Excerpt from *Reflections of a Russian Statesman*

However you may deplore the fact we are outside of it and have never shown less disposition than to day to enrol ourselves in the Democratic troupe Even Count Leon Tolstoi who may perhaps be regarded as the most extreme and privileged critic in Russia treats Constitutionalism with the same supercilious contempt as all the other forms of government About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Russian Nationalism Since 1856 Astrid S. Tuminez,2000 This thoughtful book describes the range of nationalist ideas that have taken root in Russia since 1856 Drawing on a wide range of archival documents and unparalleled interview material from the post Soviet period Tuminez analyzes two cases_Russian panslavism in 1856 1878 and great power nationalism in 1905 1914_when aggressive nationalist ideas clearly influenced Russian foreign policy and contributed to decisions to go to war Yet not all forms of nationalism have been malevolent and the author assesses competing nationalist

ideologies in the post Soviet period to clarify the conditions under which a particularly belligerent nationalism could flourish and influence Russian international behavior **Reflections on a Russian Statesman** Thomas Calnan

Sorenson,2021-03-03 Konstantin P Pobedonostsev is a major figure in Russian history late in the 19th century and into the 20th He was a conservative thinker with significant influence on the policies of the imperial government His ideology was grounded in the conservative philosophy of western Europe He applied that philosophy to Russia and argued against any significant change in Russia s system of government As Over Procurator of the Holy Synod of the Russian Orthodox Church he developed a system of parish schools that was a significant part of Russia s educational system As a conservative populist he stressed the supposed bond between the Russian people the Russian Orthodox Church and the Russian autocracy He had a decisive influence on the policies of Tsar Alexander III after the assassination of Alexander II Understanding Pobedonostsev is crucial to any understanding of the history of late imperial Russia This book is based on research in libraries and archives in Russia It can be a valuable resource for accessing archival material not available outside Russia **Reflections of a**
