Previn A Streetcar Named Desire Previn Fleming Gilfry San Francisco Opera:

American Opera Singers and Their Recordings Clyde T. McCants, 2004-08-06 This book focuses on American opera singers and what their recordings say about their artistry It is not a book about all American opera singers since many who had important careers on stage made few if any recordings And many of those who did make recordings did so prior to the introduction of electrical recording in 1925 and the resulting advances in the reproduction of the human voice Opera enthusiasts can only imagine the sound of Farinelli s voice or read what his contemporaries have written about it but with almost any famous or near famous singer of recent years enthusiasts do not have to imagine Their voices are available through the technology of sound recording There are 53 entries one each for 52 singers and a composite entry for a group of Hollywood vocalists Each entry contains biographical information and is followed by a discography of operatic recordings to be used in conjunction with the critical commentaries The entries are in alphabetical order by the singer s last name and provide critical analyses of key recordings and of the artists gifts and limitations

The NPR Listener's Encyclopedia of Classical Music Theodore Libbey, 2006-01-01 A resource on classical music provides coverage of composers works musical terminology and performers along with recommended recordings and access to an interactive Web site that allows readers to listen to sample works techniques and performers discussed in the reference

Williams: A Streetcar Named Desire Philip C. Kolin, 2000-04-27 One of the most important plays of the twentieth century A Streetcar Named Desire revolutionised the modern stage This book offers the first continuous history of the play in production from 1947 to 1998 with an emphasis on the collaborative achievement of Tennessee Williams Elia Kazan and Jo Mielziner in the Broadway premiere From there chapters survey major national premieres by the world s leading directors including those by Seki Sano Mexico Luchino Visconti Italy Ingmar Bergman Sweden Jean Cocteau France and Laurence Olivier England Philip Kolin also evaluates key English language revivals and assesses how the script evolved and adapted to cultural changes Interpretations by Black and gay theatre companies also receive analyses and transformations into other media such as ballet film television and opera premiered in 1998 form an important part of the overall study
