Reflections From Canoe Country:

Reflections from Canoe Country Christopher Angus, 1997-04-01 When Christopher Angus and two friends were canoeing a stretch of the Grass River in the Adirondacks in 1986 they were cited by the Department of Environmental Conservation for trespassing on the timberlands of the Champion Paper Company Amazed to find that the law protects corporate rather than environmental interests in a publicly owned state park Angus joined the decades long battle to reopen Adirondack waterways In this collection Angus a columnist and lifelong resident of the Adirondack region writes with the discerning eye of a poet and the ear of a political commentator He treats the reader to descriptions of his many canoeing experiences and to his thoughts on environmental protection As Paul Jamieson writes in the Foreword Reading these short pieces in rhythmic sequence is like riding the waves in a kayak off the Nova Scotia coast Angus s strong ties to Canada s maritime provinces and to the St Lawrence River expand the focus of the book to include the larger Northeastern wilderness It is here he maintains in the most densely populated region of North America that we will finally learn whether man can coexist with the natural world *On Foot in Canoe Country* Nicholas J. Faber, 1998 [Canoe Country Reflections](#) Larry Rice, 1993 **Canoe Country** Roy MacGregor, 2016-05-10 One of our favourite chroniclers of all things Canadian presents a rollicking personal photo filled history of the relationship between a country and its canoes From the earliest explorers on the Columbia River in BC or the Mattawa in Ontario to a doomed expedition of voyageurs up the Nile to rescue Khartoum from the author s family roots deep in the Algonquin wilderness to modern families who have canoed across the country kids and dogs included Canoe Country is Roy MacGregor s celebration of the essential and enduring love affair Canadians have with our first and still favourite means of getting around Famous paddlers have been so enchanted with the canoe that one swore God made Canada as the perfect country in which to paddle it Drawing on MacGregor s own decades spent whenever possible with a paddle in his hand this is a story of high adventure on white water and the sweetest peace in nature s quietest corners from the author best able and most eager to tell it **Canoe Country Wildlife** Mark Stensaas, [Canoe Country](#) Florence P. Jaques, 1979-01-01 [Rooted in Rock](#) Jim Gould, 2001-06-01 In the past twenty years the Adirondacks have inspired a resident population of writers who have gained regional and national prominence using the Adirondack region as their primary setting and subject matter or at least as a significant point of departure Rooted in Rock is the first collection of its kind in more than twenty years since Paul Jamieson s Adirondack Reader What makes the volume unique though is the number of contributors who not only make the Adirondacks their subject but who make their homes in these mountains The works in this volume include contemporary essays literary nonfiction poetry short fiction and excerpted fiction and are a mix of new and previously published writings by forty three authors established as well as emerging including Bill McKibben Sue Halpern Russell Banks Alex Schoumatoff Chase Twichell Curt Stager Amy Godine and Jim Gould to name a few [The Extraordinary Adirondack Journey of Clarence Petty](#) Christopher Angus, 2015-02-25 Author and naturalist Christopher Angus

profiles for the first time the adventurous life of Clarence Petty one of the great pioneer conservationists of the Adirondack Mountain region of New York State Raised in the heart of the Adirondack wilderness between Tupper and Saranac Lakes Petty overcame his humble beginnings and pursued a variety of careers as wilderness guide forester Civilian Conservation Corps camp director World War II pilot district ranger and aerial forest fire fighter ultimately leaving his indelible mark as a lifelong advocate for the protection of the wilderness The story of Petty s life reads like a Horatio Alger novel His father moved to the mountains in the 1880s to work as a guide His mother was a cook for one of the popular sportsmen s hotels in the area Young Clarence and his brothers enjoyed the kind of childhood freedom and independence that today s youngsters can only dream about Their father s sense of self reliance and their mother s drive to educate her sons led all three to attend college Clarence followed a path of service to the American landscape His influence on state policy regarding the Adirondack Park and especially its millions of acres of wilderness has been profound His life story provides a window into the politics of conservation in the Adirondack region from the early days of the twentieth century to the present St. Lawrence County Christopher Angus,Susan H. Wood,2001 Since the days of the pioneers St Lawrence County s diverse waterways fertile soils and dense forests have drawn a rich cultural mix of peoples These early settlers built the colorful barns mills and lighthouses of a working community Over time the area was transformed by one of the world s busiest shipping lanes the St Lawrence Seaway by the great educational institutions of the valley and by modern industries like Corning the high tech creator of windows for the space shuttle St Lawrence County is bracketed by two great vacation meccas the Thousand Islands and the Adirondack Park Artist Frederick Remington s island retreat at Ingleneuk and Henry Rushton s Canton boat works are no longer with us but the port of Ogdensburg still boasts elegant nineteenth century homes Rushton s crafts can still be found at exhibitions at Paul Smith s College or gracing Lake Flower in the village of Saranac Lake Daily life in hamlets such as Star Lake North Creek and Blue Mountain Lake can still evoke a simpler time **Canoe Country Camping** Michael Furtman,1992 Finding True North Fran Yardley,2018-05-23 An evocative and personal history of a unique historic place in the Adirondacks In 1968 Fran and Jay Yardley a young couple with pioneering spirit moved to a remote corner of the Adirondacks to revive the long abandoned but historic Bartlett Carry Club with its one thousand acres and thirty seven buildings The Saranac Lake area property had been in Jay s family for generations and his dream was to restore this summer resort to support himself and eventually a growing family Fran chronicles their journey and along the way unearths the history of those who came before from the 1800s to the present Offering an evocative glimpse into the past Finding True North traces the challenges and transformations of one of the world s most beautiful least celebrated places and the people who were tirelessly devoted to it Fran Yardley is a superb storyteller and this is a superb story of a camp and of a marriage illuminating a key corner of the slightly out of time paradise that is the Adirondacks Bill McKibben author of Radio Free Vermont A Fable of Resistance Fran Yardley has given us an emotionally moving book combining memoir and Adirondack
