Torture and Dignity J. M. Bernstein, 2015-09-14 Torture and rape are only rarely considered by moral philosophers because they are so indisputably morally atrocious acts and because their specific mode of suffering cannot be accounted for by reigning moral theories By making them pivotal to the understanding of morality in general however Jay Bernstein's intention is to throw into question the dominant schools of modern moral philosophy and to attempt to restructure moral experience and understanding on the basis of the formations of suffering they make salient Morals Bernstein argues emerge from the experience of moral injury from the sufferings of the victims of moral harm For us moderns morality at its most urgent and insistent is finally a victim morality This can sound hyperbolic but since all of us are potential victims it turns out that this perspective is readily available and intrinsic to ordinary ethical experience One of Bernstein's pivotal arguments is that trust is a form of mutual recognition that trust is the ethical substance of everyday life and that understood aright trust is structured from the perspective of a potential victim of harm rather than from the perspective of a deliberating agent This book promises to be a major contribution to moral philosophy

Elder Horror Cynthia J. Miller, A. Bowdoin Van Riper, 2019-01-25 As baby boomers gray cinematic depictions of aging and the aged are on the rise In the horror genre fears of growing old take on fantastic proportions Elderly characters are portrayed as either eccentric harbingers of doom the crone who stops at nothing to restore her youth the ancient ancestor who haunts the living or as frail victims This collection of new essays explores how various filmic portrayals of aging as an inescapable horror destined to overtake us all reflect our complex attitudes toward growing old along with its social psychological and economic consequences

A Twist of Fate Tina Dison, 2017-01-17 *A Twist of Fate* is the story of seventeen year old Angel Johanson a shy self conscious young woman striving to find her place in a world fraught with peril As she struggles to understand what happened to her and get her mind off the young woman she never knew she devotes herself to getting through another day Her fight for survival leads her back to the family that rescued her Angel has long accepted the circumstances she now faces and her newfound friends with the exception of one Sean Callenger She finds herself both frightened and fascinated by him and his unusual family Her stubborn focus to put the pieces of her own life back together leaves no room in her affections for Sean or the romantic interest others try to proclaim for her Determined not to show any feelings for Sean Angel's friends scheme up Operation Romance a sure plan to push her and get the two of them together But just as Angel begins to succeed with keeping her thoughts and feelings to herself she unveils his family's mystery and suddenly nothing seems sure
