Preußen Und Die Rheinlande Studien Zur Preuß Integrationspolitik Im Vormärz:

A German Life in the Age of Revolution Jon Vanden Heuvel, 2001 The story of Joseph Görres's life is in many ways the story of German political culture in the revolutionary epoch Indeed his dates 1776 1848 frame the Age of Revolution and like the age in which he lived Görres's life was marked by great upheavals One of the most prominent German journalists of his age Görres pioneered political journalism or what was called Publizistik in Germany He was a founder of political Catholicism and was in no small part responsible for the fact that Germany eventually developed a party based on the Catholic confession Görres was also an extraordinarily prolific scholar with an almost dizzying range of interests His life provides a window into an incredibly prolific era in European history into the political implications of the Enlightenment the wide reaching intellectual movement of German romanticism the roots of German nationalism and the origins of German political party formation Görres traversed the entire political spectrum of his age his youth formed in the shadow of the French Revolution was characterized by enlightened cosmopolitan republicanism what some have dubbed German Jacobinism his middle years included a romantic phase in which he helped foster a nascent German cultural nationalism before he became a fiery nationalist writer and publisher of the *Rheinischer Merkur* the most important political newspaper in Germany up to that time In the sunset of his life he was primarily a Catholic political polemicist Görres helped shape the immensely creative and pivotal years in which he lived years that saw the development of the modern state system and the origin of the political spectrum in Germany as well as the very concepts liberal and conservative which are so much a part of our political discourse today
