Redemption Blues:

Redemption Blues Tim Griggs, 2000 *Redemption Blues* Griggs, Tim (Tim Douglas), 2001 **Protest & Praise** Jon Michael Spencer, 1989 Here is a skillful tracing of two tracks in the evolution of musical genres that have evolved from black religion Songs of protest developed from the spiritual through social gospel hymnody to culminate in songs of the civil rights movement and the blues Born in rebellion they envision the Kingdom of God Songs of praise by contrast express adoration Beginning with the ring shout Spencer follows the history of intoned declamation through the tongue song Holiness Pentecostal music and the chanted sermon of the black preacher Spencer's approach termed theomusicology unlocks the wealth of African American sacred music with a theological key The result is a fascinating account of a people's struggle with God in history Tumbling Diane Mckinney-whetstone, 1997-04-09 A beautiful and uplifting debut from one of the most exciting voices in new black fiction **Theology and the Blues** Justin McLendon, 2024-11-25 While all music genres incorporate religious imagery the blues has its origin in the soil of the church In its infancy the blues was often dismissed as undermining the church's gospel songbook The initial resistance however could not suppress the organic development of a genre of music born from suffering The great Mississippi Delta bluesman Muddy Waters once said The blues was born behind a mule Behind a beast of burden the working man found in the blues a way to console the everyday experiences of struggle sin loss despair love grief sin death and the fear and hope of crossing the River Jordan into eternal life The church's gospel songbook explores doctrinal foundations set to music but the blues dares to uncover insight into the lived experiences of spiritual journeys Theology and the Blues showcases theological themes inherent within the organic and expressive genre of the blues **Leaving Cecil Street** Diane McKinney-Whetstone, 2009-10-13 A riveting tale about a back room abortion that has devastating consequences for two teenage girls on a close knit Philadelphia block circa 1972 Block parties were king in this West Philadelphia neighborhood especially the year Cecil Street decided to have two These energetic sensual street celebrations serve as backdrops to the story of best friends Neet and Shay and their families When Neet becomes pregnant by one of the corner boys Shay arranges an abortion that goes terribly awry when Neet begins to hemorrhage Neet is left unable to bear children and to Shay's horror slips under the spell of her mother Alberta's severe esoteric religious beliefs Shay is left to struggle with the grief of losing a cherished friendship while she also bears witness to the the disintegration of her parents marriage The story climaxes during the second block party during which time it is discovered that Neet and Alberta have disappeared from Cecil Street the holy roller mother Alberta having finally been set free from the shackles of her church by none other than Shay's father **Oasis of Imagination** Ted Turnau, 2023-07-20 What should creative Christian cultural engagement look like Too often it has been marked by political strong arming or fearful withdrawal into the Christian bubble There is another way using our imaginations to plant oases in the desert breathable spaces that refresh challenge and draw together Christians and non Christians alike Oases refresh the soul provoke discussion challenge

assumptions and lead the imagination to a new place In Oasis of Imagination Ted Turnau lays out the Biblical mandate for engaging culture and why the imaginative path holds promise He explores the nature of the imagination from both Scripture and nature He asks What does a Christian imagination that resonates with non Christians look like He explores examples of Christian creativity done well from video games to movies to music to The Lord of the Rings He challenges the church artist and non artist alike to be intentional about their own imaginative lives how we can support each other as together we engage in building bridges and being cultural ambassadors to the wider community In depth and wide ranging Oasis of Imagination equips and encourages Christians whatever their calling to consider how to imaginatively enter into the broader cultural conversation

Higher Ground Craig Werner, 2007-12-18 An insightful music writer brilliantly reinterprets the lives of three pop geniuses and the soul revolution they launched Soul music is one of America's greatest cultural achievements and Stevie Wonder Aretha Franklin and Curtis Mayfield are three of its most inspired practitioners In midcentury America it was soul music particularly the dazzling stream of recordings made by these three stars that helped bring the gospel vision of the black church into the mainstream energizing the era's social movements and defining a new American gospel where the sacred and the secular met What made this gospel all the more amazing was that its most influential articulators were the sons and daughters of sharecroppers storefront preachers and single parents in the projects whose genius gave voice to a new vision of American possibility *Higher Ground* seamlessly weaves the specific and intensely personal narratives of Stevie Aretha and Curtis's lives into the historical fabric of their times The three shared many similarities They were all children of the great migration and of the black church But Werner goes further and ties them together with a provocative thesis about American history and culture that compels us to reconsider both the music and the times And aside from the personalities and the history he writes beautifully about music itself the nuts and bolts of its creation and performance in a way that brings a new awareness and understanding to the most familiar music forcing you to listen to songs you've heard a thousand times with fresh ears In *Higher Ground* Werner illuminates the lives of three unparalleled American artists reminding us why their music mattered then and still resonates with us today
