Tribal Land Consolidation and Resource Inventory United States. Congress. House. Committee on Interior and Insular Affairs. Subcommittee on Indian Affairs,1976 Encyclopedia of Frontier Biography: P-Z Dan L. Thrapp,1991-06-01 Includes biographical information on 4 500 individuals associated with the frontier Standing Rock Sioux Donovan Arleigh Sprague,2004 There is a rock of incredible legend and history that stands before the Standing Rock Agency Years ago a Dakota man took a second wife thereby bruising the ego of his first As camp was breaking up and the tribe was moving on the first wife pouted and refused to move She stayed behind with her baby The tribe moved on and the husband repented sending his brothers to collect her They returned to camp to find that she and her child had turned to stone From that point on the stone was thought holy and was moved with the tribe always given a place of honor at the center of camp Now resting upon a brick pedestal from this stone the agency derives its name Bibliography of American Folklore, 1915-1928 ,1928

Journal of American Folklore ,1928 **Red Tomahawk** ,2013 Description Movie Press Kits **The Rocking Star** M. SHEEHE,2019-04-18 The Rocking Star by M T SHEEHE Herndon Davis Craig Leavitt,Thomas J. Noel,2016-02-15 Herndon Davis an artist and journalist dedicated his life to depicting the major landmarks and personalities of Colorado in watercolor oil and pen and pencil Best known for the Face on the Barroom Floor the portrait of an alluring woman on the floor of the Teller House Hotel barroom in Central City Colorado Davis was a prolific artist whose murals sketches and portraits can be found all over the state from the Sage Room of the Oxford Hotel on Seventeenth Street to the Denver Press Club poker room Despite his numerous contributions his work was never showcased or exhibited in the traditional manner In this biography and first ever collection featuring most of his life s work authors Craig Leavitt and Thomas J Noel provide a detailed look into Davis s life and career and include a catalog of almost 200 of his paintings and drawings from Colorado and around the country They also put his work into the broader context of the time through comparison with such contemporary Colorado artists as Muriel Sibell Wolle Allen Tupper True Charles Waldo Love and Juan Menchaca Published to coincide with the Denver Public Library s 2016 exhibition the only public display of Davis s work to date and bringing deserved attention to this overlooked figure Herndon Davis Painting Colorado History 1901 1962 is an important contribution to Colorado s cultural history This book and the accompanying exhibit are sponsored by the Western History Genealogy Department at the Denver Public Library **Custerology** Michael A. Elliott,2008-08-26 On a hot summer day in 1876 George Armstrong Custer led the Seventh Cavalry to the most famous defeat in U S military history Outnumbered and exhausted the Seventh Cavalry lost more than half of its 400 men and every soldier under Custer s direct command was killed It s easy to understand why this tremendous defeat shocked the American public at the time But with Custerology Michael A Elliott tackles the far more complicated question of why the battle still haunts the American imagination today Weaving vivid historical accounts of Custer at Little Bighorn with contemporary commemorations that range from battle reenactments to

the unfinished Crazy Horse memorial Elliott reveals a Custer and a West whose legacies are still vigorously contested He takes readers to each of the important places of Custer's life from his Civil War home in Michigan to the site of his famous demise and introduces us to Native American activists Park Service rangers and devoted history buffs along the way Elliott shows how Custer and the Indian Wars continue to be both a powerful symbol of America's bloody past and a crucial key to understanding the nation's multicultural present Elliott is an approachable guide as he takes readers to battlefields where Custer fought American Indians to the Michigan town of Monroe that Custer called home after he moved there at age 10 to the Black Hills of South Dakota where Custer led an expedition that gave birth to a gold rush Steve Weinberg Atlanta Journal Constitution By Custerology Elliott means the historical interpretation and commemoration of Custer and the Indian Wars in which he fought not only by those who honor Custer but by those who celebrate the Native American resistance that defeated him The purpose of this book is to show how Custer and the Little Bighorn can be and have been commemorated for such contradictory purposes Library Journal Michael Elliott's Custerology is vivid trenchant engrossing and important The American soldier George Armstrong Custer has been the subject of very nearly incessant debate for almost a century and a half and the debate is multicultural multinational and multimedia Mr Elliott's book provides by far the best overview and no one interested in the long haired soldier whom the Indians called Son of the Morning Star can afford to miss it Larry
