of the problem or debate past means used to deal with the issue the current controversy surrounding the issue from all perspectives and the near term and future implications for society In addition each entry includes a chronology a bibliography and a directory of Internet resources for further research as well as primary documents and statistical tables highlighting the debates

Undercover Reporting Brooke Kroeger, 2012-08-31 In her provocative book Brooke Kroeger argues for a reconsideration of the place of oft maligned journalistic practices While it may seem paradoxical much of the valuable journalism in the past century and a half has emerged from undercover investigations that employed subterfuge or deception to expose wrong Kroeger asserts that undercover work is not a separate world but rather it embodies a central discipline of good reporting the ability to extract significant information or to create indelible real time descriptions of hard to penetrate institutions or social situations that deserve the public's attention Together with a companion website that gathers some of the best investigative work of the past century Undercover Reporting serves as a rallying call for an endangered aspect of the journalistic endeavor Audience Responses To Media Diversification Lee B. Becker, Klaus Schoenbach, 2013-10-15 First published in 1989 This volume holds a collection of papers to support a project looking at media content in the 1980s and the anticipation of audience behaviours Some were presented at the conference of the World Association for Public Opinion

Press And Abortion 1838 1988 Introduction

In today's digital age, the availability of Press And Abortion 1838 1988 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Press And Abortion 1838 1988 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Press And Abortion 1838 1988 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Press And Abortion 1838 1988 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Press And Abortion 1838 1988 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Press And Abortion 1838 1988 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project

Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Press And Abortion 1838 1988 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Press And Abortion 1838 1988 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Press And Abortion 1838 1988 books and manuals for download and embark on your journey of knowledge?
