Reflections Of African American Peace Leaders A Documentary History 1898 1967 Black Studies S:

Reflections of African-American Peace Leaders Marvin J. Berlowitz, Eric Jackson, Nathan A. Long, 2003 These documents most of which are reprinted in full outline the wide range of approaches ideas and philosophies various Black Americans used to generate an antiwar campaign question the use of violence around the world and call attention to the emergence of international racism and social intolerance during the late 19th through the 20th centuries Through Darkness to Light Jeanine Michna-Bales, 2017-03-28 They left in the middle of the night often carrying little more than the knowledge to follow the North Star Between 1830 and the end of the Civil War in 1865 an estimated one hundred thousand slaves became passengers on the Underground Railroad a journey of untold hardship in search of freedom In Through Darkness to Light Photographs Along the Underground Railroad Jeanine Michna Bales presents a remarkable series of images following a route from the cotton plantations of central Louisiana through the cypress swamps of Mississippi and the plains of Indiana north to the Canadian border a path of nearly fourteen hundred miles The culmination of a ten year research quest Through Darkness to Light imagines a journey along the Underground Railroad as it might have appeared to any freedom seeker Framing the powerful visual narrative is an introduction by Michna Bales a foreword by noted politician pastor and civil rights activist Andrew J Young and essays by Fergus M Bordewich Robert F Darden and Eric R Jackson

The Charles H. Parrishes Lawrence H. Williams, 2003 The Parrishes were an extraordinary family whose work and example influenced African Americans in Louisville and elsewhere for nearly a century Dr Williams weaves together the facts of both history and family biography to create a richly nuanced account of their lives and times This work is a rare combination an outstanding research achievement that is also eminently enjoyable and illuminating **EDUCATIONAL STUDIES**, 2006 **The British National Bibliography** Arthur James Wells, 2005 Choice, 2003 *America, History and Life*, 2005 Article abstracts and citations of reviews and dissertations covering the United States and Canada

Forthcoming Books Rose Army, 1997 Ralph Bunche Charles P. Henry, 1999 Activist international statesman reluctant black leader scholar icon father and husband Ralph Bunche is one of the most complicated and fascinating figures in the history of twentieth century America Bunche played a central role in shaping international relations from the 1940s through the 1960s first as chief of the Africa section of the Office of Strategic Services and then as part of the State Department group working to establish the United Nations After moving to the U N as Director of Trusteeship he became the first black Nobel Laureate in 1950 and was subsequently named Undersecretary of the U N For nearly a decade he was the most celebrated contemporary African American both domestically and abroad Today he is virtually forgotten Charles Henry s penetrating biography counters this historical tragedy recapturing the essence of Bunche s service to America and the world Moreover Henry ably demonstrates how Bunche s rise and fall as a public symbol tells us as much about America as it does

about Bunche His iconic status like that of other prominent mainstream black figures like Colin Powell required a constant struggle over the relative importance of his racial identity and his national identity Henry's biography shines as both the recovered story of a classic American and as a case study in the racial politics of public service Black Leaders of the Twentieth Century John Hope Franklin, August Meier, 1982 Biographical studies of fifteen twentieth century black leaders

In Battle for Peace William Edward Burghardt Du Bois, 2007 W E B Du Bois was a public intellectual sociologist and activist on behalf of the African American community He profoundly shaped black political culture in the United States through his founding role in the NAACP as well as internationally through the Pan African movement Du Bois's sociological and historical research on African American communities and culture broke ground in many areas including the history of the post Civil War Reconstruction period Du Bois was also a prolific author of novels autobiographical accounts innumerable editorials and journalistic pieces and several works of history One of the most neglected and obscure books by W E B Du Bois *In Battle for Peace* frankly documents Du Bois's experiences following his attempts to mobilize Americans against the emerging conflict between the United States and the Soviet Union A victim of McCarthyism Du Bois endured a humiliating trial he was later acquitted and faced political persecution for over a decade Part autobiography and part political statement *In Battle for Peace* remains today a powerful analysis of race in America With a series introduction by editor Henry Louis Gates Jr and an introduction by Manning Marable this edition is essential for anyone interested in African American history
