*Red Thread* Jennifer Atlee-Loudon, 2001      **Cultivating a Revolutionary Spirit** Laura Snyder Brown, William Fleet Lankford, 2024-03-05 An exemplary story of solidarity in action Cultivating a Revolutionary Spirit conveys the exhilarating experience of being part of paradigm changing revolutions Bill Lankford visited Nicaragua in 1984 to see the Sandinista revolution for himself What he found led this physics professor to volunteer his skills teaching at the Central American University in Managua There he and his students developed a solar cooking project which took on a life of its own spreading throughout the five countries of Central America In Cultivating a Revolutionary Spirit Bill describes how local women used the tools of carpentry to build solar ovens and how they used the tools of feminism to take more control over their own lives and their communities Bill leveraged his personal resources as a white North American man professionally educated fluent in English with access to money and connections to facilitate the work of Central American women who started by building ovens and went on to create an array of projects to meet basic needs improve health and increase access to educational and leadership opportunities for women      *My Quests for Hope and Meaning* Rosemary Radford Ruether, 2013-10-02 This book is an autobiography tracing Rosemary Radford Ruether's intellectual development and writing career Ruether examines the influence of her mother and family on her development and particularly her interactions with the Roman Catholic religious tradition She delves into her exploration of interfaith relations with Judaism and Islam as well Her educational formation at Scripps College and the importance of historical theology is also a major emphasis Mental illness has also affected Ruether's nuclear family in the person of her son and she details the family's struggle with this issue Finally in this intellectual autobiography Ruether explores her long concern and involvement with ecology feminism and the quest for a spirituality and practice for a livable planet      *Favela Resistance* Timo Bartholl, Christos Filippidis, Antonis Vradis, Minhoc Urbanas, 2024-12-31 Food is at the heart of security peace and health But millions live without access to basic nutrition and billions live without control or understanding of where their food will come from and how it is produced Nowhere is this problem clearer than in the favelas of Rio de Janeiro Through meticulous research community engagement and direct action within the Mar region a cluster of seventeen favela communities in the northern zone of Rio Antonis Vradis Timo Bartholl and Christos Filippidis have created a shocking inspiring and revolutionary collection of essays that go beyond the question of food in the Brazilian urban periphery and highlights critical issues concerning state control pacification solidarity and grassroots organizing Favela Resistance is a lens through which we can understand how the state creates marginalized lives in cities throughout the world under the auspices of security and emergency support The link between food and public security is intertwined with decades long pacification operations in the favelas of Rio This fight for food sovereignty shows how local production structures and solidarity networks have radically rethought and reconfigured the relationship between cities and farms providing a map of how impoverished populations can organize resistance create health and community and

fight literally from the ground up for a better world      Freedom on the Offensive William Michael Schmidli,2022-09-15 In Freedom on the Offensive William Michael Schmidli illuminates how the Reagan administration's embrace of democracy promotion was a defining development in US foreign relations in the late twentieth century Reagan used democracy promotion to refashion the bipartisan Cold War consensus that had collapsed in the late 1960s amid opposition to the Vietnam War Over the course of the 1980s the initiative led to a greater institutionalization of human rights narrowly defined to include political rights and civil liberties and to exclude social and economic rights as a US foreign policy priority Democracy promotion thus served to legitimize a distinctive form of US interventionism and to underpin the Reagan administration's aggressive Cold War foreign policies Drawing on newly available archival materials and featuring a range of perspectives from top level policymakers and politicians to grassroots activists and militants this study makes a defining contribution to our understanding of human rights ideas and the projection of American power during the final decade of the Cold War Using Reagan's undeclared war on Nicaragua as a case study in US interventionism Freedom on the Offensive explores how democracy promotion emerged as the centerpiece of an increasingly robust US human rights agenda Yet this initiative also became intertwined with deeply undemocratic practices that misled the American people violated US law and contributed to immense human and material destruction Pursued through civil society or low cost military interventions and rooted in the neoliberal imperatives of US led globalization Reagan's democracy promotion initiative had major implications for post Cold War US foreign policy      **Family Violence** Elizabeth Soto Albrecht,2008 Family counselor and Mennonite pastoral minister Soto Albrecht examines the alarming presence of family violence today focusing on North and Latin America She analyses the nature of violence and the many cultural social and economic factors that lead to it particularly the patriarchal structure that underlies families      **Harvest of Cain** Jack Nelson-Pallmeyer,2001      *Never Again a World Without Us* Teresa Ortiz,2001      *Christian Social Action* ,2000      G.K. Hall Bibliographic Guide to Latin American Studies Benson Latin American Collection,2000      **American Book Publishing Record** ,2001      The Clue of the Red Thread Julie Tallard Johnson,2021-01-26 In Greek mythology Ariadne held authority over the mazes and labyrinths located beneath the palace of Knossos on Crete including the labyrinth that housed the deadly Minotaur When Theseus came to attempt to free the people from the Minotaur Ariadne gave Theseus a ball of red thread to mark his passage in and out of the labyrinth The thread was the key to successfully navigating the labyrinth's many twists and turns and Theseus ultimately confronted the Minotaur In her teaching Julie Tallard Johnson notes that metaphorically we all spend our lives in a labyrinth regularly having to face forked paths contradictory twists and turns and dead ends Red thread is a rich analogy for the wisdom passed on to us from generations of spiritual teachers and this wisdom guides us through our labyrinths In The Clue of the Red Thread Johnson longtime student of author teacher and activist Parker J Palmer offers numerous practices and strategies for navigating what she calls the greatest adventure of our lifetime going inward to discover who we truly are then returning

outward to blossom into a fearless and compassionate citizen living with integrity while both keeping hold of the red thread in our own lives and moving forward to pass it on to others

**Beads of Healing** Kristen E. Vincent, 2017-03-01 Healing from trauma begins with the courageous act of telling your story Yet many survivors of trauma are afraid to tell anyone about their deeply painful and personal experiences Trauma survivors often feel shame guilt fear and anger They may also carry deep spiritual wounds such as feeling abandoned or punished by God They may wonder how they can ever trust God In *Beads of Healing* Kristen Vincent shares her story of childhood trauma and how she eventually found God's peace healing and wholeness She tells how over 35 years after the trauma she encountered God as never before in the presence of a Christian community In this setting where she felt safe and loved and through the help of spiritual practices like scripture reading prayer group sharing and reflection she finally found the peace she had been seeking since age 7 Vincent models how to name feelings of grief anger abandonment shame and fear She gives readers ideas for ways to use prayer beads as a safe way to enter conversations with God to talk honestly with their Creator and open themselves to God's love This powerful story of one woman's journey to spiritual healing offers hope for all trauma survivors as well as those who have experienced loss hurt or other spiritual wounds Each chapter includes a scripture passage that supports the chapter theme truth telling the author talks about the chapter theme from her perspective reflection questions a prayer bead experience a listening focus a line to repeat with your prayer beads an opportunity to check in with yourself before moving forward NOTE The author recommends that readers study this book with someone a therapist pastor spiritual director or support group *Beads of Healing* features a Leader's Guide with an outline for 16 sessions links to instructions for making prayer beads and a guide to using prayer beads This book will be a valuable resource for pastors counselors and others who provide support for trauma survivors

**Trauma as Medicine** Sarah Salter-Kelly, 2021-05-14 On a cold winter's morning in December of 1995 Sarah Salter Kelly's mother was brutally raped and murdered in a dark parkade by a stranger After being found guilty of first degree murder the perpetrator suicided in prison In *Trauma as Medicine* Sarah shares her inspirational story as a template to guide the reader in their own journey of transformation She encourages you to consider the life lessons you came here to learn are found in the center of your greatest challenges and if you lean in miracles unfold For Sarah these miracles became a path of Forgiveness and Compassion Ten years after her mother's homicide she was compelled to understand the bad guy Who was he who were his people and what had transpired to lead him into the parkade that day Her desire for shared humanity led her to the First Nations land of his ancestors where she received a profound education in the history of colonization in Canada This is a real life example of metabolizing trauma on a personal and collective level for deep soul healing This book includes the following practices and teachings to guide your way Journal exercises meditations ceremonies Connecting with your Helping Spirits Ancestors Source Guidelines for creating sacred space focused on relationship with Mother Earth Altered states such as Shamanic Journey Ayahuasca Facing fear using triggers as resources Metabolizing

trauma embodying your medicine Forgiveness Collective healing being of service      *Overcoming Trauma* Theresa M.
