*Messiah in His Sanctuary* F. C. Gilbert,2004 Nearly 25 centuries ago the angel Gabriel foretold the time Christ would transfer His ministry from the holy place to the most holy place of the heavenly sanctuary in preparation for the time when divine intercession for man s salvation would be finished Christ has revealed His plans about the reward of the righteous and the final disposition of evildoers inside the pages of the Bible The Most High has assured us in His word that the root and

branches of sin will be consumed into smoke and ashes evil shall not rise the second time The Sanctuary is mentioned in both the beginning and end of the Bible Between these entries are some of the most fascinating and inspiring themes that can occupy the human mind is revealed The study of the sanctuary may properly engage the interest of the one who desires to understand the purposes of the Creator in the salvation of the rigorous and the final disposition of evil *The Messiah's Inventions* Gordon Ziegler, 2013-11-27 Noah's ark was an invention of God elohiym the plural three form of one God God the Father God the Son and God the Holy Spirit God the Son later became the incarnate Jesus of Nazareth the Messiah the Anointed One the very Christ The original Son of God was undoubtedly the divine agent that communed with Noah inspiring him with the great invention of God to preserve life through the perils of a world wide Deluge Noah was the master builder and preacher of righteousness God could have translated the people and animals to heaven or some other world before that horrific water holocaust of the entire earth and relocated them back to earth when the Flood was over But God chose not to do this God chose a cooperative effort of God and man at great cost to preserve life on earth during that fearful water holocaust But the ark as well designed and built as it was was in itself not sufficient to preserve life It required the mighty power of God and the heavenly angels to guide and preserve the ark and its inhabitants during that fearful ordeal For this they last day scoffers evolutionists willingly are ignorant of that by the word of God the heavens were of old and the earth standing out of the water and in the water Whereby the world that then was being overflowed with water perished But the heavens and the earth which are now by the same word are kept in store reserved unto fire against the day of judgment and perdition of ungodly men 2 Peter 3 5 7 and context KJV In the imminent future we face the fearful peril of one third of the population of the earth being incinerated in a nuclear holocaust Revelation 9 14 21 also the peril of the corona of the sun going out in darkness like what happened briefly July 19 23 2013 Google dark sun and the earth's population freezing to death or the sun continuing its nova sequence scorching the earth with great heat and then going out in darkness What we desperately need now are new inventions of God the cooperation of God men and angels to preserve life in fire make the sun unnecessary flood the entire earth with light and clean energy Revelation 21 23 God has already inspired one man said of Lucifer himself to be the Everlasting Father incarnate the Messiah the Anointed One the very Christ with designs of God of inventions to preserve and restore earth to Edenic condition in this doom of fire The inventions are already roughly designed and the master builder found and educated All that is needed now are believing people donating money for these costly heavenly inventions God will not do this all by Himself He will work with us as we give our all be it little or much This book will tell all about the inventions of God for now to preserve life through fire and to make the sun unnecessary What is most needed now is belief in God's Messiahs So in this book there will not only be science and technology but theology history and prophetic evidences in favor of Messiah A and Messiah B Jesus of Nazareth and Gordon L Ziegler of Lacey Washington U S A Any and all may now make tax deductible donations to Benevolent Enterprises to actualize the divine inventions to preserve

**The Gospel of the Son of God** James M. Neumann, 2023-10-19 James M Neumann proposes that there is far more at work in Mark's portrayal of Jesus as Son of God and what it means for Mark to depict him as such than past scholarship has recognized. He argues that Mark presents Jesus's life from beginning to end as the actualization of Psalm 2, a coronation hymn describing the Davidic king as God's son, which was interpreted messianically in early Judaism and christologically in early Christianity. Rather than a simple title, the designation of Jesus as God's Son in Mark contains and encapsulates an entire story of its own. Beginning with an analysis of why this most important identity of Jesus in the Gospel has been understudied, Neumann retraces the interpretive traditions surrounding Psalm 2 in early Judaism and Christianity alike. Pointing to Mark's first introduction of Jesus as God's Son into the narrative via an allusion to Ps 2:7 and portraying his baptism as a royal anointing, he demonstrates how Jesus begins to realize the implications of his anointment through his disestablishment of Satan's kingdom. Focusing on the repetition of the allusion to Ps 2:7 at Jesus's transfiguration and exploring how the Parable of the Vineyard uniquely encapsulates the Gospel as a whole, Neumann traces the use of the psalm throughout the Markan passion narrative, contending that in Mark's vision, the hope envisaged by the psalm has been realized: the Son begins to inherit the worship of the nations. He concludes that Mark paradoxically portrays the accomplishment of the Messiah's victory through Jesus's crucifixion.

**Abraham's Sandals of Faith** Crystal G. H. Lowery, 2022-08-07 LEAVE IT ALL BEHIND. These are absolute instructions that are intended for absolute blessing. In order for Abraham to be known to us today as The Father Of Our Faith, he had to obey and literally and spiritually leave it all behind. From these directional words spoken by God, Abraham obeyed and set off on the epic journey of a lifetime. In this book, Crystal G H Lowery steps into the role of a tour guide as you travel with Abraham in his journey of faith. In the process, she thoroughly examines the ten intimate and powerful encounters Abraham has with Yahweh. Crystal also highlights major prophetic faith keys from Abraham's shortcomings and greatest successes that we can apply to our own lives and destiny. This book is your ticket to see and walk alongside front and center the journey where The Man Himself, The Patriarch, The Father Of Our Faith, exchanges his shoes of mediocrity for Abraham's Sandals of Faith.

*The Messianic Vision of the Pentateuch* Kevin S. Chen, 2019-12-03 Did Moses write about Jesus? Kevin Chen challenges the common view of the Pentateuch as focused primarily on the Mosaic Law, arguing instead that it sets forth a coherent, sweeping vision of the Messiah as the center of its theological message. Building on the work of John Sailhamer, Chen provides a fascinating study and an exegetical basis for a Christ-centered biblical theology.

**In Defense of Jesus** Lee Strobel, 2016-09-06 An enlightening follow-up to the bestselling book *The Case for Christ*. In *In Defense of Jesus*, follows award-winning journalist Lee Strobel as he explores the most explosive arguments against the identity of Christ as the Messiah. Has modern scholarship debunked the traditional Christ? Has the church suppressed the truth about Jesus to advance its own agenda? What if the real Jesus is far different from the atoning Savior worshiped through

the centuries In Defense of Jesus explores such hot button questions as Did the church suppress ancient non biblical documents that paint a more accurate picture of Jesus than the four Gospels Did the church distort the truth about Jesus by tampering with early New Testament texts Do new insights and explanations disprove the resurrection Have fresh arguments disqualified Jesus from being the Messiah Did Christianity steal its core ideas from earlier mythology Evaluate the arguments and evidence being advanced by prominent atheists liberal theologians Muslim scholars and others Sift through expert testimony Then reach your own verdict with In Defense of Jesus This title is also available in Spanish En defensa de Jes s
