Edwin Othello Excell, 1892 American String Teacher, 1977 *The Conflict of the Ages Teacher III They Deliberately Forgot: The Flood and the Ice Age* Michael J. Findley, Mary C. Findley, Includes full student text, review questions, vocabulary, and answer keys. The worldwide Flood is one of the most discounted records in the Scriptures. Yet it is supported around the world by historical accounts. Take a look at feasibility studies on the safety and the stocking of the Ark. The Geologic Column ought to prove that fossils reveal the age of the earth. They show progression from simple to complex organisms over millions of years. But do they? Take a look at living fossils. Meet the extinct creature found only in the oldest layers but more complex than later life forms. Consider the real conditions that surrounded the Flood and the Ice Age.
