These M ori to English definitions delve into a variety of associated meanings and derivations providing interest for either beginning or more advanced speakers of te reo. The new Illustrated M ori Dictionary preserves the retro feel of the 1965 original including its early adoption of macrons to mark long vowels and indication of transliterated words. The text has been updated to reflect modern scholarship and language use. Not only a handy reference work this corrected facsimile edition represents a classic of Kiwi publishing. It also includes a guide to the pronunciation of Maori and lists of useful vocabulary.
