Rediscovering the Lord's Supper Markus Barth, 2006-09-01 Following his father's classic work CHURCH DOGMATICS Markus Barth considered the doctrine of the Lord's Supper which had not received a full treatment His work resulted in an exegesis of the Lord's Supper texts in the Synoptics the Fourth Gospel and the Pauline letters His perspective sees the Lord's supper and its accompanying Agape meal as a symbolic event that allows God's people to commune in an atmosphere that remains open to all including the Jews whose Passover continues to shed light on this sacrament His presentation covers the Lord's Supper Passover the relationship of Christians and Jews and the participation of children in communion He challenges the definitions of Baptism Eucharist and Ministry as expressed in the Lima Document offering one of the most sharply stated alternatives available His discussion provides a reexamination of the Lord's Supper as a symbol of ecumenism the opportunity for all God's people to celebrate together This approach makes an important ecumenical contribution to understanding the Lord's Supper from a New Testament perspective *Rediscovering the Lord's Supper* Markus Barth, 1988

Cornwall, 2014-07-10 Holy Communion the Lord's Supper or the Eucharist are some of the names used to signify what is arguably the center of our worship as Christians Although the Eucharist may stand at the center of Christian worship there are a great variety of theologies and practices present within the Christian community For some it is a mere memorial of Jesus last supper with his disciples For others it is the place where one not only encounters Jesus spiritual presence but consumes his true body and true blood under the signs of bread and wine Although rooted in the practices of the early Christians time has witnessed considerable evolution and with evolution comes diversity of practice and belief says author Dr Robert Cornwall This newest addition to the Topical Line Drives series offers a rich but brief stimulus for us to converse about our differences in theology and practice It is Dr Cornwall's hope that such conversations will increase our joy in the experience of this sacrament given to us by Jesus Christ **Eating with Jesus** Robert D. Cornwall, 2025-03-31 You go to

church on a Sunday morning It s Communion Sunday and when it comes time for Communion the presider issues an invitation on behalf of Jesus because it s Jesus table not the church s table However this invitation includes qualifiers Are you baptized Are you a member of the denomination Do you affirm the church s doctrinal statement Have you repented of your sins In other words are you worthy In Eating with Jesus Robert Cornwall asks whether these fences around Christ s table reflect Jesus practice of table fellowship If not shouldn t the fences be removed so that everyone is welcome at Christ s table where followers of Jesus might be nourished for missional service in the world while strangers might experience God s love and grace at the same table Through foundational essays and meditations on the stories of Jesus practice of table fellowship Cornwall invites the reader to envision how a truly open eucharistic table where the traditional fences are removed might serve as a crossroads where divine encounters with Jesus can occur that make available God s grace to all who gather at the table through the ministrations of the Holy Spirit wherever they may be on their spiritual journey

Emotions, Moral Formation, and Christian Politics Jonathan M. Cahill, 2024-08-22 This volume addresses the social relational nature of moral formation emotions and moral agency Drawing on Barth s theological anthropology and his relational conception of the self Cahill argues that Barth envisions moral progress as rooted in the growth of the community

Cahill also explores Barth's view of emotion in conversation with the study of emotions in psychology sociology neuroscience and philosophy Building on Barth and these other disciplines Cahill argues for a relational and cognitive conception of emotions while highlighting emotions critical role in regulating group and social relations Emotions are fundamental to interpersonal interactions to group relations and for the reinforcement and disruption of social structures This account of moral formation and emotion is illustrated through the example of climate change A community shaped by love for God solidarity with other creatures and a concern for all of creation leads to an awareness of hegemonic forces and fosters emotions shaped by the kingdom of God that enables the struggle for climate justice *Das Schweizer Buch* ,1989

Markus Barth Mark R. Lindsay,2024-12-03 Though he has remained in the shadow of his famous father Markus Barth was a groundbreaking thinker in his own right Drawing from an extensive collection of Markus Barth's letters and papers Mark Lindsay puts Barth's story and thought into historical context exploring his early life pastoral work scholarship and enduring legacy **Received by Christ** Celine S. Yeung,2023-07-21 Huldrych Zwingli had an idea To the shock of both Rome and fellow Protestant Martin Luther he argued that Christ is not physically present in the Lord's Supper Rather the Eucharistic elements only represent Christ's body and blood However the unique basis undergirding his theory is often overlooked both by his contemporaries and later commentators He specifically understood the Lord's Supper to be patterned after the Passover meal the meal of the Old Testament His memorialist understanding was in fact based on the memorialist nature of the Passover By bringing in Jewish scriptures to bear on our understanding of the Lord's Supper his approach unlocks new questions that do not necessarily presuppose Greek metaphysics or a break from traditions This work seeks to continue to develop the method Zwingli left behind delineating a Eucharistic theology for the church today one that gives careful consideration to God's actions in relation to Israel and therefore sees the meal not metaphysically but historically and relationally *Forthcoming Books* Rose Arny,2003 *Paperbound Books in Print* ,1991 *Ancient-Future Worship (Ancient-Future)* Robert E. Webber,2008-04-01 With the many models of worship available choosing a style to worship God can be a bit overwhelming Is it better to go with traditional or contemporary models Christians may find themselves asking how early believers worshiped and whether they can provide insight into how we should praise God today Rooted in historical models and patristic church studies Ancient Future Worship examines how early Christian worship models can be applied to the postmodern church Pastors and church leaders as well as younger evangelical and emerging church groups will find this last book in the respected Ancient Future series an invaluable resource for authentic worship

Rediscovering the Holy Spirit Michael Horton,2017-04-25 For the Spirit being somewhat forgotten is an occupational hazard The Holy Spirit is so actively involved in our lives that we can take his presence for granted As they say familiarity breeds contempt Just as we take breathing for granted we can take the Holy Spirit for granted simply because we constantly depend on him Like the cane that soon feels like an extension of the blind man's own body we too easily begin to think of the

Holy Spirit as an extension of ourselves Yet the Spirit is at the center of the action in the divine drama from Genesis 1:2 all the way to Revelation 22:17 The Spirit's work is as essential as the Father's and the Son's yet the Spirit's work is always directed to the person and work of Christ In fact the efficacy of the Holy Spirit's mission is measured by the extent to which we are focused on Christ The Holy Spirit is the person of the Trinity who brings the work of the Father in the Son to completion In everything that the Triune God performs this perfecting work is characteristic of the Spirit In Rediscovering the Holy Spirit author pastor and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit showing that the work of God's Spirit is far more ordinary and common than we realize Horton argues that we need to take a step back every now and again to focus on the Spirit himself his person and work in order to recognize him as someone other than Jesus or ourselves much less something in creation Through this contemplation we can gain a fresh dependence on the Holy Spirit in every area of our lives

The Church according to Paul James W. Thompson, 2014-09-09 Amid conflicting ideas about what the church should be and do in a post-Christian climate the missing voice is that of Paul The New Testament's most prolific church planter Paul faced diverse challenges as he worked to form congregations Leading biblical scholar James Thompson examines Paul's ministry of planting and nurturing churches in the pre-Christian world to offer guidance for the contemporary church The church today as then must define itself and its mission among people who have been shaped by other experiences of community Thompson shows that Paul offers an unprecedented vision of the community that is being conformed to the image of Christ He also addresses contemporary misunderstandings of words like missional megachurch and formation

□□ □□ □□ □□ □□, 2006 Sacrifice and Community Matthew Levering, 2008-04-15 This book explores the character of the Eucharist as communion in and through sacrifice It will stimulate discussion because of its controversial critique of the dominant paradigm for Eucharistic theology its reclamation of St Thomas Aquinas's theology of the Eucharist and its response to Pope John Paul II's *Ecclesia de Eucharistia* Argues that the Eucharist cannot be separated from sacrifice and rediscovers the biblical connections between sacrifice and communion Timed to coincide with the Year of the Eucharist proclaimed by Pope John Paul II Reclaims the riches of St Thomas Aquinas's theology of the Eucharist which had recently been reduced to a metaphysical defence of transubstantiation

Psychology of the Unconscious: A Study of the Transformations and Symbolisms of the Libido C. G. Jung, 2019-05-29 Unavailable for many years this edition presents the original English translation of Jung's most famous and influential work It is a key text for the study of the formation of Jung's ideas and for understanding his personal and psychological condition during this crucial time

The Theology of Renewal for His Church Douglas G. Bushman, 2024-01-26 Almost sixty years after Vatican II the question of its interpretation is as lively as ever While numerous theologies of renewal are advanced conspicuously absent is any serious erudition of the text taken by Paul VI John Paul II and Benedict XVI as the hermeneutical key to understanding the Council's goal and method namely Paul VI's encyclical *Ecclesiam Suam* This study corrects this inattention and proposes that Pope Paul's logic of

renewal is so profoundly a dimension of divine revelation and of the Church's life that it is not just one theology of renewal among many but the theology of renewal. It is thus the key to understanding the Council's authentic pastoral character. The logic of renewal sets personal spiritual metanoia as the center path of renewal preceded by the path of doctrinal penetration which assures that renewal is faithful to God and complemented by the path of reinvigorated mission which is the fruit of conversion. As the first post-Christendom ecumenical council, Vatican II addressed the question: What does it mean to be the Church of Christ at this point in history? Its answer: Become what you are. Convert into a more perfect realization of your own mystery, vocation and mission.
