Press Time:

Presstime in Paradise George Chaplin, 1998-02-01 Since it first rolled off the presses in 1856 The Honolulu Advertiser has been an important force in reporting and shaping the news of Honolulu and secondarily the Hawaiian Islands Established as The Pacific Commercial Advertiser a four page weekly it was the first enduring non government owned or subsidized newspaper published in the Hawaiian Kingdom Under its first owner the son of New England missionaries the Advertiser became the most successful commercial English language newspaper in the Islands The paper became a daily in 1882 and in 1921 changed its name to The Honolulu Advertiser Now owned by Gannett Company Inc the Advertiser is one of the oldest newspapers still operating west of the Rockies George Chaplin editor in chief of the Advertiser from 1959 to 1986 has written a colorful and entertaining insider s account of nearly a century and a half of Advertiser history He covers the legion of personalities that has worked for the Advertiser over the years owners from its first Island owner Henry Whitney to its last the Thurston Twigg Smith family publishers editors reporters political cartoonists photographers and pressroom people He reports on issues and historical events that had a powerful impact on the Honolulu community and comments on the newspaper s position regarding each the sensational Massie trial the dilemma of Hawaii s Americans of Japanese ancestry during World War II the labor movement and communism in the Islands and statehood among others He also recalls the many political figures who have waged their media battles within the pages of the Advertiser Presstime in Paradise is an illuminating and informative look at the internal operations of a newspaper and its relationship with a community that has both influenced it and been influenced by it It adds significantly to the growing body of literature on the role of the free press in Hawaii

Times of History, Times of Nature Anders Ekström, Staffan Bergwik, 2022-02-11 As climate change becomes an increasingly important part of public discourse the relationship between time in nature and history is changing Nature can no longer be considered a slow and immobile background to human history and the future can no longer be viewed as open and detached from the past Times of History Times of Nature engages with this historical shift in temporal sensibilities through a combination of detailed case studies and synthesizing efforts Focusing on the history of knowledge media theory and environmental humanities this volume explores the rich and nuanced notions of time and temporality that have emerged in response to climate change

Time's Pendulum Jo Ellen Barnett, 1999 A look at man s attempts to accurately measure time shows how the concept of time has steadily evolved and broadened our perception of the world

Sentry Xpress - Digital Temperature Controller , Acoustics of Wood Voichita Bucur, 2006-03-09 Considerable activity in the acoustics of wood has occurred since the first edition of this book in 1995 An informal survey of a number of the published articles and papers presented at international conferences revealed that the interest of the wood

science community is continually increasing In this context I felt compelled to revise the text in accordance with newer findings and this prompted the addition in the present book of 159 new references added to the existing 850 in the first edition As a result of the favorable comments upon the first edition from students and colleagues I have included a part on mathematical theory related to wave propagation in orthotropic solids in the general text in order to enable the interested reader to follow the essentially physical aspects of the subject A new chapter related to acousto ultrasonics is introduced Chapters 4 5 6 8 9 10 11 and 12 have been considerably expanded and a significant redistribution of the subject matter from the earlier edition has been made

Information Technology Risk Management in Enterprise Environments Jake Kouns, Daniel Minoli, 2011-10-04 Discusses all types of corporate risks and practical means of defending against them Security is currently identified as a critical area of Information Technology management by a majority of government commercial and industrial organizations Offers an effective risk management program which is the most critical function of an information security program

Metal Forming Handbook Schuler GmbH, 2012-12-06 Following the long tradition of the Schuler Company the Metal Forming Handbook presents the scientific fundamentals of metal forming technology in a way which is both compact and easily understood Thus this book makes the theory and practice of this field accessible to teaching and practical implementation The first Schuler Metal Forming Handbook was published in 1930 The last edition of 1966 already revised four times was translated into a number of languages and met with resounding approval around the globe Over the last 30 years the field of forming technology has been radically changed by a number of innovations New forming techniques and extended product design possibilities have been developed and introduced This Metal Forming Handbook has been fundamentally revised to take account of these technological changes It is both a text book and a reference work whose initial chapters are concerned to provide a survey of the fundamental processes of forming technology and press design The book then goes on to provide an in depth study of the major fields of sheet metal forming cutting hydroforming and solid forming A large number of relevant calculations offers state of the art solutions in the field of metal forming technology In presenting technical explanations particular emphasis was placed on easily understandable graphic visualization All illustrations and diagrams were compiled using a standardized system of functionally oriented color codes with a view to aiding the reader's understanding
