Prevention's Medical Care Yearbook, 1990 Mark Bricklin, Sharon S. Ferguson, 1990 Monthly Catalog of United States Government Publications, 1988 National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1990 *Statistical Reference Index*, 1990 Morbidity and Mortality Weekly Report, 1991 **Handbook of Clinical Nursing Research** Ada Sue Hinshaw, Suzanne L. Feetham, Joan Shaver, 1999-06-18 This is a comprehensive but critical guide to the state of nursing research particularly in areas most relevant to current practice **Current Catalog** National Library of Medicine (U.S.), 1993 First multi year cumulation covers six years 1965 70 *New Serial Titles*, 1992 A union list of serials commencing publication after Dec 31 1949 **American Bookseller**, 1987 *Yearbook of General Therapeutics*, 1902 *Cumulated Index Medicus*, 1994 **List of Journals Indexed in Index Medicus** National Library of Medicine (U.S.), 1996 Issues for 1977 1979 include also Special List journals being indexed in cooperation with other institutions Citations from these journals appear in other MEDLARS bibliographies and in MEDLINE but not in Index Medicus Safety and Health at Work, ILO-CIS Bulletin, 1998 **Health, United States**, 1993 Managing Community Health Services Allan McNaught, 2013-11-11 This book was originally conceived in 1987 It was then seen as a contribution towards improved management and policy making in a diffuse and neglected area of NHS management The focus of the book is the old Community Health Services those transferred to Area Health Authorities from local authorities in the 1974 re organization of the NHS These diverse services while grouped together had little objectively in common occupying as they do a hazy middle ground between hospital and Family Practitioner Services However since 1974 there have been a number of major developments which have opened opportunities for change and development in these services These include the resurrection of concern with Public Health the attempted closure of large mental illness and mental handicap hospitals and the development of Community Care the introduction of General Management and the implication for health and local authorities of the White Papers Caring for People Promoting Better Health and Working for Patients Traditionally Community Health Services were seen as low status and a professional dead end This in turn has led to a rather uneven body of literature The growth of general management has led to a demand for a more coherent management orientated literature It is our hope that this book will encourage the production of more literature in this area **Tobacco and the Clinician**, 1994 **The Chinese Family Today** Anqi XU, John DeFrain, Wenrong LIU, 2016-11-10 The Chinese economy is undergoing dramatic changes and the world is watching and changing along with it The Chinese family is also changing in many ways in response to the economic transformation that is moving the world's most populous nation from an agrarian economy to a global superpower This is the first book in English to describe and explain the social transformation of the Chinese family from the perspective of Chinese researchers Presenting a comprehensive view of the Chinese family today and how it has adapted during the process of modernization it provides description and analysis of the trajectory of changes in family structures

functions and relationships It tracks how Chinese marriages and families are becoming more diverse and face a great deal of uncertainty as they evolve in different ways from Western marriages and families The book is also unique in its use of national statistics and data from large scale surveys to systematically illustrate these radical and extraordinary changes in family structure and dynamics over the past 30 years Demonstrating that the de institutionalization of family values is a slow process in the Chinese context this book will be of interest to students and scholars of Chinese Studies Sociology Social Policy and Family Policy World Review of Nutrition and Dietetics Geoffrey Howard Bourne,Artemis P.
