Straight Skin, Gay Masks and Pretending to be Gay on Screen Gilad Padva,2020-05-11 Straight Skin Gay Masks and Pretending to Be Gay on Screen examines cinematic depictions of pretending to be gay assessing performances that not only reflect heteronormative and explicitly homophobic attitudes but also offer depictions of gay selfhood with more nuanced multidirectional identifications The case of straight protagonists pretending to be gay on screen is the ideal context in which to study unanticipated progressivity and dissidence in regard to cultural construction of human sexualities in the face of theatricalized epistemological collapse Teasing apart the dynamics of depictions of both sexual stability and fluidity in cinematic images of men pretending to be gay offers new insights into such salient issues as sexual vulnerability and dynamics and long term queer visibility in a politically complicated mass culture which is mostly produced in a heteronormative and even hostile cultural environment Additionally this book initially examines queer uses of sexuality masquerade in Alternate Gay World Cinema that allegorically features a world pretending to be gay in which straights are harassed and persecuted in order to expose the tragic consequences of sexual intolerance Films and TV series examined as part of the analysis include The Gay Deceivers Victor Victoria Happy Texas William Friedkin s Cruising and many other straight and gay screens This is a fascinating and important study relevant to students and researchers in Film Studies Media Studies Gender Studies Queer Studies Sexuality Studies Communication Studies and Cultural Studies **Leviathan** Thomas Hobbes,2016-09-06 Nature the art whereby God hath made and governes the world is by the art of man as in many other

The Woman Who Pretended to Be Who She Was Wendy Doniger, 2005 Many cultures have myths about self imitation stories about people who pretend to be someone else pretending to be them in effect masquerading as themselves This great theme in literature and in life tells us that people put on masks to discover who they really are under the masks they usually wear so that the mask reveals rather than conceals the self beneath the self In this book noted scholar of Hinduism and mythology Wendy Doniger offers a cross cultural exploration of the theme of self impersonation whose widespread occurrence argues for both its literary power and its human value The stories she considers range from ancient Indian literature through medieval European courtly literature and Shakespeare to Hollywood and Bollywood They illuminate a basic human way of negotiating reality illusion identity and authenticity not to mention memory amnesia and the process of aging Many of them involve marriage and adultery for tales of sexual betrayal cut to the heart of the crisis of identity These stories are extreme examples of what we common folk do unconsciously every day Few of us actually put on masks that replicate our faces but it is not uncommon for us to become travesties of ourselves particularly as we age and change We often slip carelessly across the permeable boundary between the un self conscious self indulgence of our most idiosyncratic mannerisms and the conscious attempt to give the people who know us personally or publicly the version of ourselves that they expect Myths of self imitation open up for us the possibility of multiple selves and the infinite regress of self discovery Drawing on a dizzying array of tales some fact some fiction *The Woman Who Pretended to Be Who She Was* is a fascinating and learned trip through centuries of culture guided by a scholar of incomparable wit and
