**Caught in the CROSS-Fire** Michael Kenneth Wilson,2025-07-31 There are insidious forces threatening to shape people's lives in ways that may or may not meet with their approval and certainly do not meet with God's the ultimate judge Over many centuries it has been common to name these radical forces as the world the flesh and the devil This book deals with the nature and impact of these highly dangerous forces and what is involved in successfully countering them *Hell and the Gospel* Jason Tackett,2025-05-22 This book is a survey of the doctrine of Hell that is text driven and strives to honor a complete reliance on the Scriptures alone as the final authority in this matter It serves as an apologetic for the reality of God's judgment as it is declared by the biblical writers It aims at drawing clarity from the text in order to systematically arrive at what Hell is and what it is not Above that it strives to speak with the individual reader regarding their need of Christ and their inability to stand in the judgment without him Psalm 1 It challenges the reader to see the wisdom and mercy of God both in judgment and in the proclamation of the gospel which is the only means of escaping the wrath that is yet to come The chief aim of this work is to exalt Christ as the Lord that God through Christ may have all the glory both in judgment and in salvation from Hell *The Broadview Introduction to Philosophy* Andrew Bailey,2019-05-21 The Broadview Introduction to Philosophy is a comprehensive anthology that surveys core topics in Western philosophy including philosophy of religion theories of knowledge metaphysics ethics social political philosophy and issues of life death and happiness Unlike other introductory anthologies the Broadview offers considerable apparatus to assist the student reader in understanding the texts without simply summarizing them Each selection includes an introduction discussing the context and structure of the primary reading as well as thorough annotations designed to clarify unfamiliar terms references and argument forms Canonical texts from the history of philosophy are presented alongside contemporary scholarship women authors are included throughout **Annotations upon all the New Testament, Philologicall and Theologicall.
