Pretend You're A Tiger Signatures:

Once Upon a Tiger Kat Simons, 2013-01-01 She'll never run Among the tiger shifters Alexis Tarasova is regarded as fierce and dangerous with a reputation that would make even the most daring tiger think twice about challenging her Female tiger shifters may be rare and the mating run a critical part of their species's survival but Alexis is the only female Tracker and will not back down even at the threat of tiger law She will not be forced to mate So when a handful of males band together to force her to participate in the run Alexis chooses to stand her ground and fight instead He's forbidden to run Outcast from the tiger shifters after a vicious childhood attack left him mute Victor Romanov has never taken part in the mate run He's never particularly cared though since the woman he loves refuses to take a mate However when he learns Alexis may be in danger all bets are off Nothing will keep him from her side Together they're unmovable The chemistry between them burns wickedly hot and forges them into an unbeatable pair Alexis knows that being with Victor means she will have to break another one of her people's laws a move that might push the tigers too far But for Victor she will risk everything including her life and do what she thought she'd never do run Keywords Paranormal romance shapeshifter romance tiger shifter romance tiger shifter paranormal romance paranormal romance series contemporary fantasy romance series cat shifter paranormal romance

To Catch A Tiger Kat Simons, To save her he'll have to give her up and she won't let him go Dr Ryan Yin hates his people's mating laws and he's not the only tiger shifter male who feels that way But the grumblings of some young males led by an enigmatic and dangerous leader threaten his people's survival Ryan's very real disgust with the Mate Run allows him to infiltrate the group where he hopes the information he finds can stave off a civil war He never guesses the young males will go so far as to kidnap tigresses Now Ryan has to find a way to keep the women alive and get them to safety before anyone else dies He never expects that among the captives he'll find his mate Lakshmi is strong fierce and beautiful and completely beyond his reach As a rare female tiger shifter Lakshmi Das was promised by her people that in exchange for taking part in the Mate Run she and the other tigresses would be safe from the violence and bloodshed of centuries past Her people failed in that promise Now Lakshmi is at the mercy of a crazy tiger and his followers who are intent on turning her into a slave mate Her only hope of escape is the group's sexy delicious smelling doctor a tiger she can't let herself trust but who draws her like no other man she's ever met Escape will come at a price neither of them expects They'll have to defy their people's laws if they have any hope of being together but only if they can survive the vengeance of an insane shifter determined to start a rebellion Keywords Paranormal romance shapeshifter romance tiger shifter romance tiger shifter paranormal romance paranormal romance series contemporary fantasy romance series cat shifter paranormal romance
