Reflections From Beyond:

Reflections - Beyond Thought Susan Sosbe, 2014-02-28 Reflections Beyond Thought is a moving often amusing account of the author's personal journey. Struck by life-changing illness she fights all that challenges her until forced to surrender and in that moment to hear answers to her lifelong quest as she learns not only the nature of her own suffering but that of all mankind. The author reflects on more unusual events in her life. A profound spiritual experience whilst lost in the Norwegian mountains, the horrors and joys of giving birth in a public hospital in Kuwait and the isolation of the lonely seas whilst working as a ship's nurse are but a few seemingly spun by the hand of unseen forces to offer just another thread to the spiritual tapestry of life. Every story has its climax. Responding to an inexplicable moment of spontaneity the author moves from her Buckinghamshire home with all her animals to live in France. The real purpose of the relocation however is only revealed as its truth illumines in the stillness of the forest a story that will inspire and give hope to many. **Reflections from**

Beyond William DeGraft Coleman, 2011-08 Life is of course our greatest challenge. Through our attitudes and actions we choose whether we will live it greatly with grace and power or live it in vain unhappiness and pain. It is within our capacity as humans to live with wisdom and faith in ourselves in our Creator and in those with whom we share the earth. To perceive words of wisdom one must do one thing: Listen. In his new book Reflections from Beyond: A Pocket Book of Wisdom author William deGraft Coleman reminds all of us, sufferers and healthy alike, that even though strife abounds everywhere in our world, all is not lost. Imbedded in each and every one of us is the power to make life worth living. Instead of looking down on others, let others look up to you. To acknowledge your imperfections is to appreciate your very humanity, but to decline is to deny your very essence. With over 500 pearls of wisdom, Reflections from Beyond was born. As deGraft Coleman gradually lifted the shroud that more than twenty years of crippling anxiety had cast on his life, the miracle that woke him into living fully can be realized by all of us through these indispensable and thought-provoking insights. With our hearts open and our feet upon our true path, we will find our great fortune in the gift of life. Reflections from Beyond Jeannie Judd, 2001-06-01
