### **Reflecting With Solomon Selected Studies On The Of Ecclesiastes:**

Reflecting with Solomon Roy B. Zuck, 1994 Reflecting with Solomon gathers some of the best scholarship on Ecclesiastes The result is a solid introduction to Old Testament Wisdom Literature and more detail for study preaching and teaching than **Preaching Christ from Ecclesiastes** Sidney Greidanus, 2010-05-03 As Sidney Greidanus found in most commentaries points out the biblical book of Ecclesiastes is especially relevant for our contemporary culture because it confronts such secular enticements as materialism hedonism cut throat competition and self sufficiency But how can preachers best convey the ancient Teacher's message to congregations today A respected expert in both hermeneutics and homiletics Greidanus does preachers a great service here by providing the foundations for a series of expository sermons on Ecclesiastes He walks students and preachers through the steps from text to sermon for all of the book s fifteen major literary units explores various ways to move from Ecclesiastes to Jesus Christ in the New Testament and offers insightful expositions that help the preacher in sermon production but omit the theoretical and often impractical discussions in many commentaries <u>Divine Sabotage</u> Dan Lioy, 2008-08-18 The concept of the divine sabotage is the starting point for this expositional journey through Ecclesiastes Dan Lioy notes that on the one hand God has set eternity in the human heart Eccl 3 11a Yet on the other hand no one can fathom what God has done from beginning to end Eccl 3 11b God has imposed limitations on the human race that undermine human efforts to look beyond the present especially to understand the past or probe into the future Expressed differently because people are creatures of time their heavenly imposed finitude subverts their ability to fathom the eternal plan of God The preceding observations help pinpoint why existence often seems vague incongruous and antithetical People are left feeling confused powerless and frustrated And somewhere along the way they begin to ask what life is really all about Solomon who was Israel s wisest and most powerful king also wrestled with these issues and he recorded his observations and conclusions in the book of Ecclesiastes Lioy's objective balanced and affirming examination of Solomon's treatise indicates that the fundamental quality of life is defined by revering God and heeding His commandments Eccl 12 13 He notes that if human existence is likened to a cord made of three strands an analogy based on Ecclesiastes 4 12 it remains coherent and interconnected when God is at the center of one s inner world at the core of one s understanding of the external world and the basis for the significance one derives from life This volume is appropriate for personal study and is also suitable as a college and seminary textbook **Seeking Out the Wisdom of the Ancients** Ronald L. Troxel, Kelvin G. Friebel, Dennis Robert Magary, 2005 Michael V Fox long time professor in the Dept of Hebrew and Semitic Studies at the University of Wisconsin Madison is known both for his scholarship and his teaching As the editors of this volume in his honor note the care and sensitivity of his reading of the Hebrew text are well known and he lavishes equal attention on his own writing to the benefit of all who read his work which now includes the first of two volumes in the Anchor Bible commentary on Proverbs the next volume is in preparation as well as monographs on wisdom literature in ancient Israel and elsewhere

and many articles The rigor that he brought to his own work he also inflicted on his students and they and a number of his colleagues honor him with their contributions to this volume Contributors include Menahem Haran Kelvin G Friebel Cynthia L Miller Theron Young Adele Berlin William P Brown James L Crenshaw John A Cook Robert D Holmstedt Shamir Yona Christine Roy Yoder Carol R Fontaine Nili Shupak Victor Avigdor Horowitz Tova Forti Richard L Schultz J Cheryl Exum Dennis R Magary Theodore J Lewis Sidnie White Crawford Ronald L Troxel Karl V Kutz Heidi M Szpek Claudia V Camp Johann Cook Leonard Greenspoon Stephen G Burnett Carol A Newsom Shemaryahu Talmon and Frederick E Greenspahn The book is organized around themes that reflect Prof Fox s interests and work Part 1 Seeking Out Wisdom and Concerned with Prophecies Sir 39 1 Studies in Biblical Texts Part 2 Preserving the Sayings of the Famous Sir 39 2 Text Versions and Method
