

REDDING & SHASTA COUNTY

Gateway to the Cascades

An Illustrated History by John D. Lawson

Redding Shasta County Gateway To The Cascades An Illustrated History

Shasta Historical Society

Redding Shasta County Gateway To The Cascades An Illustrated History:

Redding & Shasta County John D. Lawson, 1986 *A Historical Context and Archaeological Research Design for Townsite Properties in California*, 2010 *Valley for Dreams* Susan Wiley Hardwick, Donald G. Holtgrieve, 1996-10-24 Valley for Dreams is a fascinating historical geography of forgotten California that portion of the Great Central Valley north of Sacramento Structured around four key themes the environment people economy and landscape the book analyzes how this region s lush natural environment changed as successive groups and individuals made it one of the fastest growing and ethnically diverse rural areas in North America The book s numerous maps graphs tables sketches and photographs bring the area s geography to life Valley for Dreams is an important work for geographers historians and local residents interested in their town geographies *New Arrivals in Californiana*, 1984 **The Cumulative Book Index**, 1988 A world list of books in the English language *California History*, 1987 *The Literary Digest* Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, Arthur Stimson Draper, Wilfred John Funk, 1932 *Digest; Review of Reviews Incorporating Literary Digest*, 1932 **Redding** Shasta Historical Society, 2004-10 Pierson B Reading settled on a large land grant in Shasta County in the 1840s planting California s first cotton and northern California s first grapevines on his Rancho Buena Ventura which included the current town of Redding Although first nicknamed Poverty Flats by the early settlers the Southern Pacific Railroad chose this spot for its turnaround roundhouse in 1872 ignoring the neighboring mining boomtown of Shasta To honor a powerful Sacramento politician who acted as their general land agent the railroad named the new town Redding As Redding grew so did the tug of war with the town of Shasta over the location of the county seat a contest Redding won in 1884 Redding experienced two growth spurts one during a copper mining boom before World War I and the other at the end of the Great Depression when thousands of workers poured in to build Shasta Dam A gateway city to the large recreational area that surrounds it Redding now enjoys fame for its world renowned bridge designed by Santiago Calatrava **Shasta County**, 2003 Picturesque Shasta County located at the northern end of California s Sacramento Valley is known for its colorful history abundant natural beauty and unlimited recreational opportunities First home to native tribes such as the Wintu and Yana Shasta County was officially established in 1850 and fur trappers cattle ranchers and miners lumber mills copper smelters and railroads soon made their indelible mark on the landscape The region s story continued to unfold throughout the 20th century as its many lakes parks rivers and the snow capped peak of Mt Shasta glistening in the distance welcomed visitors and enticed many to make Shasta County home **Shasta Lake** Al Rocca, 2002 When national newspapers reported in 1938 that a large dam would be built in northern California hundreds of job seeking families streamed into Shasta County Shasta Dam would be America s last large concrete dam and would take years to build offering employment for those fortunate enough to secure a construction job during the Great Depression Captured here in over 200 rare photographs is the story of the building of Shasta Dam the boomtowns that resulted from its construction and the

residents who made the Shasta Lake region what it is today America's master dam builder Frank T Crowe and his band of dam builders diverted the Sacramento River and began the massive job of excavating millions of yards of dirt and rock. Meanwhile boomtowns housing dam workers and their families rapidly expanded developing both commercial and residential zones. Work on the dam was completed in 1945 and the question arose: Would the boomtowns survive? Featuring images from the United States Bureau of Reclamation and the Shasta Lake Historical Society, this new book focuses on both towns that no longer exist and some that still thrive, including Redding, Toyon, Shasta Dam Village, Project City, Summit City, and Central Valley.

Shasta County Memories Redding Record Searchlight, 2009-10

Romance of the Gateway Through the Cascade Range (Classic Reprint) Samuel Christopher Lancaster, 2017-10-21

Excerpt from *Romance of the Gateway Through the Cascade Range*: Her story briefly told of the most magnificent adventure in the annals of America thrills the hearts of all, but for lack of space in this little volume our readers are respectfully referred to *The Mentor*. When President Thomas Jefferson sent Lewis and Clark to explore the unknown land where rolls the Oregon, he instructed them to find the best low grade watershed route across the mountains between the Mississippi River and the Pacific Ocean, or as the Indians expressed it, Over the Shining Mountains to Everywhere. Salt Water.

About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
