## Reevaluating Your Commitments:

*Re-Evaluating Your Commitments* Maxine Hancock, 2001-04      *Motivated to Succeed* John C. Maxwell, 2006-08-27 Who cares about a person's attitude? As long as someone can do the job you shouldn't worry too much about it, right? If John Maxwell believed that you wouldn't have Attitude 101 in your hands right now. As America's leadership expert, Dr. Maxwell has devoted his life to helping people become more successful. His books and seminars teach that anyone can be a REAL success if they master skills in four areas: Relationships, Equipping, Attitude, and Leadership. This book is designed to give you the essentials of attitude. People's lives are so hectic; their time is valuable, and yet they are also on information overload. More new information has been produced in the last thirty years than in the previous five thousand. A weekday edition of the New York Times contains more information than average people in seventeenth-century England were likely to come across in their lifetime. The amount of information available in the world has doubled in the last five years and it will keep doubling. So this book is a companion to Leadership 101, Relationships 101 (available January 2004), and Equipping 101 (available January 2004). This is the short course on attitude. Dr. Maxwell recognizes that as an individual, your attitude has a profound impact on your life. As a leader, you cannot ignore the attitudes of the people you lead and expect to achieve success, whether you're leading a business, a family, a sports team, or a group of volunteers. A person's attitude impacts their relationships, colors their view of failure, and defines their approach to success. Attitude can make or break you.      **The 17 Essential Qualities of a Team Player** John C. Maxwell, 2006-10-11 John C. Maxwell breaks down the personal characteristics necessary for becoming an effective team player. Leadership expert John C. Maxwell follows his bestselling *The 17 Indisputable Laws of Teamwork* with this powerfully succinct companion book. Stating that great team players are developed from the inside out, Maxwell identifies the seventeen qualities that make up an in-demand team player while outlining how to embody those qualities. In *The 17 Essential Qualities of a Team Player*, Maxwell outlines the successes of team players who have been intentional, making every action count toward a long-term goal. Relational, focused on others, selfless, willing to take a subordinate role for the sake of the team, tenacious, hardworking, and optimistic in the face of setbacks. This instructional resource shows how these qualities, among many others, impact the team and its success. If you want to have a better team, you have to develop better players. *The 17 Essential Qualities of a Team Player* is not full of platitudes and abstract thinking but concrete actions designed to improve the value of every team player.      *A Comprehensive Guide To Time Management* Prabir Rai Chaudhuri, 2023-07-17 Time is a valuable and finite resource, and it can often feel like there's never enough of it.
