forgiveness is all about Almost immediately I found myself starting a daily routine that revolved around The Course This included a first thing in the morning practice of reading The Course for twenty minutes or so along with learning how to meditate It was during this period that I made a conscious decision to put God first which changed everything in my life experiences The everyday practice of studying The Course intently and regularly with focused determination to experience truth eventually led me to starting and completing The Course workbook which is a lesson a day for one year The only rule in The Course is to not do more than one workbook lesson a day Conversely one may take as long as necessary to complete a lesson The workbook took me three and one half years to finish but I did complete the workbook with spiritual experiences along the way The idea of the workbook is ultimately to experience the truth of what you already are where you already are and where you will always be regardless of the seemingly real experiences in this worldly lifetime In the initial weeks of this focused study I began writing down thoughts and ideas that resonated with me I personalized many of these ideas simply changing them into a first person format for myself I taped these statements into one of those ever available little pocket sized calendar books and began keeping these thoughts with me In this manner I was able to have these truth thoughts available most all the time Whenever I had a few minutes or more for whatever reason including any waiting type of situation that came along or just having quiet time I used the opportunity as a chance to study and contemplate spiritual thoughts and ideas Over time many of the statements evolved and many came and went Many thoughts stayed in this writing from the very beginning So I offer the Pocket Book of Truth as an assist along the way to awakening to who and what you already are as a way to point towards truth With love and blessings Marty Fall **Understanding a Course in Miracles** D.
